5.5. STEP FIVE: Objective Criteria

Transnet reserves the right to award the business to the highest scoring Bidder unless objective criteria justify the award to another Bidder as per the requirements of the PPPFA. The objective criteria Transnet may apply in this bid process include:

5.5.1 Rotation of Bidders to promote opportunities for other Bidders including new entrants, by overlooking a Bidder that already holds leases for similar operations in the Port (It is necessary to rotate Lessees to promote opportunities for other lease holders, in circumstances where the bidder has been

awarded business previously and the award of the tender will result in inequitable allocation of business);

5.5.2 Awarding to a bidder whose operations may be deemed as specialised operations.

5.5.3 Transnet may apply the objective criteria in this bid process as follows:

5.5.3.1 Bidder(s) is not in good standing with TNPA due to a poor track record of past performance with Transnet SOC Ltd and or TNPA.

5.5.3.2 There is clear, uncontrived and/or overwhelming evidence and/or facts that the bidder has or continues to be in breach of any of the provisions contained in the Integrity Pact (Annexure 6);

5.5.3.3 The Probity check undertaken by TNPA establishes the existence of any unmitigated risks which would have a negative impact on the agreement.

5.5.3.4 Unless the appointment of the bidder would result in a negative impact on Transnet's Return on Investment;

5.5.3.5 The tenderer or its members, directors, partners:

a) Is under restrictions as contemplated in the Integrity Pact (Annexure 6),

b) Is a subject of a process of restriction by Transnet or other state institution that Transnet may be aware of and there is a clear, uncontrived and/or overwhelming evidence and/or facts in relation to the alleged wrongdoing on the basis of which the restriction process has been initiated;

5.5.3.6. has no legal capacity to enter into the agreement.

5.5.3.7. is insolvent, in receivership, under Business Rescue as provided for in chapter 6 of the Companies Act, 2008, being wound up, has its affairs administered pursuant to a court order, has ceased or suspended their business activities, or is subject to legal proceedings in respect of any of the foregoing;

5.5.3.8. does not comply with the legal requirements, if any, stated in the tender data; and

5.5.3.9. is not able to perform the agreement free of conflicts of interest.

5.5.4. In relation to the proposed agreement, a due diligence exercise to validate the bidder's proposal that demonstrate that it possesses the professional and technical qualifications, professional and technical competence, financial resources, equipment and other physical facilities, managerial capability, reliability, experience and reputation, expertise, and the personnel, to perform the agreement.

5.6. **STEP SIX: Post Tender Negotiations (if applicable)**

Bidders are to note that Transnet may not enter into a lease if the rental offered is not market related. In this regard, Transnet reserves the right to engage in Post Tender Negotiations (PTN) with a view of achieving a market-related return or to cancel the tender. Negotiations will be done in a sequential manner i.e.:

5.6.1. first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail, negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.

5.6.2. In the event of any Bidder being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.

5.7. **STEP SEVEN: Award of business and conclusion of agreement**

Immediately after approval to enter into a lease agreement has been received, the Successful Bidder will be informed of the acceptance of his/their Bid by way of a Letter of Award. Thereafter the final lease agreement will be concluded with the successful Bidder(s).

ENVIRONMENTAL MANAGEMENT PLAN GUIDELINES FOR PORT USERS & TENANTS

INTRODUCTION

An Environmental Management Plan (EMP) is a tool that can be used to provide the assurance that an organization or entity is aware of the environmental impacts that arise from its operations and has developed plans to mitigate negative impacts. The EMP provides a description of the methods and procedures for mitigating and monitoring impacts. The EMP also contains environmental objectives and targets that the organization or entity needs to achieve in order to reduce or eliminate negative impacts. An EMP, coupled with proper implementation and monitoring, may result in improved environmental performance.

PURPOSE

This document aims to provide an introduction on the purpose, objectives, and content of EMPs. EMPs must outline the environmental impacts resulting from operations, the proposed mitigation measures as well as the roles and responsibilities associated with implementation of the EMP. An EMP should also take into consideration the legal obligations related to the organization or entity's operations.

EMP GUIDELINES

There is no universally accepted standard format for EMPs, however the format needs to be fit for the intended purpose. Circumstances in which the EMP is being developed and the requirements that it is designed to meet. These guidelines aim to provide guidance to all Port users and Tenants operating with Port Limits in developing environmental management plans that speak to their specific operations.

According to the World Bank (1999) EMP should contain the following components

An overview of the responsibilities of the organization/entity relating to environmental management policies and guidelines.

1. A summary of the predicted positive and negative impacts associated with operations
2. The environmental management objectives and targets to enhance the benefits and minimize adverse environmental impacts.

3. A detailed description of the actions required to achieve the objectives including how by whom, by when what resources are required, and what monitoring measures will be implemented.
4. Clearly outline the roles and responsibilities, communication, and reporting processes required for the implementation of the EMP. The EMP must specify responsibilities for the range of actions specified in the EMP.
5. Address applicable legislative requirements for operations

Compliance with environmental legal requirements is an essential aspect of the EMP as the relevant legal requirements must consider the requirements of national, provincial, or local government. Failure to meet legal environmental requirements could result in severe environmental degradation and or transgressions with penalties.

EMP IMPLEMENTATION

Training and environmental awareness are key to the effective implementation of the EMP. All personnel must be trained on the requirements of the EMP and made to fully understand their specific roles and responsibilities. This can result in the reduction of environmental incidents and may improve environmental compliance. This can be achieved through conducting induction for all new employees, scheduling regular awareness sessions, conducting daily toolbox talks, newsflashes, emails, and other applicable internal communication methods.

SUBMISSION OF EMP TO TNPA

The EMP must be submitted for Approval to TNPA 30 days prior to the commencement of the Lease Agreement

SUGGESTED EMP CONTENT (not limited to)

- A. Name of the Organisation/ Entity
- B. Detailed description/scope of the operations of the organization/ entity, this must include equipment and method statements.
- C. Location of business operations within port limits

- D. A detailed list of positive and negative impacts associated with operations with suitable controls and mitigation measures in relation to natural resources e.g., waste, water resources, land, air quality, plants, and animals (where applicable)
- E. Specific mechanisms for achieving compliance with national, provincial, and local legislation (including municipal by-laws)
- F. Environmental Monitoring programme
- G. A List of Environmental Permits, licenses, and authorizations specific to business operations within the Port
- H. Environmental Incident Management protocol

Note: It is highly recommended that the Environmental Management Plan be compiled by a qualified Environmental Management Practitioner.

In the event that the Lessee is not forthcoming and/or delays and/or refuses to participate in such process and continues to do so for a period of 21 (twenty-one) days from the initial request by the Lessor to participate in the rental review process, then the Rental and Escalation Rate for such period shall be determined by the Lessor with reference to the rental and escalation applicable to the lease

by the Lessor of similar property and any such determination shall be final and binding upon the Lessee.

- 13.2 Alternatively, the Lessor may in its sole discretion, in the event of the Parties being unable to agree upon the Rental and Escalation Rate that will apply during any Rental Review Period in terms of clause 13.1 above, require the Rental and Escalation Rate for the relevant Rental Review Period to be determined by a registered Transnet approved valuer or a valuer registered with the South African Council for the Property Valuers' Profession ("**SACPVP**").
- 13.3 In the event of any Rental and Escalation Rate determination being referred to the SACPVP, the council shall provide 3 (three) names of property valuers, each having at least 10 (ten) years standing, being registered with the SACPVP and having practiced predominately in the same locality as the Leased Premises, for the purposes of determining the Rental and Escalation Rate for the relevant Rental Review Period.

- 13.9 For the sake of clarity, the Rental payable during any period after the matter is referred for determination in terms of this clause 13, shall not at any stage be less than the Rental payable prior to such referral.
- 13.10 Any Rental and Escalation Rate determination in terms of this clause 13 shall, in the absence of manifest error, be final and binding on the Parties and shall apply until the next Rental Review Period, if applicable. - 32.3 The electricity supply may only be used by the Lessee for its own purposes and at the Leased Premises.

Should the Lessor be required to pay the deposit, the Lessee shall refund the Lessor on demand.
- 32.5 Should the electricity installations be damaged as a result of fire or from any other cause, the Lessee must, within 24 (twenty - four) hours of it becoming aware of such damage, report such occurrence to the Lessor, irrespective of the nature of the incident and/or the amount involved. - 32.11 The Lessor reserves the right to reasonably amend the rates and tariffs applicable to the supply of electricity from time to time, provided that the Lessee is given 1 (one) calendar month written notice to this effect and provided that the amended rates and tariffs are within the rates and tariffs set by the relevant authority.

- 33.2 The Lessor shall not be liable for any failure or accident or damage that may be caused or sustained directly or indirectly by reason of such failure or generally in relation to supply by the Lessor of water.
- 33.3 The water supply supplied by the Lessor may only be used by the Lessee for its own purposes and in relation to the Leased Premises. - 33.4 The Lessee shall pay for water in accordance with its consumption as measured by the water meter/s installed at the Leased Premises and at the prevailing rates and tariffs applicable from time to time. - 33.7 If it is found that the meter is registering incorrectly it shall be assumed that the fault only arose after the last meter reading and the Lessee's account will not be retrospectively adjusted.
- 33.8 If either Party to this Lease Agreement at any time has reason to doubt the accuracy of the meter readings, it shall be entitled to request that the meter

be tested. If it is found that the meter is registering correctly, the cost of such a test shall be borne by the Party who requested the test to be carried out. - 33.9 The meter/s recording the water consumed in accordance with this Lease Agreement shall be read by an authorised representative of the Lessor, which meter readings can take place at such intervals as may be deemed appropriate by the Lessor. Where the readings are not done monthly the Lessee will be provided with an account based on its estimated consumption, with such account being adjusted from time to time on the basis of actual consumption.
- 33.10 The meter/s shall be sealed by an authorised representative of the Lessor. If any unauthorised person interferes with such seals, the Lessor shall have the right to disconnect and withhold the water supply until such time as the installation is inspected for defects.
- 33.11 The Lessor reserves the right to reasonably amend the rates and tariffs applicable to the supply of water from time to time, provided that the Lessee is given 1 (one) calendar month written notice to this effect and provided that the amended rates and tariffs are within the rates and tariffs set by the relevant authority.
- 33.12 The Lessee shall not interfere or cause any interruption in the water supply to any adjacent premises.
- 33.13 Should there be no meter installed to register the water consumed by the Lessee, the Lessor shall charge the Lessee its Pro-Rata Share of the costs of water consumed within the Property.
- 33.14 The Rental in relation to the Leased Premises shall be inclusive of the Pro-Rata Share of water consumed until such time as a separate meter is installed.

35. RELAXATION OR NOVATION OF LEASE AGREEMENT

No relaxation or indulgence which the Lessor may permit the Lessee shall in any way prejudice the Lessor's rights in terms of this Lease Agreement and, in particular, no acceptance by the Lessor of Rental or any other payment after due date (whether on one or more occasions), nor any other act or omission by the Lessor, including the rendering of accounts after due date, shall preclude or stop the Lessor from exercising any of its rights in terms of this Lease Agreement. Unless otherwise notified in writing by the Lessor to the Lessee, receipt of any Rental or other payment by the Lessor shall in no way whatsoever prejudice or operate as a waiver, rescission or abandonment of any cancellation effected or right of cancellation acquired prior to such receipt. The Lessor shall be entitled, in its sole discretion, to apportion any amounts received from the Lessee towards the payment of any cause, debt or amount owing by the Lessee to the Lessor.

36. **INDEMNITY**

36.1. The Lessee shall not have any right, remedy or claim of any nature whatsoever against the Lessor for any loss, damage (whether general, special or consequential), expense or injury which may be suffered by the Lessee, directly or indirectly, arising out of or relating to this Lease Agreement.

38. **CHANGE IN LAW**

38.1 Notwithstanding any other provision contained in this Lease Agreement, if the coming into force, adoption, amendment or repeal of any Law ("**Legal Event**") shall make it unlawful or impossible for the Lessor to comply with its obligations contained herein or shall result in the continuation of this Lease Agreement being economically unfeasible or imposing unreasonable hardship on the Lessor, then in each such event the Lessor shall be entitled to give the Lessee written notice ("**Specified Notice**") no later than 6 (six) months following the Legal Event, calling on the Lessee to enter into negotiations with the Lessor in terms of clause 38.2.

38.2 Within 7 (seven) days following receipt by the Lessee of the Specified Notice, the Parties shall meet and in good faith endeavour to negotiate terms and

conditions to be included in the Lease Agreement in order to accommodate the Law concerned.

- 38.3 If, within 14 (fourteen) days following receipt by the Lessee of the Specified Notice, the Parties fail to negotiate or are otherwise unable to agree in writing on terms and conditions to accommodate the Legal Event concerned, to the satisfaction of the Lessor, this Lease Agreement shall immediately terminate and the provisions of clause 41.3 (Termination of Lease Agreement) shall apply mutatis mutandis.

39.1.2 commit any material breach of this Lease Agreement;

39.1.3 commit any other breach of any term of this Lease Agreement, whether such breach goes to the root of this Lease Agreement or not, and fail to remedy that breach within a period of 7 (seven) Business Days after the receipt of a written notice to that effect by the Lessor; or

39.1.6 fail to co-operate in the BOI by not providing any information as requested by the Lessor and further failing to attend any BOI instituted or commissioned by the Lessor.

39.2 On the happening of any such event, the Lessor shall be entitled, without prejudice to any other rights which he they may have under this Lease Agreement and/or Law to claim a penalty, as a pre-estimate of the loss or damage suffered by the Lessor, in an amount equal to 50% (fifty percent)

of the monthly Rental payable by the Lessee for so long as the breach persists.

- 39.3 Failure by the Lessee to rectify the breach within 4 (four) months from receipt of a notice in writing from the Lessor and shall entitle the Lessor to cancel this Lease Agreement on written notice thereof to the Lessee and claim immediate repossession of the Leased Premises; or
- 39.4 to remedy such breach and recover the total cost incurred by the Lessor in doing so from the Lessee, who shall be obliged to pay the amount thereof to the Lessor forthwith; or
- 39.5 to treat the Lessee's tenancy thereafter as a monthly tenancy, terminable by the Lessor on 1 (one) month's prior written notice to the Lessee.
- 39.6 Should the Lessor be in breach of any of its obligations under this Lease Agreement, the Lessee shall be entitled to deliver written notice to the Lessor to rectify such breach within 7 (seven) Business Days (or such longer period as may be reasonably required) after giving written notice to that effect by the Lessee. Under no circumstances will the Lessee be able to claim cancellation of this Lease Agreement as a remedy for a breach by the Lessor. Furthermore, any claim that may be made by the Lessee against the Lessor in terms of this clause 39.2 shall be limited by the terms of clause 37 (Limitation of Liability) of this Lease Agreement.
- 39.7 While the Lessee remains in occupation of the Leased Premises and irrespective of any dispute between the Parties, including but not limited to, a dispute as to the Lessor's right to terminate this Lease Agreement:
- 39.8 the Lessee shall continue to pay all amounts due to the Lessor in terms of this Lease Agreement on the due dates for such payments;
- 39.9 the Lessor shall be entitled to recover and accept such payments;
- 39.10 the acceptance by the Lessor of such payments shall be without prejudice to and shall not in any manner whatsoever affect the Lessor's right to terminate this Lease Agreement or to any damages whatsoever; and

- 39.11 the Lessee shall, in addition to any other damages or compensation due, be liable for any cost incurred by the Lessor in order to find a new lessee and shall remain liable for the Rental, Operating Costs and all other charges in terms of this Lease until the new lessee's lease agreement commences.

The Lessor shall notify the Lessee of its intention to blacklist the Lessee with National Treasury and registered credit bureau and afford the Lessee a period of twenty (20) business days from date of such notice to make payment.
- 39.14 Should the Lessee fail to make the payment referred to in clause 39.13 above within the provided timeframe, the Lessor shall proceed with blacklisting the Lessee with no further notice.

The aforementioned rate shall change, from time to time, on the same date as the prime rate changes. A certificate containing details of the applicable prime rate(s) for any appropriate period, signed by a person professing to be a manager of any branch of the Bank, and submitted by the Lessor during any legal proceedings, shall be accepted as prima facie proof as to the correctness of the contents thereof by the Lessee and it agrees to the submission and

admissibility of such certificate during any legal proceedings arising from this Lease Agreement.

40.2 In the event of the Lessee failing to pay any amount due to the Lessor, or committing any other breach of the terms and conditions embodied in this Lease Agreement, which results in the Lessor being obliged to instruct its legal advisors or attorneys to collect any such amount, or call upon the Lessee to rectify such breach, or to proceed against the Lessee for any reason, the Lessee hereby accepts liability for and undertakes to pay on demand to the Lessor all collection charges and other legal costs of the Lessor calculated on an attorney and own client basis.

41.1 The Lessor shall be entitled to affix on the Leased Premises "TO LET" notices during the 6 (six) month period immediately preceding the Expiry Date of this Lease Agreement.

The costs related to restoring the Leased Premises in terms of this clause 41, shall be for the Lessee's account.

41.4 Should the Lessor terminate this Lease Agreement and the Lessee dispute such termination and remains in occupation of the Leased Premises pending determination of the dispute then;

41.4.1 The Lessee shall continue to pay on due date all monies due by it in terms of the Lease Agreement.

41.4.2 The Lessor shall be entitled to recover and accept those payments;

41.4.3 The acceptance by the Lessor of those payments shall be without prejudice and not constitute an acceptance of the Lessee's holding over in this manner.

41.5 Should the dispute between the Lessor and Lessee be determined in favour of the Lessor then the payments made to the Lessor in terms of clause 41.4 above shall be regarded as damages paid by the Lessee on account of loss suffered by the Lessor as a result of the holding over by the Lessee of the Leased Premises.

41.6 In all instances where the Lease Agreement is terminated early as a result of breach by the Lessee, the aggregate Rental for the remainder of the term of the Lease Agreement shall become due and payable by the Lessee.

approval, the Lessee has furnished the Lessor with written proof of such approval together with any other information that may be requested by the Lessor and the Lessee has obtained the prior written consent of the Lessor to construct such Improvements, which consent may be given by the Lessor in its sole discretion and may be subject to such conditions that the Lessor may impose, from time to time.

- 43.2 The Lessee acknowledges and agrees that the Lessor shall accept no responsibility for any Improvement constructed by the Lessee in terms of this clause 43, notwithstanding any consent that the Lessor may grant the Lessee in terms of clause 43.1 above, or any inspection of the Leased Premises by the Lessor in terms of clause 26 (Access to Leased Premises) above.
- 43.3 The Lessee undertakes to abide by all lawful directions of the Lessor relating to precautionary measures that are necessary to protect the Leased Premises and/or Surrounding Property during the construction of any Improvement by the Lessee in terms of this clause 43.
- 43.4 Unless the Lessor otherwise agrees in writing, the Lessee shall not be entitled to remove any Improvement from the Leased Premises. Notwithstanding the foregoing the Lessor may require the Lessee to remove, immediately after the Expiry Date, any Improvements effected by the Lessee to the Leased Premises and to reinstate the Leased Premises to its original condition and to make good all damage occasioned by such removal.
- 43.5 Should the Lessor require the Lessee to leave all Improvements, the parties agree that the Lessor will not compensate the Lessee for the value (if any) of the Improvements undertaken by the Lessee and that the Lessee shall have no lien over the Improvements.
- 43.6 The Lessee hereby indemnifies and holds the Lessor harmless against any loss or damage, howsoever arising, which the Lessor may suffer (including, but not limited to, any claim made by any third party against the Lessor) arising out of or in connection with any Improvement undertaken in terms of this clause 43.

44. IMPROVEMENTS BY LESSOR

- 44.1 The Lessor may at any time effect such Improvements to the Leased Premises as it may deem fit provided that it shall use its reasonable endeavors to minimize disruption to the Lessee's business.

- 45.1 If at any time after the Initial Period, the Leased Premises or any portion thereof, shall be required for the Lessor for any purpose whatsoever, the Lessor may (notwithstanding any provision in this Lease Agreement to the contrary) after having given the Lessee written notice of not less than the Notice of Repossession Period, enter upon the whole or any portion of the Leased Premises or retake possession of the same for such purposes as aforesaid, free of any right, title or interest which the Lessee may have in respect of the Leased Premises.
- 45.2 Should the Lessor exercise its right in terms of clause 45.1 above, the Lessee shall be entitled to remove such machinery, plant and ancillary equipment from the repossessed Leased Premises or portion thereof.

- 45.4 Notwithstanding anything to the contrary in this clause 45 it is agreed that should the Lessor seek to retake possession of a portion only of the Leased Premises, but such repossession interferes substantially with the Lessee's use and enjoyment of the Leased Premises or has the effect of rendering the Leased Premises substantially unsuitable for the purpose of the Lessee's business, the Parties shall:

- 45.4.1 meet and, in good faith, endeavour to agree upon compensation (if any) that may be payable in respect of such repossession; and
- 45.4.2 in the event that Parties are unable to reach agreement in terms of clause 45.4.1 above, the dispute shall be resolved in terms of clause 52 (Dispute Resolution) below.
- 45.5 The provisions of this clause 45 shall not be applicable during the Initial Period.

46. **REDEVELOPMENT**

The Lessor may cancel this Lease Agreement without the payment of any compensation to the Lessee, upon giving notice of not less than the Notice of Redevelopment Period to the Lessee, if the Lessor wishes to redevelop or alter the Surrounding Property or any part thereof or to incorporate it into any scheme of redevelopment involving the Leased Premises, provided that this clause 46 shall not be applicable during the Initial Period.

 - 47.1.1 Notwithstanding the provisions of clause 47.1 above, the Lessor shall have the right to:
 - 47.1.2 either retain or, at its sole and unfettered discretion, order the Lessee, at the Lessee's sole cost, to remove from the Leased Premises any such Improvement; or
 - 47.1.3 in the event that the Lessee fails to comply with an order from the Lessor to remove (or cause to be removed) from the Leased Premises any such Improvement within a reasonable time period, to effect such removal and to thereafter claim for the cost of such removal from the Lessee.

48. PLANT, MACHINERY AND ANCILLARY EQUIPMENT

48.1 The Lessee may, with the prior written consent of the Lessor, which consent shall not be unreasonably withheld or delayed, install on the Leased Premises all such plant, machinery or ancillary equipment as it may reasonably require in relation to its business.

48.2 The Lessee's plant, machinery or ancillary equipment shall be installed:

48.2.1 in a good, proper and workmanlike manner; and

48.2.2 in accordance with the requirements of every applicable Law.

48.3 Should the Lessee fail to remove or to complete the removal of any machinery, plant or ancillary equipment upon expiry or earlier termination of this Lease Agreement, the Lessee shall forfeit the right to undertake such removal and shall have no right to claim compensation in respect of such machinery, plant or ancillary equipment, provided that the Lessor may in its sole discretion require the Lessee to undertake or complete such removal. Should the Lessee fail to comply with this requirement, the Lessor may undertake the removal and may dispose of all machinery, plant or ancillary equipment so removed and may recover the cost of such removal and disposal from the Lessee.

48.4 Should the Lessee remain in occupation of the Leased Premises unlawfully after expiry of this Lease Agreement for the purpose of removing any machinery, plant or ancillary equipment, the Lessee shall be liable for the payment of Rental, Operating Costs and all other charges in terms of this Lease Agreement in respect of such period of occupation as well as compensation for any damage or loss suffered by the Lessor as a result thereof.

49. FIRE PROTECTION MEASURES

49.1 If, in the reasonable discretion of the Lessor, the nature of the Lessee's operations on or about the Leased Premises require specific and/or additional fire protection measures to be undertaken or implemented (which may include Improvements to the Leased Premises) then:

- 49.1.1 the Lessor shall be entitled, in its sole discretion, to give the Lessee written notification of the measures to be undertaken and implemented; and
- 49.1.2 the Lessee shall as soon as reasonably possible implement such measures.
- 49.2 The provisions of this clause 49 are in addition and without prejudice to the requirements of any local or competent authority in terms of any Law with regard to fire protection measures.
- 49.3 The Lessee shall have no claim against the Lessor if it fails to notify the Lessee of any fire protection measures to be undertaken and/or if any such measures, if undertaken, subsequently prove to be inadequate. The provisions of this clause 49 are imposed strictly for the benefit of the Lessor and do not confer any rights of whatever nature upon the Lessee.
- 49.4 The Lessee indemnifies the Lessor against:
 - 49.4.1 any loss or damage that may be suffered by the Lessor; and/or

3 SUBMITTING OF BID DOCUMENTS

- 3.1 A Bid, which shall hereinafter include reference to an RFP or RFQ, shall be submitted to Transnet no later than the closing date and time specified in accordance with the directions issued in the Bid Documents. Late Bids will not be considered.
- 3.2 The Bid Documents must be completed in their entirety and Respondents are required to complete and submit their Bid submissions by uploading them into the system against each tender selected. The bidder guide can be found on the Transnet Portal transnetetenders.azurewebsites.net.

4 USE OF BID FORMS

- 4.1 Where special forms and/or formats are issued by Transnet for the submission of Bids, Respondents are required to submit their Bids by completion of the appropriate sections on such official forms and/or formats and not in other forms and/or formats or documents bearing their own terms and conditions of contract. Non-compliance with this condition may result in the rejection of a Bid.

- 4.3 Only if insufficient space has been allocated to a particular response may a Respondent submit additional information under separate cover using the Company's letterhead. This must be duly cross-referenced in the RFX.

6 VALIDITY PERIOD

- 6.1 The Respondents must hold their Bid valid for acceptance by Transnet at any time within the requested validity period after the closing date of the bid.
- 6.2 Respondents may be requested to extend their validity period for a specified additional period. In such instances, Respondents will not be allowed to change any aspect of their Bid, unless they are able to demonstrate that the proposed change/s is as a direct and unavoidable consequence of Transnet's extension of the validity period.

7 SITE VISITS / BRIEFING SESSIONS

Respondents may be requested to attend a site visit or briefing session where it is necessary to view the site in order to prepare their Bids, or where Transnet deems it necessary to provide Respondents with further information to allow them to complete their Bids properly. Where such visits or sessions are indicated as compulsory in the RFX Document, Respondents are obliged to attend these meetings as failure to do so will result in their disqualification.

8 CLARIFICATION BEFORE THE CLOSING DATE

Should clarification be required on any aspect of the Bid before the closing date, the Respondent must upload questions onto the Transnet e-Tender Submission Portal or direct such queries to the contact person listed in the RFX Document in the stipulated manner.

- 16.2 It is Transnet's preference to enter into Rand-based agreements. Respondents offering prices which are subject to a conditional discount applicable for payment within a specific period are to note that the conditional period will be calculated as from the date of receipt by Transnet of the Supplier/Service Provider's month-end statement reflecting the relevant Tax Invoice(s) for payment purposes, provided the conditions of the order or contract have been fulfilled and the Tax Invoice is correct in all respects as referred to in the contract or order. Incomplete and/or incorrect Tax Invoices shall be returned and the conditional period will be recalculated from the date of receipt of the correct documentation.

Transnet reserves the right to purchase such supplies as may be required to meet the emergency outside the contract if immediate delivery can be offered from any other source. The *Total or Partial Failure to Perform the Scope of Supply* section in the Terms and Conditions of Contract will not be applicable in these circumstances.

32 PLANS, DRAWINGS, DIAGRAMS, SPECIFICATIONS AND DOCUMENTS

32.3 Respondent's drawings

Drawings required to be submitted by the Respondent must be furnished before the closing time and date of the Bid. The non-receipt of such drawings by the appointed time may disqualify the Bid.

32.4 Foreign specifications

The Respondent quoting for Goods/Services in accordance with foreign specifications, other than British and American standards, is to submit translated copies of such specifications with the Bid. In the event of any departures or variations between the foreign specification(s) quoted in the Bid Documents, full details regarding such departures or variations must be furnished by the Respondent in a covering letter attached to the Bid. 33.3 When legally authorised to prepare and submit Bids on behalf of their principals not domiciled in the Republic of South Africa, representatives or agents must compile the Bids in the names of such principals and sign them on behalf of the latter.

33.4 South African representatives or agents of a successful foreign Respondent must when so required enter into a formal contract in the name of their principals and must sign such contract on behalf of the latter. In every such case a legal Power of Attorney from their principals must be furnished to Transnet by the South African representative or agents authorising them to enter into and sign such contract.

- 33.5 If payment is to be made in South Africa, the foreign Supplier/Service Provider [i.e. the principal, or its South African agent or representative], must notify Transnet in writing whether, for payment by electronic funds transfer [EFT]:
