BID RESPONSE DOCUMENTS SUBMISSION

Transnet has implemented a new electronic tender submission system, the e-Tender Submission Portal, in line with the overall Transnet digitalization strategy where suppliers can view advertised tenders, register their information, log their intent to respond to bids and upload their bid proposals/responses on to the system.

RESPONDENTS ARE TO UPLOAD THEIR BID RESPONSE PROPOSALS ONTO THE TRANSNET SYSTEM AGAINST EACH TENDER/RFQ SELECTED.

The Transnet e-Tender Submission Portal can be accessed as follows:

- Log on to the Transnet eTenders management platform website/Portal (transnetetenders.azurewebsites.net) (please use **Google Chrome** to access Transnet link/site free of charge);
- Click on "ADVERTISED TENDERS" to view advertised tenders;
- Click on "SIGN IN/REGISTER – for bidder to register their information (must fill in all mandatory information);
- Click on "SIGN IN/REGISTER" - to sign in if already registered;
- Toggle (click to switch) the "Log an Intent" button to submit a bid;
- Submit bid documents by uploading them into the system against each tender selected.
- No late submissions will be accepted. The bidder guide can be found on the Transnet Portal transnetetenders.azurewebsites.net

SECTION 2: NOTICE TO BIDDERS

1 Responses to RFQ

Responses to this RFQ [**Quotations**] must not include documents or reference relating to any other quotation or proposal. Any additional conditions must be embodied in an accompanying letter.

2 Formal Briefing

NOT APPLICABLE

3 Communication

3.1 Specific queries relating to this RFQ before the closing date of the RFQ should be submitted onto the system and to **Ndumiso.Dlamini@transnet.net** before **15:00 pm on 03/12/2025**. In the interest of fairness and transparency Transnet's response to such a query will then be made available to other bidders.

3.2 It is prohibited for Respondents to attempt, either directly or indirectly, to canvass any officer or employee of Transnet in respect of this RFQ between the closing date and the date of the award of the business.

3.3 Respondents found to be in collusion with one another will be automatically disqualified and restricted from doing business with organs of state for a specified period.

3.4 Respondents may also, at any time after the closing date of the RFQ, communicate with **Ndumiso Dlamini** any matter relating to its RFQ response:

Telephone **035 905 2092**

Email: **Ndumiso.Dlamini@transnet.net**

3.5 All unsuccessful bidders have a right to request Transnet to furnish individual reasons for their bid not being successful. This requested must be directed to the contact person stated in the SBD 1 form

4 Legal Compliance

The successful Respondent shall be in full and complete compliance with any and all applicable national and local laws and regulations.

5 Employment Equity Act

Respondents must comply with the requirements of the Employment Equity Act 55 of 1998 applicable to it including (but not limited to) Section 53 of the Employment Equity Act.

6 Changes to Quotations

Changes by the Respondent to its submission will not be considered after the closing date and time.

7 Binding Offer

Any Quotation furnished pursuant to this Request shall be deemed to be an offer. Any exceptions to this statement must be clearly and specifically indicated.

8 Disclaimers

8.1 Respondents are hereby advised that Transnet is not committed to any course of action as a result of its issuance of this RFQ and/or its receipt of a Quotation in response to it. Please note that Transnet reserves the right to:

- modify the RFQ's goods / service(s) and request Respondents to re-bid on any changes;
- reject any Quotation which does not conform to instructions and specifications which are detailed herein;

- disqualify Quotations submitted after the stated submission deadline;
- not necessarily accept the lowest priced Quotation or an alternative bid;
- place an order in connection with this Quotation at any time after the RFQ's closing date;
- award only a portion of the proposed goods / services which are reflected in the scope of this RFQ;
- split the award of the order/s between more than one Supplier/Service Provider should it at Transnet's discretion be more advantageous in terms of, amongst others, cost or developmental considerations;
- cancel the quotation process;
- validate any information submitted by Respondents in response to this bid. This would include, but is not limited to, requesting the Respondents to provide supporting evidence. By submitting a bid, Respondents hereby irrevocably grant the necessary consent to Transnet to do so;
- request audited financial statements or other documentation for the purposes of a due diligence exercise;
- not accept any changes or purported changes by the Respondent to the bid rates after the closing date and/or after the award of the business, unless the contract specifically provides for it;
- to cancel the contract and/request that National Treasury place the Respondent on its Database of Restricted Suppliers for a period not exceeding 10 years, on the basis that a contract was awarded on the strength of incorrect information furnished by the Respondent or on any other basis recognised in law;
- award the business to the next ranked bidder, provided that he/she is still prepared to provide the required Goods/Services at the quoted price, should the preferred bidder fail to sign or commence with the contract within a reasonable period after being requested to do so. Under such circumstances, the validity of the bids of the next ranked bidder(s) will be deemed to remain valid, irrespective of whether the next ranked bidder(s) were notified of their bid being unsuccessful. Bidders may therefore be requested to advise whether they would still be prepared to provide the required Goods/Services at their quoted price.
- Should a bidder fail to respond to a request for extension of the validity period before it expires, that bidder will be excluded from tender process.

9 Specification/Scope of Work

Kindly refer to Annexure: A Scope of work

10 Legal review

A Proposal submitted by a Respondent will be subjected to review and acceptance or rejection of its proposed contractual terms and conditions by Transnet's Legal Counsel, prior to consideration for an award of business.

11 Security clearance

Acceptance of this bid could be subject to the condition that the Successful Respondent, its personnel providing the goods and its subcontractor(s) must obtain security clearance from the appropriate authorities to the level of CONFIDENTIAL/ SECRET/TOP SECRET. Obtaining the required clearance is the responsibility of the Successful Respondent. Acceptance of the bid is also subject to the condition that the Successful Respondent will implement all such security measures as the safe performance of the contract may require.

12 National Treasury's Central Supplier Database

Respondents are required to self-register on National Treasury's Central Supplier Database (CSD) which has been established to centrally administer supplier information for all organs of state and facilitate the verification of

certain key supplier information. Transnet is required to ensure that price quotations are invited and accepted from prospective bidders listed on the CSD. Business may not be awarded to a respondent who has failed to register on the CSD. Only foreign suppliers with no local registered entity need not register on the CSD. The CSD can be accessed at <https://secure.csd.gov.za/>.

For this purpose, the attached SBD 1 Form must be completed and submitted as a mandatory returnable document by the closing date and time of the bid.

13 Tax Compliance

Respondents must be compliant when submitting a proposal to Transnet and remain compliant for the entire contract term with all applicable tax legislation, including but not limited to the Income Tax Act, 1962 (Act No. 58 of 1962) and Value Added Tax Act, 1991 (Act No. 89 of 1991).

It is a condition of this bid that the tax matters of the successful Respondents be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the Respondents tax obligations.

The Tax Compliance status requirements are also applicable to foreign Respondents/ individuals who wish to submit bids.

Where Consortia / Joint Ventures / Sub-contractors are involved, each party must be registered on the Central Supplier Database and their tax compliance status will be verified through the Central Supplier Database.

Transnet urges its clients, suppliers and the general public to report any fraud or corruption to

- Specific goals preference points claim form
- Preference points will be awarded to a bidder for attaining the specific goals requirements in accordance with the table indicated in Section 4.1 of the specific goals Claim Form.

1.5 STEP FIVE: Post Tender Negotiations (if applicable)

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
 - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
 - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

1.6 STEP SIX: Objective Criteria (if applicable)

Transnet reserves the right to award the business to the highest scoring bidder/s unless objective criteria justify the award to another bidder. The objective criteria Transnet may apply in this bid process include:

- Skills Transfer and Capacity Building for Transnet;
- Impact on Transnet's Return On Investment;
- Rotation of Suppliers to promote opportunities for other suppliers, by overlooking a supplier that has been awarded business repeatedly overtime in order to benefit other suppliers in the market;
- the tenderer:
 - is not under restrictions, or has principals who are under restrictions, preventing participating in the employer's procurement,
 - is not undergoing a process of being restricted by Transnet or other state institution that Transnet may be aware of,
 - can, as necessary and in relation to the proposed contract, demonstrate that he or she possesses the professional and technical qualifications, professional and technical competence, financial resources, equipment and other physical facilities, managerial capability, reliability, experience and reputation, expertise and the personnel, to perform the contract,
 - has the legal capacity to enter into the contract
 - is not insolvent, in receivership, under Business Rescue as provided for in chapter 6 of the Companies Act, 2008, bankrupt or being wound up, has his affairs administered by a court or a judicial officer, has suspended his business activities, or is subject to legal proceedings in respect of any of the foregoing,
 - complies with the legal requirements, if any, stated in the tender data and
 - is able, in the option of the employer to perform the contract free of conflicts of interest.

- all Risks identified during a risk assessment exercise/probity check (which may be conducted by an authorised third party) that would be done to assess all risks, including but not limited to:
- the financial stability of the bidder based on key ratio analysis, which would include, but not be limited to Efficiency, Profitability, Financial Risk, Liquidity, Acid Test, and Solvency;
- a due diligence to assess functional capability and capacity. This could include a site visit;
- A commercial relationship with a Domestic Prominent Influential Person (DPIP) or Foreign Prominent Public Official (FPPO) or an entity of which such person or official is the beneficial owner; and
- Reputational and Brand risks

1.7 STEP SEVEN: Award of business and conclusion of contract

- Immediately after approval to award the contract has been received, the successful or preferred bidder(s) will be informed of the acceptance of his/their Quotation by way of a Letter of Award. Thereafter the final contract will be concluded with the successful Respondent(s).
- Otherwise, a final contract will be concluded and entered into with the successful Bidder at the acceptance of a letter of award by the Respondent.

2 Validity Period

Transnet requires a validity period of 180 [one hundred and eighty] from the closing date of this RFQ, excluding the first day and including the last day.

Bidders are to note that they may be requested to extend the validity period of their bid, on the same terms and conditions, if the internal evaluation process has not been finalised within the validity period. However, once the adjudication body has approved the process and award of the business to the successful bidder(s), the validity of the successful bidder(s)' bid will be deemed to remain valid until a final contract has been concluded.

3 Disclosure of contract information

Johannesburg Stock Exchange Debt Listing Requirements

Transnet may also be required to disclose information relating to the subsequent contract i.e. the name of the company, goods/services provided by the company, the value and duration of the contract, etc. in compliance with the Johannesburg Stock Exchange (JSE) Debt Listing Requirements.

Domestic Prominent Influential Persons (DPIP) OR Foreign Prominent Public Officials (FPPO)

Transnet is free to procure the services of any person within or outside the Republic of South Africa in accordance with applicable legislation. Transnet shall not conduct or conclude business transactions, with any Respondents without having:

- Considered relevant governance protocols;
- Determined the DPIP or FPPO status of that counterparty; and
- Conducted a risk assessment and due diligence to assess the potential risks that may be posed by the business relationship.

As per the Transnet Domestic Prominent Influential Persons (DPIP) and Foreign Prominent Public Officials (FPPO) and Related Individuals Policy available on Transnet website <https://www.transnet.net/search/pages/results.aspx?k=FPIDP#k=DPIP>, Respondents are required to disclose

any commercial relationship with a DPIIP or FPPO (as defined in the Policy) by completing the following section

The below form contains personal information as defined in the Protection of Personal Information Act, 2013 (the "Act"). By completing the form, the signatory consents to the processing of her/his personal information in accordance with the requirements of the Act. Consent cannot unreasonably be withheld.

Respondents declaring a commercial relationship with a DPIIP or FPPO are to note that Transnet is required to annually publish on its website a list of all business contracts entered into with DPIIP or FPPO. This list will include successful Respondents, if applicable.

4 Returnable Documents

Returnable Documents means all the documents, Sections and Annexures, as listed in the tables below. There are three types of returnable documents as indicated below and Respondents are urged to ensure that these documents are returned with their bids based on the consequences of non-submission as indicated below:

Mandatory Returnable Documents	<i>Failure to provide all these Mandatory Returnable Documents at the Closing Date and time of this RFQ <u>will</u> result in a Respondent's disqualification.</i>
Returnable Documents Used for Scoring	<i>Failure to provide all Returnable Documents used for purposes of scoring a bid, by the closing date and time of this bid will not result in a Respondent's disqualification. However, Bidders will receive an automatic score of zero for the applicable evaluation criterion.</i>
Essential Returnable Documents	<i>Failure to provide essential Returnable Documents <u>will</u> result in Transnet affording Respondents a further opportunity to submit by a set deadline. Should a Respondent thereafter fail to submit the requested documents, this may result in a Respondent's disqualification.</i>

All Returnable Sections, as indicated in the header and footer of the relevant pages, must be signed, stamped and dated by the Respondent.

a) Mandatory Returnable Documents

Respondents are required to submit with their bid submissions the following **Mandatory Returnable Documents**, and also to confirm submission of these documents by so indicating [Yes or No] in the tables below:

Mandatory Returnable Documents	Submitted [Yes or No]
SECTION 4 : Quotation Form	

b) Returnable Documents Used for Scoring

In addition to the requirements of section (a) above, Respondents are further required to submit with their Proposals the following **Returnable Documents Used for Scoring** and also to confirm submission of these documents by so indicating [Yes or No] in the table below:

RETURNABLE DOCUMENTS USED FOR SCORING	SUBMITTED [Yes or No]

ANNEXURE : Technical Submission/Questionnaire	
Respondent's valid proof of evidence to claim points for compliance with Specific Goals' requirements as stipulated in Section 7 of this RFP	

c) Essential Returnable Documents:

Over and the above the requirements of section (a) and (b) mentioned above, Respondents are further required to submit with their Proposals the following **Essential Returnable Documents** and also to confirm submission of these documents by so indicating [Yes or No] in the table below:

ESSENTIAL RETURNABLE DOCUMENTS & SCHEDULES	SUBMITTED [Yes or No]
SECTION 1: SBD1 Form	
SECTION 5: Certificate of Acquaintance with RFQ Documents	
SECTION 6: RFQ Declaration and Breach of Law Form	
SECTION 7: SPECIFIC GOALS POINTS CLAIM FORM	

5 CONTINUED VALIDITY OF RETURNABLE DOCUMENTS

The successful Respondent will be required to ensure the validity of all returnable documents, including but not limited to its valid proof of B-BBEE status, for the duration of any contract emanating from this RFQ. Should the Respondent be awarded the contract [**the Agreement**] and fail to present Transnet with such renewals as and when they become due, Transnet shall be entitled, in addition to any other rights and remedies that it may have in terms of the eventual Agreement, to terminate such Agreement immediately without any liability and without prejudice to any claims which Transnet may have for damages against the Respondent.

SECTION 4

QUOTATION FORM

I/We _____

hereby offer to supply the goods/services at the prices quoted in the Price Schedule below, in accordance with the conditions related thereto.

I/We agree to be bound by those terms and conditions in:

- the Standard RFQ Terms and Conditions for the Supply of Goods or Services to Transnet; and
- any other standard or special conditions embodied in this Request for Quotation.

I/We accept that unless Transnet should otherwise decide and so inform me/us, this Quotation [and, if any, its covering letter and any subsequent exchange of correspondence], together with Transnet's acceptance thereof shall constitute a binding contract between Transnet and me/us. I/We further agree that if, after I/we have been notified of the acceptance of my/our Quotation, I/we fail to deliver the said goods/service/s within the delivery lead-time quoted, Transnet may, without prejudice to any other legal remedy which it may have, cancel the order and recover from me/us any expenses incurred by Transnet in calling for Quotations afresh and/or having to accept any less favourable offer.

Price Schedule

I/We quote as follows for the goods/services required, on a "delivered nominated destination" basis, including VAT:

- (ii) if that Respondent does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the second highest points or cancel the RFQ;
- (iii) if the Respondent scoring the second highest points does not agree to a market-related price, negotiate a market-related price with the Respondent scoring the third highest points or cancel the RFQ.

If a market-related price is not agreed with the Respondent scoring the third highest points, Transnet must cancel the RFQ.

b) All Prices must be quoted in South African Rand, inclusive of VAT

c) Any disbursement not specifically priced for will not be considered/accepted by Transnet.

- d) To facilitate like-for-like comparison bidders must submit pricing strictly in accordance with this price schedule and not utilise a different format. Deviation from this pricing schedule **could** result in a bid being disqualified.
- e) Please note that should you have offered a discounted price(s), Transnet will only consider such price discount(s) in the final evaluation stage if offered on an unconditional basis.

SECTION 5

CERTIFICATE OF ACQUAINTANCE WITH RFQ DOCUMENTS

By signing this certificate the Respondent is deemed to acknowledge that he/she has made himself/herself thoroughly familiar with, and agrees with all the conditions governing this RFQ. This includes those terms and conditions contained in any printed form stated to form part hereof, including but not limited to the documents stated below. As such, Transnet will recognise no claim for relief based on an allegation that the Respondent overlooked any such term or condition or failed properly to take it into account in calculating tendered prices or any other purpose:

1. Transnet's General Bid Conditions
2. Standard RFQ Terms and Conditions for the supply of Goods or Services to Transnet
3. Transnet's Supplier Integrity Pact
4. Non-disclosure Agreement

Note: Should a Respondent be successful and awarded the bid, they will be required to complete a Supplier Declaration Form for registration as a vendor onto the Transnet vendor master database.

Should the Bidder find any terms or conditions stipulated in any of the relevant documents quoted in the RFQ unacceptable, it should indicate which conditions are unacceptable and offer alternatives by written submission on its company letterhead, attached to its submitted Bid. Any such submission shall be subject to review by Transnet's Legal Counsel who shall determine whether the proposed alternative(s) are acceptable or otherwise, as the case may be. A material deviation from the Standard terms or conditions could result in disqualification.

Bidders accept that an obligation rests on them to clarify any uncertainties regarding any bid to which they intend to respond, before submitting the bid. The Bidder agrees that he/she will have no claim or cause of action based on an allegation that any aspect of this RFQ was unclear but in respect of which he/she failed to obtain clarity.

The bidder understands that his/her Bid will be disqualified if this Certificate of Acquaintance with RFQ documents included in the RFQ as a returnable document, is found not to be true and/ or complete in every respect.

3. POINTS AWARDED FOR PRICE

3.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

P_s	=	Points scored for comparative price of bid under consideration
P_t	=	Comparative price of bid under consideration
P_{\min}	=	Comparative price of lowest acceptable bid

In terms of Transnet Preferential Procurement Policy (TPPP) and Procurement Manuals, the following preference points must be awarded to a bidder who provides the relevant required evidence for claiming points

Selected Specific Goal	Number of points allocated (80/20)

1. The following terms shall bear the same meaning as contemplated in Section 1 of the Protection of Person information act, No.4 of 2013.(“POPIA”):

consent; data subject; electronic communication; information officer; operator; person; personal information; processing; record; Regulator; responsible party; special information; as well as any terms derived from these terms.
2. Transnet will process all information by the Respondent in terms of the requirements contemplated in Section 4(1) of the POPIA:

Accountability; Processing limitation; Purpose specification; Further processing limitation; Information quality; Openness; Security safeguards and Data subject participation.
3. The Parties acknowledge and agree that, in relation to personal information that will be processed pursuant to this RFQ, the Responsible party is “Transnet” and the Data subject is the “Respondent”. Transnet will process personal information only with the knowledge and authorisation of the Respondent and will treat personal information which comes to its knowledge as confidential and will not disclose it, unless so required by law or subject to the exceptions contained in the POPIA.
4. Transnet reserves all the rights afforded to it by the POPIA in the processing of any of its information as contained in this RFQ and the Respondent is required to comply with all prescripts as detailed in the POPIA relating to all information concerning Transnet.
5. In responding to this bid, Transnet acknowledges that it will obtain and have access to personal information of the Respondent. Transnet agrees that it shall only process the information disclosed by Respondent in their response to this bid for the purpose of evaluating and subsequent award of business and in accordance with any applicable law.
6. Transnet further agrees that in submitting any information or documentation requested in this RFQ, the Respondent is consenting to the further processing of their personal information for the purpose of, but not limited to, risk assessment, assurances, contract award, contract management, auditing, legal opinions/litigations, investigations (if applicable), document storage for the legislatively required period, destruction, de-identification and publishing of personal information by Transnet and/or its authorised appointed third parties.
7. Furthermore, Transnet will not otherwise modify, amend or alter any personal data submitted by the Respondent or disclose or permit the disclosure of any personal data to any third party without the prior written consent from the Respondent. Similarly, Transnet requires the Respondent to process any personal information disclosed by Transnet in the bidding process in the same manner.
8. Transnet shall, at all times, ensure compliance with any applicable laws put in place and maintain sufficient measures, policies and systems to manage and secure against all forms of risks to any information that may be shared or accessed pursuant to this RFQ (physically, through a computer or any other form of electronic communication).

9. Transnet shall notify the Respondent in writing of any unauthorised access to information, cybercrimes or suspected cybercrimes, in its knowledge and report such crimes or suspected crimes to the relevant authorities in accordance with applicable laws, after becoming aware of such crimes or suspected crime. The Respondent must take all necessary remedial steps to mitigate the extent of the loss or compromise of personal information and to restore the integrity of the affected personal information as quickly as is possible.
10. The Respondent may, in writing, request Transnet to confirm and/or make available any personal information in its possession in relation to the Respondent and if such personal information has been accessed by third parties and the identity thereof in terms of the POPIA. The Respondent may further request that Transnet correct (excluding critical/mandatory or evaluation information), delete, destroy, withdraw consent or object to the processing of any personal information relating to the Respondent in Transnet's possession in terms of the provision of the POPIA and utilizing Form 2 of the POPIA Regulations.
11. In submitting any information or documentation requested in this RFQ, the Respondent is hereby consenting to the processing of their personal information for the purpose of this RFQ and further confirming that they are aware of their rights in terms of Section 5 of POPIA

TRANSNET PORT TERMINALS RICHARDS BAY (TPT RCB)

TENDER NUMBER:

PROVISION FOR LOAD TESTING FORKLIFTS, REACH STACKERS & TWIST LOCKS AT TRANSNET SOC LTD (REG. NO 1990/000900/30) OPERATING AS TRANSNET PORT TERMINALS RICHARDS BAY (HEREINAFTER REFERRED TO AS "TPT RCB")

1. Project Overview

The Port of Richards Bay is a material handling facility where cargo is imported and exported through a network of conveyors, bulk materials handling appliances and fleet.

At the Transnet Port Terminals, there are conveyor belts (galleries), loaders and unloaders, forklifts, skips and cranes which are either classified as lifting equipment or consists of lifting attachments. These lifting equipment need to be proof load tested annually as a requirement by the Occupational Health and Safety Act (OHSAct).

The purpose of this scope of work is to implement a service contract (s) with an LME (Lifting Machinery Entity) with different LMIs (Lifting Machinery inspectors) for the load testing of specified TPTs lifting equipment. This will ensure that TPT is always compliant to the OHS act 85 of 1993 and The Code of Practice No. 29 for load testing requirements. In addition to this, the load testing of equipment will ensure that the lifting equipment in use is safe and well suited for their functions.

2. The Scope

2.1 Certified LMEs are required to provide the following services:

2.1.1 Load Testing

- Load testing of reach stackers boom
- Crack test of reach stackers twist locks
- Load testing of forklifts (8Ton 18Ton, 32Ton & 42 Ton)

This mandatory test will be above the AD HOC tests and inspections that Transnet might require after modifications, repairs and for any other reasons.

2.1.2 Service provider to provide the following:

- Service provider to provide their own 45 container to perform load test on reach stackers beam
- Service provider to provide all lifting tackles (slings, hooks, shackles) are to be

2.1.3 Inspections

- Inspection of lifting machines (forklifts and reach stackers) by the relevant LMI.

These inspections are to be conducted as per the requirements of the OHSAct, DMR, 2015 Section 18 Regulation 6 and 10(e). The appropriate reports are to be submitted within 5 working days with the stamp and signature of the LMI.

This mandatory inspection will be above the AD HOC tests and inspections that Transnet might require after modifications, repairs and for any other reasons.

2.1.4 Provision of Test Weights

The following are the requirements for the test weights.

Equipment	Type of weight to be used	Responsible party
Reach Stacker boom	45 Ton Container Or water bags or solid weights	Service provider to Supply container & water bags Transnet will supply solid weights
Reach Stacker – Twist lock	Non-destructive test on machine checking for cracks and handling of Container	Service provider to perform on their workbench and provide their container
Forklifts	Solid Weights are to be used.	Transnet to Supply
All lifting tackles (slings, hooks, shackles) are to be supplied by the service provider.		

To note: Where the contractor is supplying water weights/bags, they will be required to supply a suitable mobile/portable pump (i.e. engine driven trash pump mounted on a trailer) that will provide a sufficient flow rate to fill up the bags within an acceptable time. The pump specs are to be (as a minimum):

- Petrol or diesel driven.
- A negative suction lift of 9m.
- A positive delivery of 9m.
- A flow rate of one (1) cubic metre per minute (i.e. 1000 litres per minute)

The rate for the load test that will be quoted for on the returnable pricing schedule should be all inclusive.

In addition to this, the use of the flow meters for estimating the weight will not be accepted; load cells (with the proper calibration certification) are to be used for ALL load tests to confirm the weight of the test weight (Including for solid weights).

TPT owns solid weights which will be used for the majority of the tests that require solid weights; in cases where the required test weight (tonnage) cannot be achieved using these weights, the vendor will be requested (with fair notice) to supply the test weights. A provision has been made for this in the pricing schedule. The weights should allow for safe stacking during load testing. The following weight are available at TPT: 35ton x 1, 20ton x 1, 10ton x 1, 5ton x 2, 2ton x 1 and 1ton x 2.

3. Compulsory Requirements

- 3.1. The tendering Service Provider should be an LME for ALL the different type of equipment they are quoting for as per Appendix A.
- 3.2. The Tendering Service provider should have an LMI (or multiple LMIs) for all the different types of equipment they are quoting for as per Appendix A.
- 3.3. The Tendering Service provider should have a welding inspector level 2 certificate to check for welding quality done on skips.
- 3.4. The LMI must be employed by the LME – Proof of this will be requested when the contract kicks off.
- 3.5. Service provider must provide their own 45 Ton container
- 3.6. All works are to be conversant with:
 - OHS act 85 of 1993, New Driven Machinery -regulations September 2015.
 - Transnet's Code of Practice No. 29
- 3.7. The contractor is expected to have the following documentation whenever they come onsite for the load test or inspections:
 - The LMI is to have the LME and LMI certification and ECSA letter with all the disciplines he is authorized to inspect and test.
 - Valid calibration certification for all the equipment that will be used.
Load test/Inspection certification for all the lifting tackle that will be used for the load tests.
 - Safety file as per the Transnet SHEQ department requirements
 - Service must provide load test certificate valid for not less than 12 months

To note: Transnet has the due diligence to do a site visit to verify availability of load testing equipment, only on technically acceptable bidder(s).

4. General Requirements

- 4.1 Crew must consist of 1 LMI and two (2) assistants.
- 4.2 Transnet requires a service provider who will be readily available to support Transnet when required. The LMIs and testing equipment can be shared with other clients but TPT should have first preference when there is work to be done. For all planned work, a 1 week (5 working days) notice will be imposed on the successful bidder for all load tests and inspections by the LMIs.
- 4.3 All work will need to be conducted in the presence of a TPT representative (i.e. Examiner).
- 4.4 A detailed technical/engineers report will be expected from the vendors after each load test.
- 4.5 A technical report (engineer's report) and inspection report is to be provided immediately after the work is completed and the Certificates are to follow within 5 working days.
- 4.6 All work is to be done onsite where possible. For all load tests:
 - A full inspection of the equipment to be load tested is to be conducted; the condition of all the critical components is to be noted; if there is a risk noted from the inspection, the load test is to be stopped with a recommendation of the repair required before the machine can be tested.
 - An after-test inspection is to be carried out after each load test.
 - After the completion of the load test, a report is to be issued immediately before leaving site (handwritten), and the relevant log sheet is to be signed together with the Examiner.
 - The load test certificate is to be sent to the relevant Examiner or Maintenance Planner **within 5 working days**.
 - Final report to utilize Example 1 reporting format from SANS 10388-288.

5 Contractors' Responsibilities.

The *Contractor* shall

- 5.1 Provide all the necessary skills, resources, tools, equipment and expertise to carry out the works in this scope of work. Service provider shall provide their crane, crane operator rigger & container.
- 5.2 Review, familiarize and understand the proposed site including all constraints and environmental factors.
- 5.3 Review, familiarize and understand the operational requirements of the facilities in the Port of Richards Bay.
- 5.4 Provide any other reasonable works required to successfully deliver the services to the *Employer* on time, on budget, at the accepted quality.
- 5.5 Provide all necessary SHE compliance documentation as per Transnet Port Terminals' SHE specifications, including the submission and approval of a Safety File; were recommended by the OHSAct, the vendor should provide a SHE Officer on site.
- 5.6 Hand over all reports and certification to an examiner or planner after any inspection or test.

6 Governing Codes, Standards and Specifications

The *Contractors'* works must be in accordance with the requirements of the latest edition of the following specifications and codes:

Title	Document No.
National & International Standards	
Conformity Assessment, Calibration and Good Laboratory Practice Act (SANS)	Act 19 of 2006
Occupational Health and Safety Act and Regulations	85 of 1993 Ed.12
The inspection, examination and testing of lift trucks	SANS 10388:2008 Ed.
Transnet Port Terminals Standard Specifications	
Code of Practice No. 29	Standard -E8
Safe load system for counterbalance front lift trucks	BBB2858 Ver. 1

7 Health and Safety Requirements

The Contractor shall comply with Transnet Port Terminals Health Safety and Environmental Specification number: Operations – SHE Contractor Specification SHEQ PRO 021.

8 Documentation Control

The vendor will be expected to submit and keep (and make available to Transnet on request) test and inspection

9 Quality assurance requirements

The *Contractor* must submit his Quality Management System documents to the *Employer* as part of his programme, to include:

- Quality Control Plan for the contract;
- Quality Policy;
- Procedures to be used in completing the works.

These documentation is to be part of the safety file and is to be regularly updated.

10 Delivery Times

All work will be planned and scheduled by TPT, the vendor will be provided with a monthly schedule.

11 Tools and Machinery

The service provider is to provide all labour, materials, tools, machinery, equipment, transportation, appliances and services necessary to execute carry out the works in the scope. TPT will only pay for the different services requested.

CRITERIA		DISCRIPTION	WEIGHT	SCORING PRINCIPAL		Company #1		Company #2		Company #3	
						Score	Comments	Score	Comments	Score	Comments
ELIGIBILITY	1. COMPANY LME CERTIFICATION	Service provider must submit the Lifting Machinery Entity (LME) certification for their company which must reflect company name and also that they are authorised to test the lifting machinery (forklifts). A certificate must be registered under department of employment labour (DoL). LME certificate without a discipline of load tesing forklifts will not be considered.	Yes/No	Service provider failing to submit company LME certificate with a discipline of load tesing forklifts will lead to automatic disqualification	Yes/No						
	2. LMI CERTIFICATION	Service provider must submit a CV and Lifting Machinery Inspector (LMI) Certificate for an individual which will perform load testing on lifting machinery. LMI must be registered under Engineering Council of South Africa (ECSA) , CV must indicate at 2 years load testing experience post LMI certification.	Yes/No	Service provider failing to submit LMI certificate for an individual who will do load tests will lead to automatic disqualification	Yes/No						
	3. COMPANY MEMBERSHIP OF LEEASA	Service provider must submit proof of membership of lifting equipment bodies as an indication that the service provider is involved in the field by submitting a valid certificate of Lifting Equipment Engineering Association of South Africa (LEEASA) , South African National Accreditation System (SANAS) or any other national or internationally recognised lifting equipment bodies.	Yes/No	Service provider failing to submit membership to recognised lifting equipment bodies like LEEASA OR SANAS OR any other recognised lifting equipment bodies will lead to automatic disqualification	Yes/No						
MEASURED CRITERIA	1. COMPANY'S TRACK RECORDS	Submit traceable previous purchase orders OR testimonial letters from satisfied clients where the bidding company conducted load tests in forklifts or reach stackers in the past. Ideally the service provider must submit 4 x or more proofs of previous load test done in the past. Proof in form of testimonial letters missing one of the 8 below mentioned aspects will be deemed invalid a) Client's letterhead, b) Bidding company name, c) Date when load test was done, d) Nature of work (Load Test) e) Satisfactory of the bidding company on load testing work done f) Presiding officer's name g) Presiding officer's designation h) Presiding officer's signature	40	Four (4) or more traceable proofs provided	40 Points						
				Two (2) to three (3) proofs provided	20 Points						
				One (1) or no proofs provided	0 Point						
	2. RESPONSE TIME	The service provider must submit a response time drafted on letter with a letterhead committing the period it will take for service provider come inside port to do load test from the time PO is issued . Transnet prefers a minimum of 24 hours from the time PO is issued.	20	24 hours or less response time provided	20 Points						
				25 to 36 hours response time provided	10 Points						
				37 hours and more response time provided	0 Point						
	3. CONFIRMATION OF 45 TON CONTAINER	Service provider must commit that they will bring their own 45 Ton container when load testing of reach stackers is required at any time. This confirmation must be drafted on a letter with a bidding company letterhead and signed by company representative	20	Confirmation letter drafted on a company letter headprovided	20 Points						
				No confirmation letter provided or provided but not on a company letterhead	0 Point						
	4. METHOD STATEMENT	Service provider must submit method statement that covers all the different equipment load test (forklifts, reach stackers and twist locks) that the vendor has quoted for and as per the legislative requirements. One method statement can be provided but should cover ALL equipment types tendered for. method stament missing one of the 3 aspects and also not covering all types of equipment as per SOW will not be considered.The method statement is to show below mentioned aspects: a) Setting up and preparing for load testing b) Different steps taken to conduct load test on all different types of equipment, i.e forklifts, reach stackers & twist locks c) Safety precautions that will be followed to ensure the load tests are done safely	20	Method stament covering all the 3 aspects and all types of equipment provided	20 Points
