

**PRE-PROPOSAL BRIEFING FOR TPT/2025/10/0009/110230/RFP- ICLM HQ 1009 TPT
PROVISION OF WASTE MANAGEMENT SERVICES OF HAZARDOUS AND GENERAL
INDUSTRIAL WASTE (HEREINAFTER REFERRED TO AS "THE WASTE MANAGEMENT
SERVICES") FOR TRANSNET SOC LTD
TRANSNET PORT TERMINALS
31 AUGUST 2026**

1. BACKGROUND AND INTRODUCTION

Transnet Port Terminals (“TPT”) requires a Waste Management Service Provider to perform Waste Management Services at all of its terminals countrywide for a period of five (5) years. The Waste Management Service includes the provision of waste skips, removal and disposal of waste in compliance with the National Environmental Management: Waste Act 59 of 2008, as amended and all other applicable legislative requirements at all TPT terminals.

SERVICES WILL APPLY TO THE FOLLOWING TERMINALS HEREINAFTER REFERRED TO AS “ALL TPT TERMINALS”):

- East London Terminals;
- Ngqura Container Terminal;
- Cape Town Multi-Purpose Terminal;
- 1Cape Town Container Terminal;
- Saldanha Multi-Purpose Terminal;
- Saldanha Bulk Terminal; and
- Lohatla Terminal

SERVICES WILL APPLY TO THE FOLLOWING TERMINALS HEREINAFTER REFERRED TO AS “ALL TPT TERMINALS”):

- Richards Bay Dry Bulk Terminal;
- Richards Bay Multi-Purpose Terminal;
- Durban Container Terminal Pier 1;
- Durban Car Terminal;
- Durban Multi-Purpose Terminal Point;
- Durban Multi-Purpose Terminal Maydon Wharf;
- Durban Agriport Terminal;
- Port Elizabeth Terminals;

4. EXECUTIVE SUMMARY

Transnet Port Terminals (TPT) requires the appointment of a professional waste management service provider to supply qualified personnel, equipment, supervision, and resources necessary to manage waste across its operations. The scope includes the collection, transportation, treatment, and lawful disposal of waste in accordance with TPT's Waste Management Standard Operating Procedure.

The appointed supplier must conduct all services in compliance with the principles of sustainable development and environmental responsibility, as prescribed by the National Environmental Management Act (NEMA) and the National Environmental Management: Waste Act (NEM:WA)

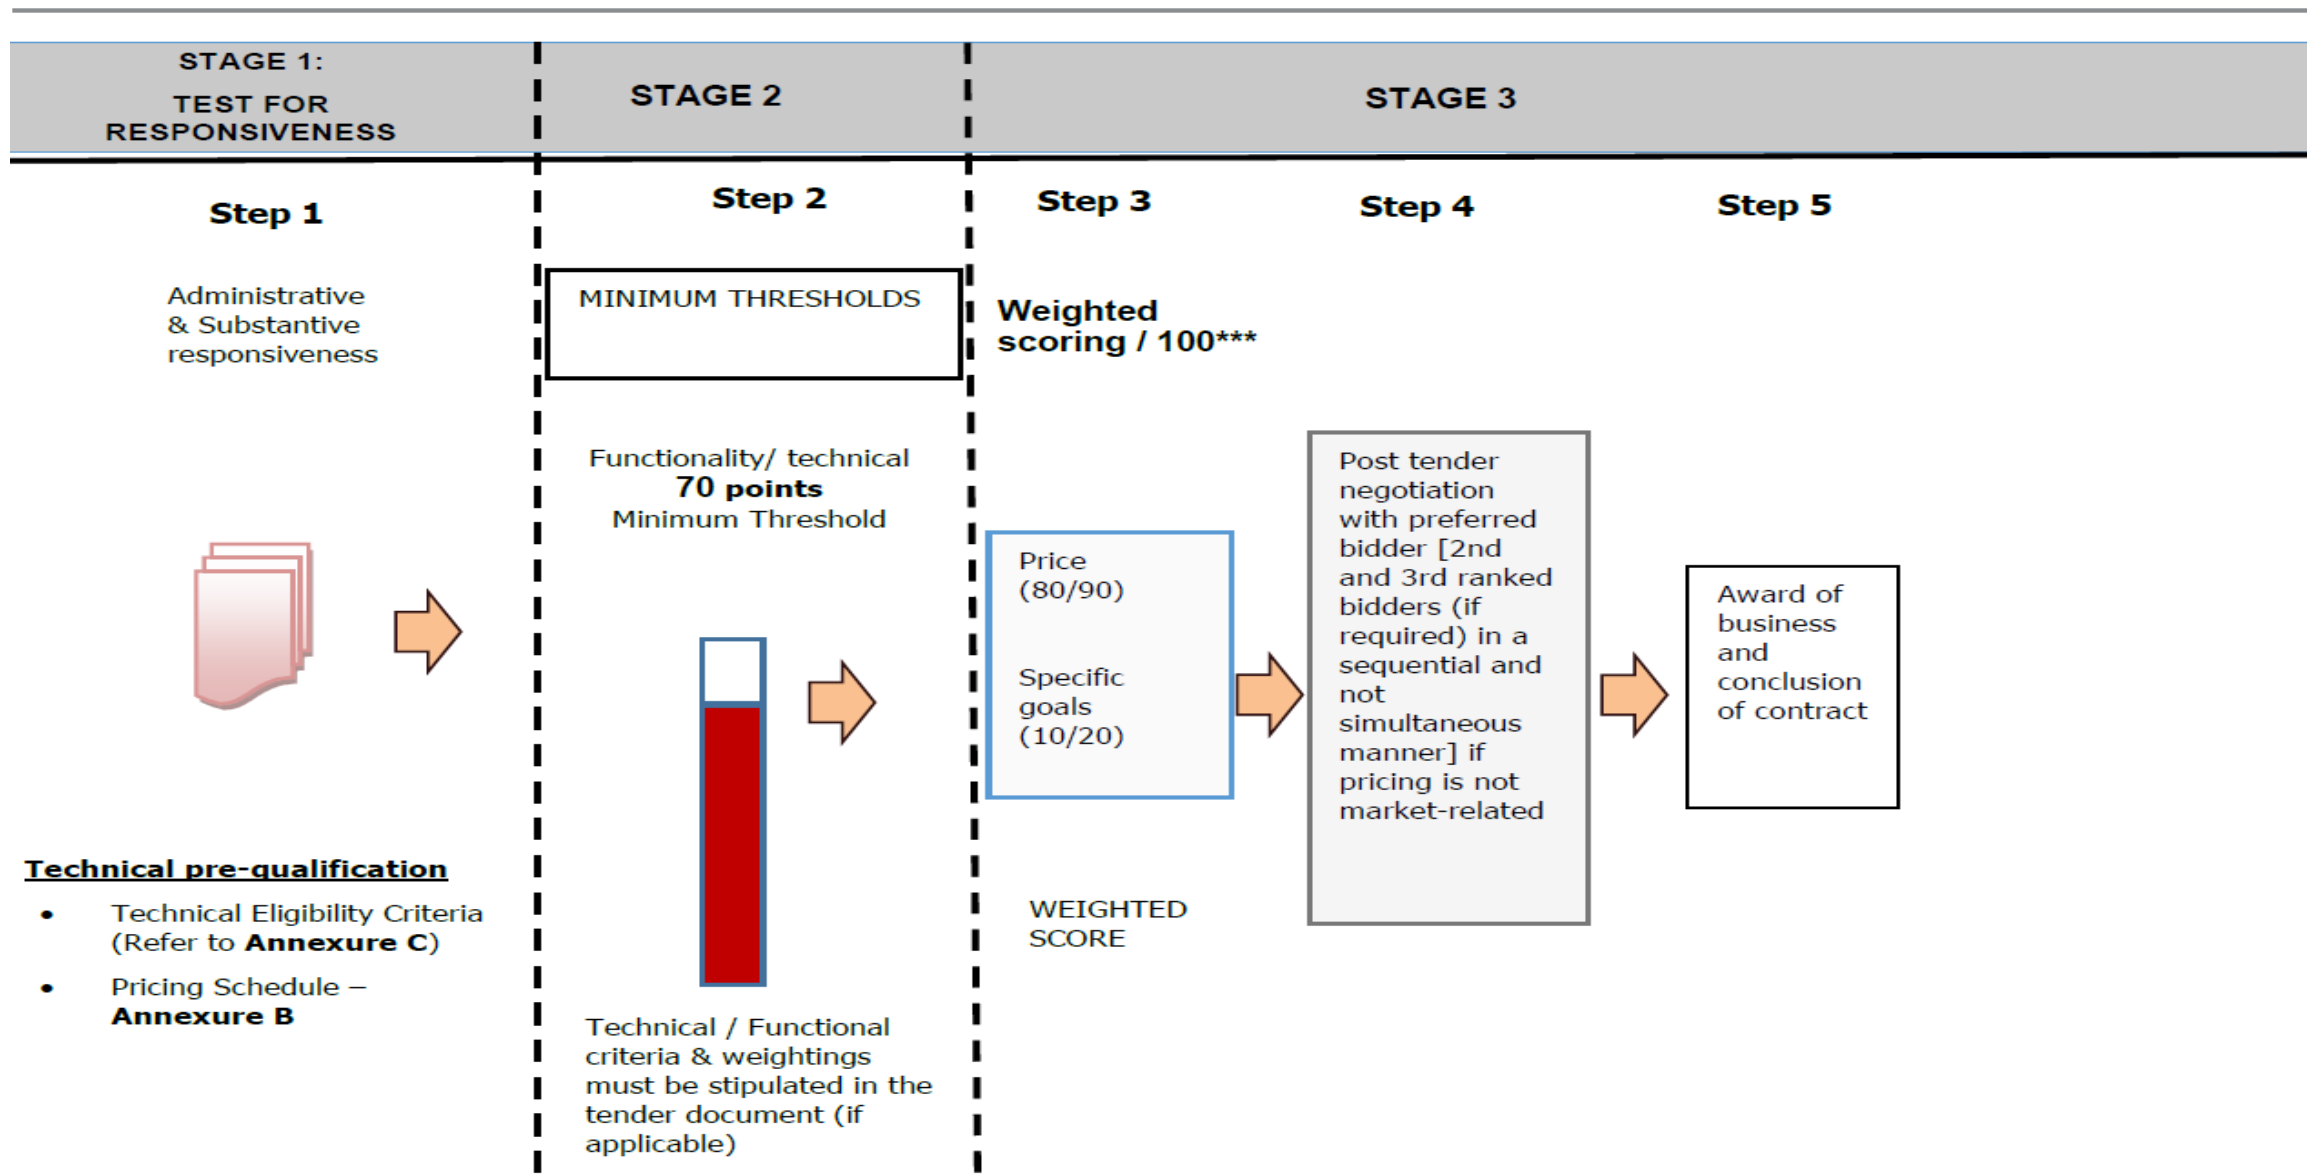

5. SUMMARY OF SCOPE OF REQUIREMENTS (1/1)

Key Deliverables

- Collection,
- transportation,
- treatment, and disposal of waste.
- Provision of competent personnel, supervision, and equipment.
- Compliance with all applicable environmental and waste management legislation.
- Preparation of waste classification reports and Safety Data Sheets where required.
- Submission of qualifying client references demonstrating relevant experience.
- Lawful and environmentally responsible management of all waste streams.

6. RFP METHODOLOGY

6. RFP EVALUATION STAGES 1/4

Administrative & Substantive responsiveness check

- Whether the Bid has been lodged on time
- Whether all Returnable Documents and/or schedules [where applicable] were completed and returned by the closing date and time
- Verify the validity of all returnable documents
- Verify if the Bid document has been duly signed by the authorised respondent
- • Whether any general pre-qualification criteria set by Transnet, have been met
- • Whether the Bid contains a priced offer
- • Whether the Bid materially complies with the scope and/or specification given
- • Whether any set prequalification criteria for preferential procurement have been met:
- – **Pricing Schedule – Annexure B**

6. RFP EVALUATION STAGES 2/4

Mandatory documents

- Bidder must provide Original or Certified copy of valid and current Waste Disposal Service License issued by Transnet National Ports Authority (TNPA) or proof of application of Waste Disposal Service License with TNPA.
3.1.1.1. Proof of finalized application for TNPA Waste Disposal Service Licence is sufficient, for tender evaluation purposes (please note that there is at least a 12-week application process for a TNPA waste disposal service licence and service cannot commence without this license).3.1.1.1.1. Written confirmation from TNPA is required, confirming that no additional information is needed from the bidder in terms of their application.
- Bidder must provide a Waste Management License (“WML”) with the Bid. The WML must be valid and competent to accept TPT waste, as stipulated in the TPT Terminal Waste Needs Analysis and Pricing Schedule. Should the bidder not have its own waste treatment and /or disposal facility the bidder must provide a signed and legally binding agreement between the bidder and a waste treatment and/or disposal facility, to use the waste treatment facility and /or disposal facility, which facility shall be in possession of a WML, and competent to accept the TPT waste.

**CURRENT (AS IS)
SITUATION**

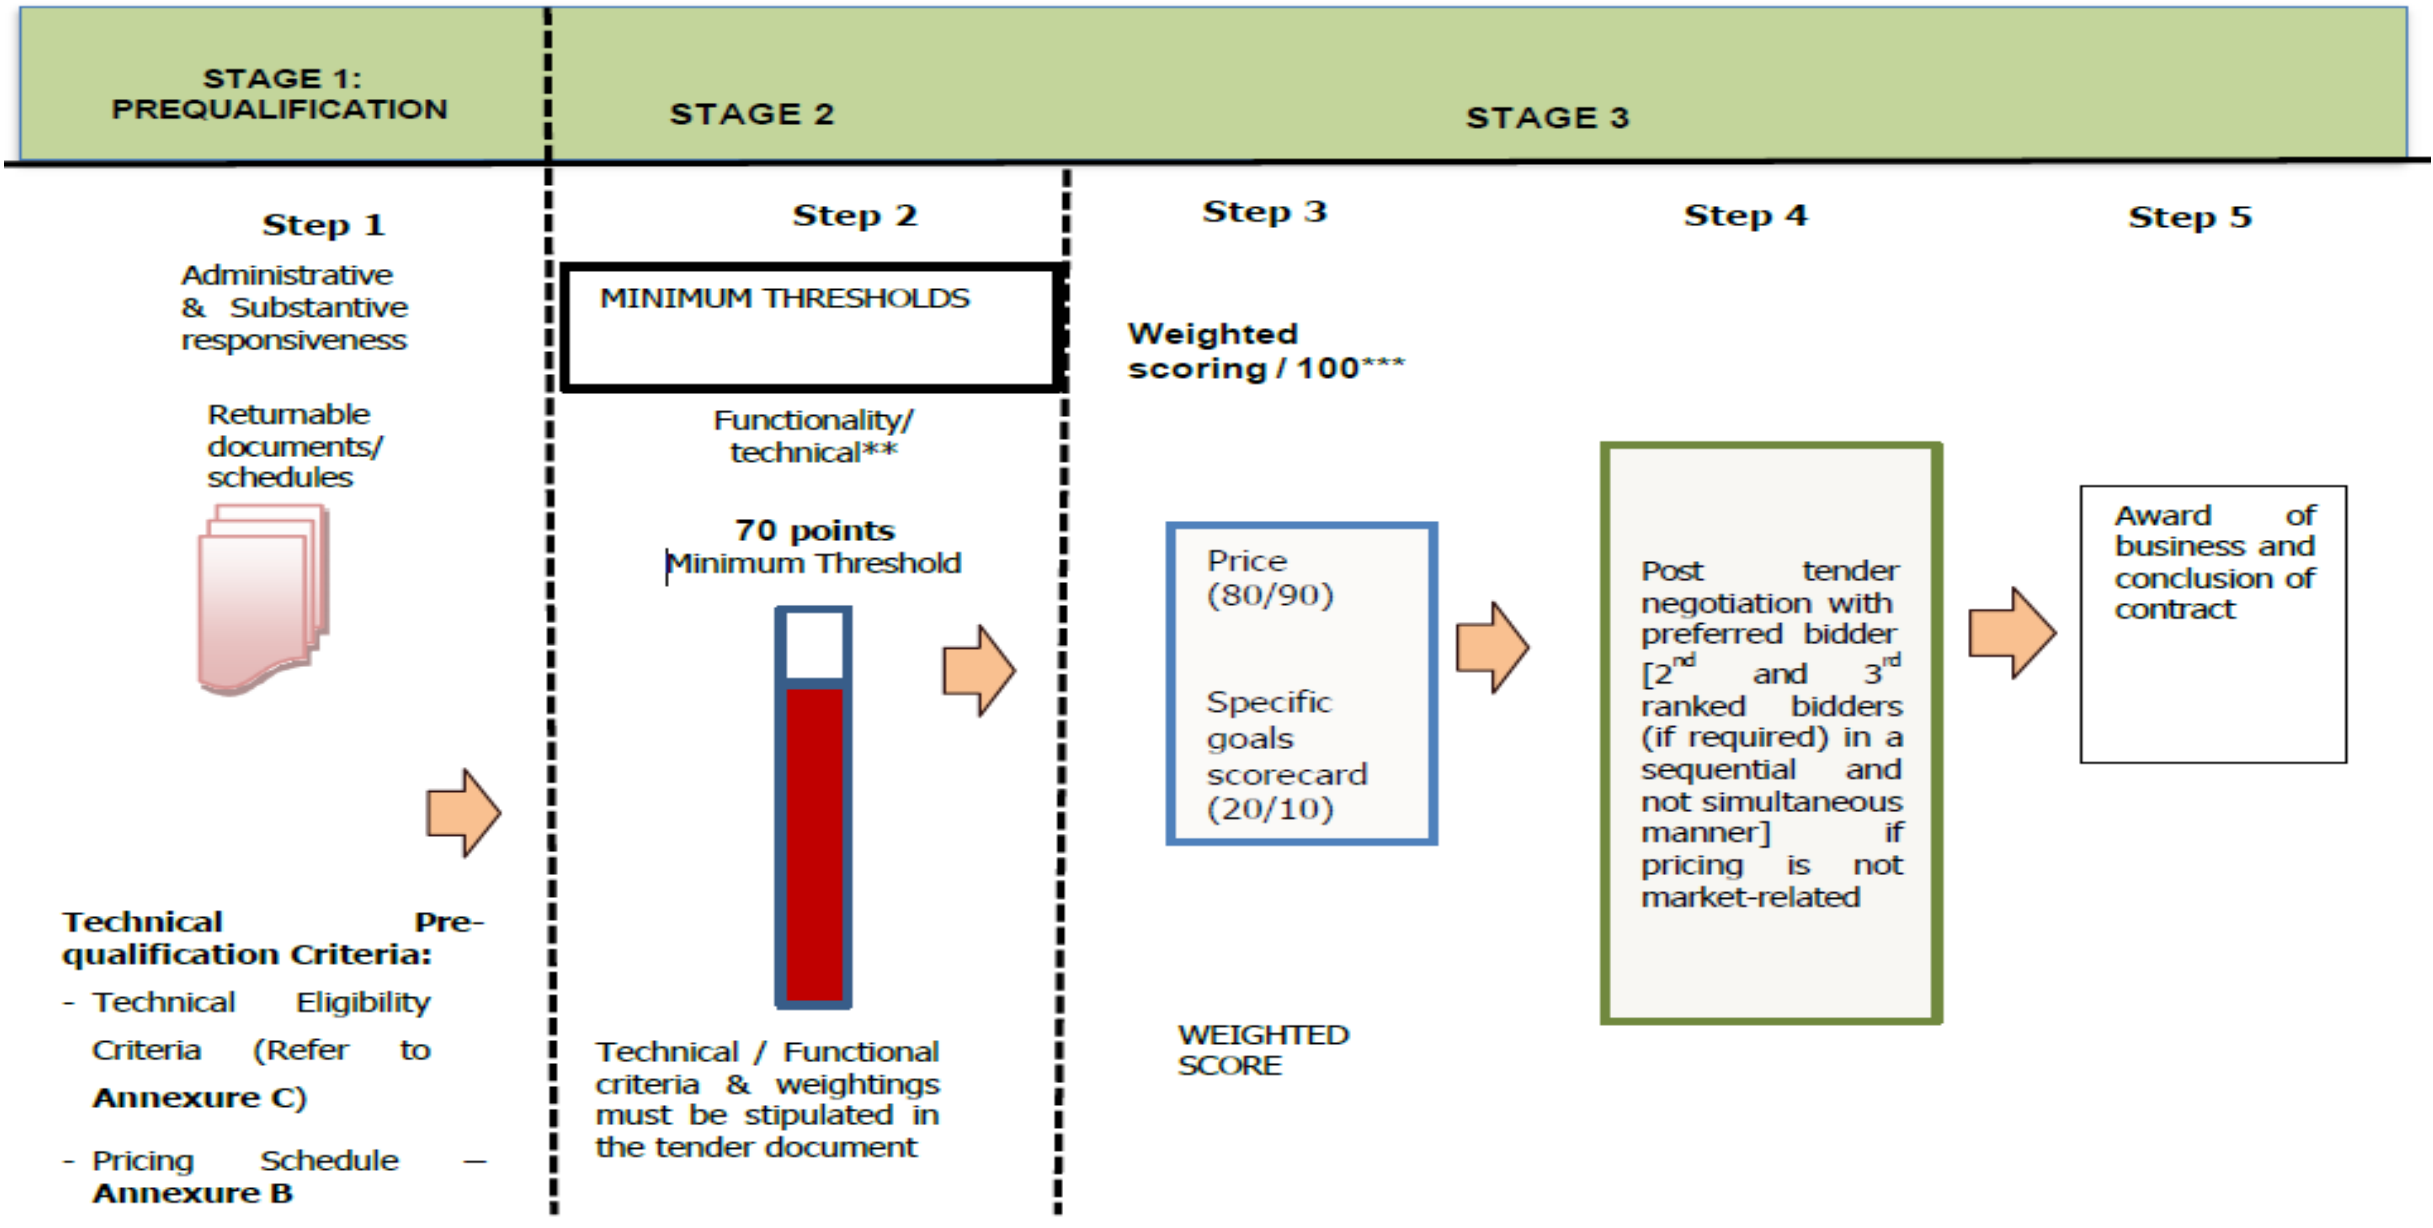

7. CURRENT (AS IS) SITUATION

The current contract with Interwaste (Pty) Ltd, EnviroServ Waste Management (Pty) Ltd and Dolphin Coast Landfill Management (DCLM), Tender Number TPT/2023/02/0002/22096/RFP (iCLM HQ 733 TPT) and it's expiring on 30 November 2026.
