The facility must accommodate realistic, ship-like configurations with dedicated simulation rooms, raised flooring for cable routing, high-speed network infrastructure, climate control, acoustic treatment and structural provisions for projection or LED visual systems. The environment should enable the use of key systems such as ECDIS, RADAR/ARPA, AIS, GMDSS equipment, tug control systems and VTS consoles. All infrastructure must align with International Maritime Organization (IMO) Model Courses, Standards of Training, Certification, and Watchkeeping (STCW) requirements, International Association of Marine Aids to Navigation and Lighthouse Authorities (IALA) V-103 standards and international technical standards to ensure high-fidelity maritime training and operational realism.

The scope of work defines the technical, structural and compliance-related deliverables to be fulfilled by the appointed contractor as specified below:

a) Price and TCO Criteria [Weighted score 80 points]:

Evaluation Criteria	RFP Reference
• Commercial offer	Section 4
• Commercial discounts ¹ • Price adjustment conditions / factors • Exchange rate exposure • Disbursements	Section 4

Transnet will utilise the following formula in its evaluation of Price:

$$Ps = 80 \left(1 - \frac{Pt - P \min}{P \min} \right)$$

Where:

Ps = Score for the Bid under consideration

Pt = Price of Bid under consideration

$Pmin$ = Price of lowest acceptable Bid

b) Specific Goals [Weighted score 20 point]

- Specific goals preference points claim form
- Preference points will be awarded to a bidder for attaining the specific goals requirements in accordance with the table indicated in Section 4.1 of the specific goals Claim Form.

1.3 STEP THREE: Post Tender Negotiations (if applicable)

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
 - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
 - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.

¹ Only unconditional discounts will be taken into account during evaluation. A discount which has been offered conditionally will, despite not being taken into account for evaluation purposes, be implemented when payment is effected

- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

1.4 STEP FOUR: Award of business and conclusion of contract

- Immediately after approval to award the contract has been received, the successful or preferred bidder(s) will be informed of the acceptance of his/their Quotation by way of a Letter of Award. Thereafter the final contract will be concluded with the successful Respondent(s).
- Otherwise, a final contract will be concluded and entered into with the successful Bidder at the acceptance of a letter of award by the Respondent.

2 Validity Period

Transnet requires a validity period of 60 [thirty] Business Days from the closing date of this RFQ, excluding the first day and including the last day.

Bidders are to note that they may be requested to extend the validity period of their bid, on the same terms and conditions, if the internal evaluation process has not been finalised within the validity period. However, once the adjudication body has approved the process and award of the business to the successful bidder(s), the validity of the successful bidder(s)' bid will be deemed to remain valid until a final contract has been concluded.
