PERFORMANCE REQUIREMENTS

The service provider's work must conform to domestic cleaning practices, standards and specifications and the work must be completed to the satisfaction of the *Supervisor or his delegated representative*.

The Service provider and sub-service providers if any shall have suitably qualified Supervisors in charge of the service. The names and qualifications of the Supervisors together with full details of their experience in this field of work must be furnished. The service providers must furnish the names and addresses of all proposed sub-service providers, which is subject to prior approval.

The Service provider shall not change the project team as detailed in the organogram submitted by the Service provider and accepted by the Transnet Supervisor without the prior written approval of the Supervisor, which approval will not unreasonably be withheld by the Supervisor.

OTHER REQUIREMENTS

Security:

The Service provider shall arrange for access permits to enter the Transnet site for its staff with Transnet Security. The company shall provide each staff member with a badge of identification.

Standard Specifications:

- All materials and quality of work shall comply with specifications.
- Health and Safety Specification TFR-ISM-RN-R&C-FM009.

Compliance with statutory requirements

The successful service providers shall comply with the provision of.

- Act 130 of 1993, Compensation of Occupational Injuries and Diseases act.
- Act 85 of 1993, Occupational Health and Safety Act.
- Basic Conditions of Employment Act (BCEA) No. 75 of 1997.

Details of the conditions in which the Service provider must operate:

Service providers must note that the facilities shall be occupied during working hours and that some areas operate on a 24/7 basis.

The successful service provider would be required to schedule his site work in such manner that it does not interfere with the operations or shall ensure there is minimal disturbance to operations.

The first task in the morning should be dedicated to the cleaning of common areas (toilets, corridors, stairwells, entrance and exit points).

The service provider shall be liable for any damages caused by him or his staff to any Transnet property or equipment.

Damage to Property and/or Services

The service providers shall take adequate precaution against damage to existing assets and injury to persons during the course of the contract. The successful tender will be responsible for the repairs and/or the costs incurred in such repairs to any damages caused to TRANSNET'S property by the successful service providers s staff the carrying out of the required work.

CONSTRAINTS

The facilities shall be occupied during working hours with high volume of Transnet staff, therefore, working areas shall be properly demarcated.

Mops and dirty water shall not be flushed into the sewer system.

Working equipment should not be left lying around, must be removed to the designated storage areas.

HEALTH AND SAFETY

The Service provider shall submit a Health and Safety file according to Transnet Property requirements for approval and kept at depot for monthly audits.

The service provider shall ensure that it and its contracted staff and site manager shall at all times comply fully with any safety, fire, emergency and security procedures and policies applicable at the premises.

The Service provider to supply staff with PPE, i.e., safety boots, reflector vest, gloves, dust mask, etc.

LEGAL REQUIREMENTS FOR ALL CONTRACTS

- The Health and Safety specifications shall be based on the task at hand vs. task specific.

- It is a service provider requirement that the principal service provider demonstrates that adequate provisions have been made for the cost of Health and Safety. The cost of health and safety therefore specifically must be included in the price list.

WINDOW CLEANING

Window cleaning has been separated from the monthly cleaning and will be done on a quarterly basis. Here the service provider may use own staff or a window cleaning company. If a window cleaning company is used that invoice is for the service provider's account and not Transnet directly. A separate invoice must be submitted for the quarterly window cleaning.

Windows must be washed and gutters to be cleaned every three (3) months.

All bird nests and droppings must be removed from the windowsills, pavement, parking around all buildings.
