SECTION 2: NOTICE TO BIDDERS

1 Responses to RFQ

Responses to this RFQ [**Quotations**] must not include documents or reference relating to any other quotation or proposal. Any additional conditions must be embodied in an accompanying letter.

2 Formal Briefing

No formal briefing

3 Communication

3.1 Specific queries relating to this RFQ before the closing date of the RFQ should be submitted onto the system and to Moleboheng Mokoena before **12:00 pm on 16 July 2025**. In the interest of fairness and transparency Transnet's response to such a query will then be made available to other bidders.

3.2 It is prohibited for Respondents to attempt, either directly or indirectly, to canvass any officer or employee of Transnet in respect of this RFQ between the closing date and the date of the award of the business.

3.3 Respondents found to be in collusion with one another will be automatically disqualified and restricted from doing business with organs of state for a specified period.

3.4 Respondents may also, at any time after the closing date of the RFQ, communicate with the name of delegated individual on any matter relating to its RFQ response:

Telephone 031 361 6853 Email Moleboheng.Mokoena@transnet.net

3.5 All unsuccessful bidders have a right to request Transnet to furnish individual reasons for their bid not being successful. This requested must be directed to the contact person stated in the SBD 1 form

4 Legal Compliance

The successful Respondent shall be in full and complete compliance with any and all applicable national and local laws and regulations.

5 Employment Equity Act

Respondents must comply with the requirements of the Employment Equity Act 55 of 1998 applicable to it including (but not limited to) Section 53 of the Employment Equity Act.

6 Changes to Quotations

Changes by the Respondent to its submission will not be considered after the closing date and time.

7 Binding Offer

Any Quotation furnished pursuant to this Request shall be deemed to be an offer. Any exceptions to this statement must be clearly and specifically indicated.

8 Disclaimers

8.1 Respondents are hereby advised that Transnet is not committed to any course of action as a result of its issuance of this RFQ and/or its receipt of a Quotation in response to it. Please note that Transnet reserves the right to:

- modify the RFQ's goods / service(s) and request Respondents to re-bid on any changes;
- reject any Quotation which does not conform to instructions and specifications which are detailed herein;
- disqualify Quotations submitted after the stated submission deadline;

- not necessarily accept the lowest priced Quotation or an alternative bid;
- place an order in connection with this Quotation at any time after the RFQ's closing date;
- award only a portion of the proposed goods / services which are reflected in the scope of this RFQ;
- split the award of the order/s between more than one Supplier/Service Provider should it at Transnet's discretion be more advantageous in terms of, amongst others, cost or developmental considerations;
- cancel the quotation process;
- validate any information submitted by Respondents in response to this bid. This would include, but is not limited to, requesting the Respondents to provide supporting evidence. By submitting a bid, Respondents hereby irrevocably grant the necessary consent to Transnet to do so;
- request audited financial statements or other documentation for the purposes of a due diligence exercise;
- not accept any changes or purported changes by the Respondent to the bid rates after the closing date and/or after the award of the business, unless the contract specifically provides for it;
- to cancel the contract and/request that National Treasury place the Respondent on its Database of Restricted Suppliers for a period not exceeding 10 years, on the basis that a contract was awarded on the strength of incorrect information furnished by the Respondent or on any other basis recognised in law;
- award the business to the next ranked bidder, provided that he/she is still prepared to provide the required Goods/Services at the quoted price, should the preferred bidder fail to sign or commence with the contract within a reasonable period after being requested to do so. Under such circumstances, the validity of the bids of the next ranked bidder(s) will be deemed to remain valid, irrespective of whether the next ranked bidder(s) were notified of their bid being unsuccessful. Bidders may therefore be requested to advise whether they would still be prepared to provide the required Goods/Services at their quoted price.
- Should a bidder fail to respond to a request for extension of the validity period before it expires, that bidder will be excluded from tender process.

9 Specification/Scope of Work

Refer to Annexure A attached.

10 Legal review

A Proposal submitted by a Respondent will be subjected to review and acceptance or rejection of its proposed contractual terms and conditions by Transnet's Legal Counsel, prior to consideration for an award of business.

11 Security clearance

Acceptance of this bid could be subject to the condition that the Successful Respondent, its personnel providing the goods and its subcontractor(s) must obtain security clearance from the appropriate authorities to the level of CONFIDENTIAL/ SECRET/TOP SECRET. Obtaining the required clearance is the responsibility of the Successful Respondent. Acceptance of the bid is also subject to the condition that the Successful Respondent will implement all such security measures as the safe performance of the contract may require.

12 National Treasury's Central Supplier Database

Respondents are required to self-register on National Treasury's Central Supplier Database (CSD) which has been established to centrally administer supplier information for all organs of state and facilitate the verification of certain key supplier information. Transnet is required to ensure that price quotations are invited and accepted from prospective bidders listed on the CSD. Business may not be awarded to a respondent who has failed to register on the CSD. Only foreign suppliers with no local registered entity need not register on the CSD. The CSD can be accessed at <https://secure.csd.gov.za/>.

For this purpose, the attached SBD 1 Form must be completed and submitted as a mandatory returnable document by the closing date and time of the bid.

13 Tax Compliance

Respondents must be compliant when submitting a proposal to Transnet and remain compliant for the entire contract term with all applicable tax legislation, including but not limited to the Income Tax Act, 1962 (Act No. 58 of 1962) and Value Added Tax Act, 1991 (Act No. 89 of 1991).

It is a condition of this bid that the tax matters of the successful Respondents be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the Respondents tax obligations.

The Tax Compliance status requirements are also applicable to foreign Respondents/ individuals who wish to submit bids.

Where Consortia / Joint Ventures / Sub-contractors are involved, each party must be registered on the Central Supplier Database and their tax compliance status will be verified through the Central Supplier Database.

Transnet urges its clients, suppliers and the general public to report any fraud or corruption to

1.4 STEP THREE: Evaluation and Final Weighted Scoring**a) Price and TCO Criteria [Weighted score 80 points]:**

Evaluation Criteria	RFP Reference
• Commercial offer	Section 4

Transnet will utilise the following formula in its evaluation of Price:

Respondent's Signature

Date & Company Stamp

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

P_s = Score for the Bid under consideration

P_t = Price of Bid under consideration

P_{\min} = Price of lowest acceptable Bid

b) **Specific Goals** [Weighted score 20 point]

- Specific goals preference points claim form
- Preference points will be awarded to a bidder for attaining the specific goals requirements in accordance with the table indicated in Section 4.1 of the specific goals Claim Form.

Summary: **Applicable Thresholds and Final Evaluated Weightings**

Evaluation Criteria	Final Weighted Scores
Price	80%
Specific goals - Scorecard	20%
Total Score	100%

1.5 STEP FIVE: Post Tender Negotiations (if applicable)

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
 - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
 - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

1.6 STEP SIX: Objective Criteria (if applicable)

Transnet reserves the right to award the business to the highest scoring bidder/s unless objective criteria justify the award to another bidder. The objective criteria Transnet may apply in this bid process include:

- Skills Transfer and Capacity Building for Transnet;
- Impact on Transnet's Return On Investment;
- Rotation of Suppliers to promote opportunities for other suppliers, by overlooking a supplier that has been awarded business repeatedly overtime in order to benefit other suppliers in the market;
- the tenderer:

- is not under restrictions, or has principals who are under restrictions, preventing participating in the employer's procurement,
- is not undergoing a process of being restricted by Transnet or other state institution that Transnet may be aware of,
- can, as necessary and in relation to the proposed contract, demonstrate that he or she possesses the professional and technical qualifications, professional and technical competence, financial resources, equipment and other physical facilities, managerial capability, reliability, experience and reputation, expertise and the personnel, to perform the contract,
- has the legal capacity to enter into the contract
- is not insolvent, in receivership, under Business Rescue as provided for in chapter 6 of the Companies Act, 2008, bankrupt or being wound up, has his affairs administered by a court or a judicial officer, has suspended his business activities, or is subject to legal proceedings in respect of any of the foregoing,
- complies with the legal requirements, if any, stated in the tender data and
- is able, in the option of the employer to perform the contract free of conflicts of interest.
- all Risks identified during a risk assessment exercise/probity check (which may be conducted by an authorised third party) that would be done to assess all risks, including but not limited to:
- the financial stability of the bidder based on key ratio analysis, which would include, but not be limited to Efficiency, Profitability, Financial Risk, Liquidity, Acid Test, and Solvency;
- a due diligence to assess functional capability and capacity. This could include a site visit;
- A commercial relationship with a Domestic Prominent Influential Person (DPIP) or Foreign Prominent Public Official (FPPO) or an entity of which such person or official is the beneficial owner; and
- Reputational and Brand risks

1.7 STEP SEVEN: Award of business and conclusion of contract

- Immediately after approval to award the contract has been received, the successful or preferred bidder(s) will be informed of the acceptance of his/their Quotation by way of a Letter of Award. Thereafter the final contract will be concluded with the successful Respondent(s).
- Otherwise, a final contract will be concluded and entered into with the successful Bidder at the acceptance of a letter of award by the Respondent.

2 Validity Period

Transnet requires a validity period of 90 [Ninety] Business Days from the closing date of this RFQ, excluding the first day and including the last day.

Bidders are to note that they may be requested to extend the validity period of their bid, on the same terms and conditions, if the internal evaluation process has not been finalised within the validity period. However, once the adjudication body has approved the process and award of the business to the successful bidder(s), the validity of the successful bidder(s)' bid will be deemed to remain valid until a final contract has been concluded.

3 Disclosure of contract information

Johannesburg Stock Exchange Debt Listing Requirements

Transnet may also be required to disclose information relating to the subsequent contract i.e. the name of the company, goods/services provided by the company, the value and duration of the contract, etc. in compliance with the Johannesburg Stock Exchange (JSE) Debt Listing Requirements.

Domestic Prominent Influential Persons (DPIP) OR Foreign Prominent Public Officials (FPPO)

Transnet is free to procure the services of any person within or outside the Republic of South Africa in accordance with applicable legislation. Transnet shall not conduct or conclude business transactions, with any Respondents without having:

- Considered relevant governance protocols;
- Determined the DPIP or FPPO status of that counterparty; and
- Conducted a risk assessment and due diligence to assess the potential risks that may be posed by the business relationship.

As per the Transnet Domestic Prominent Influential Persons (DPIP) and Foreign Prominent Public Officials (FPPO) and Related Individuals Policy available on Transnet website <https://www.transnet.net/search/pages/results.aspx?k=FPIDP#k=DPIP>, Respondents are required to disclose any commercial relationship with a DPIP or FPPO (as defined in the Policy) by completing the following section:

The below form contains personal information as defined in the Protection of Personal Information Act, 2013 (the "Act"). By completing the form, the signatory consents to the processing of her/his personal information in accordance with the requirements of the Act. Consent cannot unreasonably be withheld.

Respondents declaring a commercial relationship with a DPIP or FPPO are to note that Transnet is required to annually publish on its website a list of all business contracts entered into with DPIP or FPPO. This list will include successful Respondents, if applicable.

4 Returnable Documents

Returnable Documents means all the documents, Sections and Annexures, as listed in the tables below. There are three types of returnable documents as indicated below and Respondents are urged to ensure that these documents are returned with their bids based on the consequences of non-submission as indicated below:

Mandatory Returnable Documents	<i>Failure to provide all these Mandatory Returnable Documents at the Closing Date and time of this RFQ <u>will</u> result in a Respondent's disqualification.</i>
Returnable Documents Used for Scoring	<i>Failure to provide all Returnable Documents used for purposes of scoring a bid, by the closing date and time of this bid will not result in a Respondent's disqualification. However, Bidders will receive an automatic score of zero for the applicable evaluation criterion.</i>
Essential Returnable Documents	<i>Failure to provide essential Returnable Documents <u>will</u> result in Transnet affording Respondents a further opportunity to submit by a set deadline. Should a Respondent thereafter fail to submit the requested documents, this may result in a Respondent's disqualification.</i>

All Returnable Sections, as indicated in the header and footer of the relevant pages, must be signed, stamped and dated by the Respondent.

a) Mandatory Returnable Documents

Respondents are required to submit with their bid submissions the following **Mandatory Returnable Documents**, and also to confirm submission of these documents by so indicating [Yes or No] in the tables below:

Mandatory Returnable Documents	Submitted [Yes or No]
SECTION 4: Quotation Form	
Provide load test certificates and pictures as per manlift specification	
Provided copies of service records for five (5) manlifts, and a letter of intent to lease seven manlifts must be submitted	

b) Returnable Documents Used for Scoring

In addition to the requirements of section (a) above, Respondents are further required to submit with their Proposals the following **Returnable Documents Used for Scoring** and also to confirm submission of these documents by so indicating [Yes or No] in the table below:

SECTION 8: Protection of Personal Information	
SECTION 1: SBD1 Form	

5 CONTINUED VALIDITY OF RETURNABLE DOCUMENTS

The successful Respondent will be required to ensure the validity of all returnable documents, including but not limited to its valid proof of B-BBEE status, for the duration of any contract emanating from this RFQ. Should the Respondent be awarded the contract [**the Agreement**] and fail to present Transnet with such renewals as and when they become due, Transnet shall be entitled, in addition to any other rights and remedies that it may have in terms of the eventual Agreement, to terminate such Agreement immediately without any liability and without prejudice to any claims which Transnet may have for damages against the Respondent.

SECTION 4

QUOTATION FORM

I/We _____

hereby offer to supply the goods/services at the prices quoted in the Price Schedule below, in accordance with the conditions related thereto.

I/We agree to be bound by those terms and conditions in:

- the Standard RFQ Terms and Conditions for the Supply of Goods or Services to Transnet; and
- any other standard or special conditions embodied in this Request for Quotation.

I/We accept that unless Transnet should otherwise decide and so inform me/us, this Quotation [and, if any, its covering letter and any subsequent exchange of correspondence], together with Transnet's acceptance thereof shall constitute a binding contract between Transnet and me/us. I/We further agree that if, after I/we have been notified of the acceptance of my/our Quotation, I/we fail to deliver the said goods/service/s within the delivery lead-time quoted, Transnet may, without prejudice to any other legal remedy which it may have, cancel the order and recover from me/us any expenses incurred by Transnet in calling for Quotations afresh and/or having to accept any less favourable offer.

5	HIRE OF 5 MANLIFTS-MONTHLY				
Total Inclusive of VAT (where applicable)					

Delivery Lead-Time from date of purchase order: _____ **[days/weeks]**

Respondents are to note that Transnet will round off final pricing scores to the nearest 2 (two) decimal places.

Notes to Pricing:

- a) Respondents are to note that if the price offered by the highest scoring bidder is not market-related, Transnet may not award the contract to that Respondent. Transnet may-
- (i) negotiate a market-related price with the Respondent scoring the highest points or cancel the RFQ;
 - (ii) if that Respondent does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the second highest points or cancel the RFQ;
 - (iii) if the Respondent scoring the second highest points does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the third highest points or cancel the RFQ.

If a market-related price is not agreed with the Respondent scoring the third highest points, Transnet must cancel the RFQ.

- b) All Prices must be quoted in South African Rand, inclusive of VAT
- c) Any disbursement not specifically priced for will not be considered/accepted by Transnet.
- d) To facilitate like-for-like comparison bidders must submit pricing strictly in accordance with this price schedule and not utilise a different format. Deviation from this pricing schedule could result in a bid being disqualified.
- e) Please note that should you have offered a discounted price(s), Transnet will only consider such price discount(s) in the final evaluation stage if offered on an unconditional basis.

SECTION 5

CERTIFICATE OF ACQUAINTANCE WITH RFQ DOCUMENTS

By signing this certificate the Respondent is deemed to acknowledge that he/she has made himself/herself thoroughly familiar with, and agrees with all the conditions governing this RFQ. This includes those terms and conditions contained in any printed form stated to form part hereof, including but not limited to the documents stated below. As such, Transnet will recognise no claim for relief based on an allegation that the Respondent overlooked any such term or condition or failed properly to take it into account in calculating tendered prices or any other purpose:

1. Transnet's General Bid Conditions
2. Standard RFQ Terms and Conditions for the supply of Goods or Services to Transnet
3. Transnet's Supplier Integrity Pact
4. Non-disclosure Agreement

Note: Should a Respondent be successful and awarded the bid, they will be required to complete a Supplier Declaration Form for registration as a vendor onto the Transnet vendor master database.

Should the Bidder find any terms or conditions stipulated in any of the relevant documents quoted in the RFQ unacceptable, it should indicate which conditions are unacceptable and offer alternatives by written submission on its company letterhead, attached to its submitted Bid. Any such submission shall be subject to review by Transnet's Legal Counsel who shall determine whether the proposed alternative(s) are acceptable or otherwise, as the case may be. A material deviation from the Standard terms or conditions could result in disqualification.

Bidders accept that an obligation rests on them to clarify any uncertainties regarding any bid to which they intend to respond, before submitting the bid. The Bidder agrees that he/she will have no claim or cause of action based on an allegation that any aspect of this RFQ was unclear but in respect of which he/she failed to obtain clarity.

The bidder understands that his/her Bid will be disqualified if this Certificate of Acquaintance with RFQ documents included in the RFQ as a returnable document, is found not to be true and/ or complete in every respect.

PROVISION FOR LEASE OF FIVE (5) MANLIFT EQUIPMENT FOR TRANSNET SOC LTD (REG. NO 1990/000900/30) OPERATING AS TRANSNET PORT TERMINALS UNDER DURBAN CONTAINER TERMINAL PIER 2 FOR A PERIOD OF FIVE (5) MONTHS

1. Definitions

- 1.1 Lessor-** the lessor is the person or party that issues the lease (allows the property to be rented),
1.2 Lessee- lessee is the person that the lease is granted to (the person paying rent to use the property)

2. Description of Scope

2.1. Background

- 2.1.1** The Durban Container Terminal (DCT) Pier 2 is a specialized maritime facility with dedicated infrastructure and equipment for the handling of containerized cargo. The container handling system includes Ship to Shore (STS) cranes, Straddle Carriers, Rubber-Tyred Gantry (RTG) cranes and Hauler trailer units.
- 2.1.2** Access to maintain, repair and conduct inspections of equipment in the workshop and out in the terminal's operational area requires man lift cranes of the telescopic boom work platform types. This is to enable access to various components, including engines and generators, which are located on platforms at the top of the equipment.
- 2.1.3** There are workshops where the handling equipment are maintained i.e., Straddles Workshop, Cranes Workshop and Haulers Workshop. Straddles Carriers can stack up to 4 containers high. Most critical components of the machine are situated at the top deck of the machine which necessitates the availability of the manlift to reach 18 to 20 metres on the machine.
- 2.1.4** The aim of Transnet Port Terminals (TPT) is to lease the manlift equipment for business benefit as opposed to ownership and hence the offer comprises of a Full Maintenance Lease (FML) Agreement.

- 2.1.5 Full Maintenance Lease: Equipment lease in which the lessor is responsible for all maintenance and service charges. Lessee: In a financial contract, the lessee is the person to whom something is rented or loaned, in this case Transnet Port Terminals. Lessor: A lessor is the party who rents property to another party, in this case the appointed Service Provider

2.2 The Scope of Services

- 2.2.1 Offer: Lease of five (5) Manlifts for Transnet SOC Limited (operating as Transnet Port Terminals) at Durban Container Terminal Pier 2 for a period of five(5) months.
- 2.2.2. The service provider must submit service records indicating the service hours, Certificate of Fitness, and service history of the equipment. The equipment must not be older than 15000 hours on the clock.
- 2.2.3. If the Service Provider intends to lease equipment, a letter of intent to lease must be submitted from the lessor signed by both parties and a lease agreement for the equipment leased signed by both parties. The letter submitted must include all the equipment intended to be leased accompanied by service records indicating the service hours and service history must be submitted; the leased equipment must not be older than 15000 hours on the clock.
- 2.2.4. Service provider is responsible for maintenance, breakdown repairs as well as the general upkeep of the equipment.

2.3 The offer is inclusive of: -

- 2.3.1 It is required that the Service Provider must have an offsite type of facility for the storage and management of tyres, consumables and spares.
- 2.3.2 Service Provider to ensure a dedicated technical team is available as and when required to conduct maintenance, defects, breakdowns as well as supervision on a 24 hours/7days, 365 days for the duration of the contract to cover all working times.

- 2.3.3 Replacement equipment must be made available if the breakdown takes longer than 24 hours (i.e., if the repair work on the breakdown will take 24 hours or more replacement equipment must be on site within 2 hours after major breakdown has been acknowledged.) for business continuity. This is inclusive of weekend and public holidays.
- 2.3.4 If the Service Provider fails to replace the equipment as per clause 1.3.3, TPT will issue an NCR to the service provider to enforce compliance.
- 2.3.5 Service Provider's workshop in relation to the TPT DCT Pier 2 site and spares support should be available within sixty (60) minutes and supported by a 24hours/7days response team.
- 2.3.6 Technical team to be on site as and when required during day shift to conduct planned maintenance, defects as well as breakdowns. There must be a standby team on call to attend breakdowns after hours.
- 2.3.7 Standby team must be made from qualified personnel with the requisite knowledge of equipment. The team must be equipped to deal with all possible technical problems on site.
- 2.3.8 The team must be equipped with all required tools, spares inclusive of a vehicle to attend breakdowns.
- 2.3.8.1 All maintenance requirements inclusive of labour, service kits, appropriate spare parts for the planned duration of the lease.
- 2.3.8.2 All equipment to be fitted with revolving lights on the roof.
- 2.3.8.3 Only tyres damaged due to negligence will be for TPT's account.
- 2.3.8.4 TPT will provide fuel/diesel for the manlifts; service providers need not to quote on fuel.

2.4 Equipment Availability

- 2.4.1 The service provider must always maintain a minimum of 5 machines operational available.
- 2.4.2 The service provider to make provision for the replacement of equipment should the equipment be on breakdown for a duration longer than 24 hours while it is demanded by operations

2.4.3 The service provider to be aware that the manlifts are to move from the workshop to operations as and when required.

3. Management meetings

- 3.1 The Service Provider shall attend all management meetings as called by the Contract Manager. It is envisaged that at least fortnightly contract management meetings, plus weekly site meetings during the delivery/erection phase and daily meetings during the commissioning phase, will be held. The Service Provider must present all relevant information including quality plans, schedules, (including progress) subcontractor management, health, environmental and safety issues at such meetings.
- 3.2 Service Level Agreement (SLA's) meetings shall be set up post award and the Service Provider is expected to ensure that a management representative is available for these "production" and service performance sessions.

4. Documentation control

- 4.1 The Service Provider shall submit all required documentation (including correspondence and drawings) to Transnet Port Terminals (Lessee) standards and to the Contract Manager's requirements in accordance with the Contract Manager's document control procedure.
- 4.2 The Service Provider shall use his own suitable document control system for the control, maintenance and handling of all relevant documentation and drawings issued to him.

5. Safety risk management

- 5.1 All aspects of on-site works must comply with the Health and Safety requirement OHS act No 85 of 1993.
- 5.2 Before Service Provider establish site, a **safety file** must be submitted in line with the SHEQ department requirements. Only after the approval of the file by the SHEQ department site can be established.

6. Contract Management

6.1 Delivery schedule

- 6.1.1 The Service Provider to provide a detail project plan for the delivery of the equipment.
- 6.1.2 Equipment delivery lead time after PO should not be more than 3 days

7. Business Continuity Plan for managing risk.

- 7.1** The Service Provider is expected to submit a business continuity plan to manage risk. This plan must state how the Service Provider will limit or minimise operational disruptions, this will require the following but not limited to:
 - 7.2** A clearly defined business continuity team with their roles and contact details to be contacted in case of an emergency.
 - 7.3** Critical services and equipment should be identified in the plan and how much time it will take to restore or replace each critical service or equipment in case of a disruption without compromising service level or operations (Ideally TPT is expecting the time to be 4 hours).
 - 7.4** Detailed business continuity risks and their mitigations and how long it will take to practically implement the mitigation.
 - 7.5** How often the plan will be tested and the method of testing the plan e.g., desktop or live simulation.
 - 7.6** Detailed crises communication plan in case of an emergency. The crises plan should cover the following topics: 1) What constitutes a crisis, 2) Crises team, 3) How will a crisis be communicated including timelines etc.
- 7.7** Continuity of operations / Contingency plan – The plan should be supported with back up contracts (this can be draft contracts pending contract award) with alternative suppliers who can supply equipment at short notice to prevent business disruption. The response time for the back-up support should be clearly defined in the contract.

8. Service Provider's management, supervision, and key people.

- 8.1** The *Service Provider* shall make an adequate, experienced, and stable management team available for the duration of the contracted period.
- 8.2** Every effort must be exercised by the *Service Provider* to minimize replacement of individual technical, admin and management team members to ensure optimum contract management continuity.

9. General Requirements

- 9.1** The equipment as made and supplied shall be complete in every respect, of modern design using most advanced technology extensively supported by reputable local companies and be designed and built to applicable recognised standards and good engineering practices.
- 9.2** All electrical, hydraulic, and mechanical components to be fitted shall have been type tested for reliability and extended lifetime in the conditions to be expected.
- 9.3** Engineering – specifications, configuration, and selection of the fleet equipment with the latest technology.
 - a. Dedicated service facilities staffed with supervision, certified maintenance personnel and all necessary shop equipment, parts and diagnostic tools.
 - b. Preventative Fleet Maintenance executed to maximize utilization, equipment life and tracked by a paperless computerized system.
 - c. OHSAct and Safety Compliance Management

10. Environmental Conditions

10.1 The equipment offered must be able to operate in a marine environment subject to the following conditions:

Altitude Sea Level
Ambient temperature 5 – 45°C
Relative humidity Frequently 100%
Air Pollution Heavily saline, dust laden and industrial fumes

All electrical, hydraulic, and pneumatic components shall be suitable and treated for use in tropical climate where rapid changes in weather conditions produce severe moisture condensation problems. The equipment shall be capable of withstanding the highly corrosive effects of the moist, saline atmosphere. All electrical components not installed in controlled environments (machine and electrical house or operator's cabin) must have a minimum enclosure protection of IP65.

11. Training and technology transfer

11.1 The terminal will provide the Service Provider with copy of driver certificates and the Service Provider will induct the drivers on the operating of the new equipment.

12. Terminal Specific Requirements

Manlift specifications

The Terminal specific requirements for the manlift cranes are as follows:

Parameter for Manlift No.1	
Boom type	Telescopic boom working platform
Working Height (metres) of at least:	20 m
Platform height (metres) of at least:	18 m
Platform unrestricted capacity (Kilograms) of at least:	227 kg
Platform restricted capacity (Kilograms) of at least:	450 kg
Platform Rotator:	180 Degrees Hydraulic
Horizontal Outreach:	12 - 14 m
Up and Over Clearance	8 - 9 m
Self-closing gate	
Operator tool tray	
Jib Range of Articulation	130 Degrees (+70, -60)
Drive Speed 4WD	5 - 7 km/h
Install Rotating beacon light(amber)	
Diesel powered (Kilowatts) of at least:	50 KW
Auxiliary power of at least:	12V DC
Standard Features must include:	
Oscillating Axle	
180 Degree Hydraulic Platform Rotator	
220V-AC Receptacle in the Platform	
5 Degree Tilt Alarm/Indicator Light	
Swing-Out Engine Tray	
12V-DC Auxiliary Power	
Hour meter	
Horn	
Control System	
Proportional Controls	
Gull-Wing Engine Hood	

Diesel engine with hydraulic system
Platform Console Machine Status Light Panel (Must include indicator lights at platform console for system distress, 5-degree tilt light and foot switch status)
Lifting/Tie Down Lugs
All Motion Alarm
Glow Plugs (Diesel Engines)

13. Delivery Place and Delivery of the Goods

13.1 Delivery Place and Working Areas

13.1.1. Working Areas

- (a) When required in terms of the delivery methodology, the Service Provider will indicate his space requirements at the Delivery Place on a suitable drawing submitted with the tender.
- (b) The Delivery Place is located at the Durban Container Terminal Pier 2 at Straddles Workshop, South Africa.
- (c) The Service Provider shall take all necessary steps for his works not to interfere with port operations and to ensure that normal traffic flow of the operational terminal is not obstructed.

13.1.2. Clearing of Delivery Place

- (a) The Service Provider, within fourteen days after completion of the contract, must completely remove from the Delivery Place all his plant, materials and Equipment or any other asset belonging to him and leaves the Delivery Place in a tidy condition to the satisfaction of the TPT Fleet Manager.

13.1.3. Health and safety facilities at the Delivery Place

- (a) At all times during the delivery and testing of the equipment the Service Provider is responsible for the safety of all persons on the Delivery Place and on the equipment and shall have the necessary systems and procedures in place to effectively manage this.
- (c) The Service Provider's workforce must attend an induction relating to the safety and operational aspects of the terminal for about 45 minutes before they can work at the terminal. The Service Provider is responsible to supply all the necessary PPE to his employees.

14. Testing and commissioning

14.1 Prerequisites for commissioning

- (a) The Service Provider shall include all tests and inspections required in terms of the respective specifications and other tests and inspections deemed necessary by the Service Provider to prove that that the equipment complies with the Goods Information and must include the following where applicable:
 - ❖ Pre-commissioning tests to be performed by the Service Provider.

- ❖ Performance test recording the speeds of all motions under various load conditions.
- ❖ Overload tests.
- ❖ Stability tests.
- ❖ Tests to prove the integrity of the safety devices, limit systems and emergency systems.
- ❖ Tests to prove the integrity of all service brakes and emergency brakes.
- ❖ Functional tests.
- ❖ Operational tests under simulated conditions.
- ❖ General inspection for final quality, including paint quality.
- ❖ COF of all equipment will be carried out by the service provider.
- ❖ The Service Provider will be required to show practically and analytically that the equipment can repeat the duty cycle continuously at rated capacity and rated speeds and accelerations, without over heating or unduly breaking down.

14.2 Testing and commissioning

- a) The Service Provider shall satisfy himself that the equipment is complete in all respects and shall carry out the necessary pre-commissioning tests of the equipment. During this period the TPT Examiner will carry out visual inspections on the equipment and check compliance documents.
- b) After approval of the test and inspection protocol by the TPT Engineering Manager, the Service Provider shall fully test the equipment in the presence of the TPT Engineering Manager and according to the approved protocol. As far as practical the equipment shall be fully tested prior to it being moved into the operational area.
- c) Load testing on the equipment, where applicable, shall be performed at the Delivery Place in accordance with the South African Occupational Health & Safety Act (110% overload tests). The Service Provider shall be responsible for the supply of all loads testing masses and measuring instruments. The load test shall be carried out by a registered Lifting Machinery Inspector, appointed by the Service Provider. Load shall be defined as the safe working load when the equipment is working at maximum capacity, and including dynamic factors such as wind loads, shock loads due to acceleration and deceleration, etc.
- d) All motions of the equipment shall be tested under load to simulate actual conditions, where applicable, to prove correct operation and to enable position indicators and limit switches to be set, and other operational adjustments made.

- e) Before the commencement of any tests the Service Provider shall provide the initial fill of oil for all gearboxes and grease for components which require grease lubrication.
- f) On completion of delivery, the Service Provider shall issue a delivery Certificate with all prescribed statutory documents; test certificates; documentation certifying the class and safe working loads of the equipment for approval by the TPT Engineering Manager, prior to the commencement of the Endurance Testing. Where required by law, relevant certificates shall be issued by local authorities.

14.3 Endurance Testing

- a) After successful completion of commissioning (approved Commissioning Certificate), the equipment shall be subjected to Endurance Testing, i.e. actual operation of the equipment in the handling of cargo in the operational area of the port.
- b) The Endurance Test will constitute a minimum of 8 hours. TPT will operate the manlift for the 8-hour endurance test which will be done with live operations and the manlift will be operated by the purchaser under guidance of the Service Provider. TPT will.
- c) Take-Over the manlift on successful completion of the 8hr endurance test. If the manlift fails the 8-hour endurance test and the actual rectification of defect/fault takes longer than 30 minutes, the endurance test shall commence afresh on the manlift.
- d) The Service Provider shall provide at his own cost, enough suitably qualified personnel and all equipment necessary, to rectify all faults and malfunctions occurring during Endurance Testing.

15. Plant and Materials standards and workmanship

15.1. General

- a) All Plant shall be installed according to the manufacturer's recommendations.
- b) All Plant must be securely mounted on the equipment such that vibration and movement will not dislodge any components.

- c) All rotating components shall be statically balanced before fitting. High speed rotating components shall also be dynamically balanced.
- d) All fatigue sensitive welds on manufactured components shall be post weld treated by local burr grinding and shot preening afterwards.
- e) All inspection and quality assessments must be in accordance with TPT's quality control methodologies.
- f) The manlifts need to be tailored for specific utilization.
- g) Availability of spares locally.

16. Annual load Testing

16.1 All lifting equipment (Manlifts) should undergo annual load testing as per COP 29 requirements to determine whether they are safe to use. Load testing to be carried out by a competent person and/or entity and proof thereof be filed with the Transnet's equipment Examiner.
