29. **ENVIRONMENTAL**

29.1 The Lessee shall immediately after the Signature Date procure that the Leased Premises are inspected by a suitably qualified independent Environmental expert nominated by it (which environmental expert shall be approved by the Lessor) in order to determine if any environmental pollution and/or contamination exists on or about the Leased Premises and/or if any remedial measures are to be undertaken in terms of any Law relating to the conservation and/or preservation of the natural environment ("**environmental law**") or otherwise ("**baseline study**"). The Lessee shall furnish the Lessor with a copy of the baseline study immediately upon completion thereof.

29.2 If the baseline study reflects the existence of any such pollution or contamination, then the Lessor shall be responsible for such remedial measures as are required to be undertaken.

29.3 If the Lessee fails to procure a baseline study within 3 (three) months after the Commencement Date, then the Leased Premises shall be deemed to have been free of pollution and contamination as at the Commencement Date.

29.4 The Lessee will be responsible for any pollution and contamination which it may cause or effect to the Leased Premises after the Commencement Date, for which purpose the baseline study (if any) shall be prima facie evidence of pollution and/or contamination existing as at the Commencement Date.

29.5 The Lessee shall:

29.5.1 not later than the Expiry Date cause such remedial measures as may be necessary and/or required in terms of any environmental Law to be taken; and

- 29.10 The Lessee shall allow the Lessor and its duly authorised representatives access to the Leased Premises and shall furnish them with such reasonable assistance as may be necessary to enable them to determine the extent to which the Lessee has complied with its obligations in terms of this clause 29 , Environmental Management Plan, Environmental Law or has failed to do so. The Lessor shall be entitled at any time to give the Lessee written notice of:
 - 29.10.1 remedial measures to be undertaken by the Lessee in order to ensure compliance with its obligations in terms of clause 29 hereof; and
 - 29.10.2 reasonable time periods within which such remedial measures are to be commenced with and/or completed.
- 29.11 The failure by the Lessee to timeously comply with notice given by the Lessor to the Lessee in terms of clause 29.11 shall constitute a material breach of this Lease Agreement.

about the Leased Premises and/or its surrounds that will or is likely to pollute or contaminate the environment or any part thereof.

29.13 The Lessor may in its sole and absolute discretion by written notice exempt the Lessee from any or all of the provisions of this clause. Any such exemption shall not be construed as to limit the obligations of the Lessee in terms of any environmental Law.

29.14 The Lessee must within 24 hours inform the Lessor of any spillage or pollution incident that may have an impact on the Environment as per section 62(5)(g) of the National Ports Act, 12 of 2005.

- 30.3.5 Shall notify the lessor of any changes in the activities to allow the lessor to exercise oversight in ensuring that emerging risks are mitigated.

31. SERVICES BY LESSOR OR RELEVANT AUTHORITY

31.1 The Lessee shall, save where the Lessee occupies only a portion of the Property, at his own cost, arrange with any government, regional, local or other lawful authority or any utilities provider for the supply of electricity and water, and of sewerage removal, refuse removal and other services that are not or, at the absolute discretion of the Lessor, will not be rendered by the Lessor to the Lessee, but which may be required in respect of any of the activities which are to be carried out in or on the Leased Premises.

31.2 Where the Leased Premises does not comprise the entire property owned by the Lessor, the Lessor shall endeavour to supply a metered electrical connection point within the Leased Premises for use by the Lessee.

31.3 Notwithstanding the liability of the Lessee in terms of clause 30.1 above, the Lessee shall be required to make payment to the Lessor in accordance with the provisions of this Main Agreement, which payment shall be in respect of the Lessor's liability to any authority or to any utilities service provider, as the case may be, for the services contemplated in clause 30.1 above.

31.4 In the event that the Lessor elects to supply water, electricity, sewerage removal and/or refuse removal services to the Lessee, the Lessee shall be required to make payment to the Lessor of all costs and/or fees in connection with the availability and consumption of water and electricity, or the provision of sewerage removal and refuse removal services, in accordance with the provisions of this Lease Agreement. The Lessor shall not be responsible for the quality of water supplied.

32. SUPPLY OF ELECTRICITY BY THE LESSOR

- 32.1 In the event that the Lessor supplies electricity in terms of clause 31.4 above, the Lessor shall endeavour to maintain an efficient and continuous supply of electricity but does not guarantee continuity of supply and the Lessee acknowledges that interruptions may take place at any time without prior notice to the Lessee.
- 32.2 The Lessor shall not be liable for any failure or accident or damage that may be caused or sustained directly or indirectly by reason of such failure or generally in relation to supply by the Lessor of electricity.
- 32.3 The electricity supply may only be used by the Lessee for its own purposes and at the Leased Premises.
- 32.4 Should the Lessee lease the entire Leased Premises it shall be responsible for the payment of the electricity deposit required by the supply authority and shall pay the same on demand to the supply authority. Should the Lessor be required to pay the deposit, the Lessee shall refund the Lessor on demand.
- 32.5 Should the electricity installations be damaged as a result of fire or from any other cause, the Lessee must, within 24 (twenty - four) hours of it becoming aware of such damage, report such occurrence to the Lessor, irrespective of the nature of the incident and/or the amount involved. The Lessee shall, in addition, be responsible for any excess payable in respect of a claim that may arise in respect of any insurance policy taken out by the Lessor in this regard.
- 32.6 The Lessee shall pay for electricity in accordance with its consumption as measured by the electricity meter/s installed at the Leased Premises and at the prevailing rates and tariffs applicable from time to time. Should the Leased Premises not have a separate meter and should the Lessee request the installation of a separate meter or should the Lessor deem it necessary to install a separate meter, the installation costs and all other costs associated with the installation of such meter shall be paid by the Lessee.

- 32.7 If either Party to this Lease Agreement has reason to doubt the accuracy of any meter reading, it shall be entitled to request that the meter be tested. If it is found that the meter is registering correctly, the cost of such test shall be borne by the Party who requested the test to be carried out. For the purpose of this clause 32 the meter shall be deemed to be registering correctly if the relevant meter readings are accurate within a 5% (five percent) tolerance.
- 32.8 If it is found that the meter is registering incorrectly it shall be assumed that the fault only arose after the last meter reading and the Lessee's account will not be retrospectively adjusted.
- 32.9 The meter/s recording the electricity consumed in accordance with this Lease Agreement shall be read by an authorised representative of the Lessor and shall take place at such intervals as may be deemed appropriate by the Lessor. Where the readings are not done monthly the Lessee will be provided with an account based on its estimated consumption, with such account being adjusted from time to time on the basis of actual consumption.
- 32.10 The meter/s shall be sealed by an authorised representative of the Lessor. If any unauthorised person interferes with such seals, the Lessor shall have the right to disconnect and withhold the electricity supply until such time as the installation is inspected for defects.
- 32.11 The Lessor reserves the right to reasonably amend the rates and tariffs applicable to the supply of electricity from time to time, provided that the Lessee is given 1 (one) calendar month written notice to this effect and provided that the amended rates and tariffs are within the rates and tariffs set by the relevant authority.
- 32.12 The Lessee shall not interfere or cause any interruption in the electricity supply to any adjacent premises.
- 32.13 Should there be no meter installed to register the electricity consumed by the Lessee, the Lessor shall charge the Lessee its Pro-Rata Share of the costs of electricity consumed within the Property.

33.2 The Lessor shall not be liable for any failure or accident or damage that may be caused or sustained directly or indirectly by reason of such failure or generally in relation to supply by the Lessor of water.

33.3 The water supply supplied by the Lessor may only be used by the Lessee for its own purposes and in relation to the Leased Premises. The Lessee uses the water at its own risk and the Lessor is not responsible should the quality of the water deteriorate, the pressure weakens or become unsuitable for human consumption.

33.4 The Lessee shall pay for water in accordance with its consumption as measured by the water meter/s installed at the Leased Premises and at the prevailing rates and tariffs applicable from time to time. Should the Leased Premises not have a separate meter and should the Lessee request the installation of a separate meter or should the Lessor deem it necessary to install a separate meter, the installation costs and all other costs associated with the installation of such meter shall be paid by the Lessee on demand.

33.5 In the event of any meter at any time registering incorrectly or ceasing to register at all, the consumption of water shall for the period during which the meter was registering incorrectly or not registering, be based on the average consumption recorded for the 3 (three) preceding months.

33.6 If it is found that the meter is registering incorrectly or ceasing to register at all, the consumption of water for the period during which the meter was

registering incorrectly or not registering, shall be based on the average consumption recorded for the 3 (three) preceding months.

- 33.7 If it is found that the meter is registering incorrectly it shall be assumed that the fault only arose after the last meter reading and the Lessee's account will not be retrospectively adjusted.
- 33.8 If either Party to this Lease Agreement at any time has reason to doubt the accuracy of the meter readings, it shall be entitled to request that the meter be tested. If it is found that the meter is registering correctly, the cost of such a test shall be borne by the Party who requested the test to be carried out. For the purpose of this clause 33 the meter shall be deemed to be registering correctly if the relevant meter readings are accurate within a 5% (five percent) tolerance.
- 33.9 The meter/s recording the water consumed in accordance with this Lease Agreement shall be read by an authorised representative of the Lessor, which meter readings can take place at such intervals as may be deemed appropriate by the Lessor. Where the readings are not done monthly the Lessee will be provided with an account based on its estimated consumption, with such account being adjusted from time to time on the basis of actual consumption.
- 33.10 The meter/s shall be sealed by an authorised representative of the Lessor. If any unauthorised person interferes with such seals, the Lessor shall have the right to disconnect and withhold the water supply until such time as the installation is inspected for defects.
- 33.11 The Lessor reserves the right to reasonably amend the rates and tariffs applicable to the supply of water from time to time, provided that the Lessee is given 1 (one) calendar month written notice to this effect and provided that the amended rates and tariffs are within the rates and tariffs set by the relevant authority.
- 33.12 The Lessee shall not interfere or cause any interruption in the water supply to any adjacent premises.

33.13 Should there be no meter installed to register the water consumed by the Lessee, the Lessor shall charge the Lessee its Pro-Rata Share of the costs of water consumed within the Property.

33.14 The Rental in relation to the Leased Premises shall be inclusive of the Pro-Rata Share of water consumed until such time as a separate meter is installed.

34. CESSION, SUBLETTING AND OCCUPATION

34.1 The Lessee shall not:

34.1.1 cede, assign or delegate any of its rights or duties under this Lease Agreement;

34.1.2 sublet the Leased Premises or any part thereof; or

34.1.3 place anyone else in occupation of the Leased Premises or any part thereof, on any conditions whatsoever or for any reason whatsoever, without the Lessor's prior written consent, which consent will be determined by the Lessor in its sole discretion.

35. RELAXATION OR NOVATION OF LEASE AGREEMENT

No relaxation or indulgence which the Lessor may permit the Lessee shall in any way prejudice the Lessor's rights in terms of this Lease Agreement and, in particular, no acceptance by the Lessor of Rental or any other payment after due date (whether on one or more occasions), nor any other act or omission by the Lessor, including the rendering of accounts after due date, shall preclude or stop the Lessor from exercising any of its rights in terms of this Lease Agreement. Unless otherwise notified in writing by the Lessor to the Lessee, receipt of any Rental or other payment by the Lessor shall in no way whatsoever prejudice or operate as a waiver, rescission or abandonment of any cancellation effected or right of cancellation acquired prior to such receipt. The Lessor shall be entitled, in its sole discretion, to apportion any amounts received from the Lessee towards the payment of any cause, debt or amount owing by the Lessee to the Lessor.

36. INDEMNITY

36.1 The Lessee shall not have any right, remedy or claim of any nature whatsoever against the Lessor for any loss, damage (whether general, special or consequential), expense or injury which may be suffered by the Lessee, directly or indirectly, arising out of or relating to this Lease Agreement, irrespective of whether or not such loss, damage, expense or injury shall have been caused by the negligence of the Lessor or any person for whose acts or omissions the Lessor is vicariously liable. Without derogating from the generality of the foregoing, the Lessor shall have no liability to the Lessee in respect of any such loss, damage, expense or injury which may be suffered by the Lessee by reason of any latent or patent defect in the Leased Premises, or from any fire in or on the Leased Premises, or any theft from the Leased Premises, or by reason of the Leased Premises or any part thereof being in or falling into a defective condition or state of disrepair, or as a result of any particular repair not being effected by the Lessor either timeously or at all, or arising out of vis major or casus fortuitus, or arising out of any act of omission of any other lessee of premises of which the Leased Premises might form part or due to a change of the Leased Premises' facade, appearance or any other feature thereof, or arising in any manner whatsoever out of the use of the Leased Premises by any person.

36.2 The Lessee hereby indemnifies the Lessor and each of the Lessor's employees and representatives against any claim of any nature whatsoever which may be made against the Lessor or any such employee or representative by any of the Lessee's servants, employees, agents, invitees, customers, dependants and/or contractors arising out of any event or cause of any action referred to in clause 36.1 above.

37. LIMITATION OF LIABILITY

Notwithstanding any other provision contained in the Lease Agreement, the Parties agree that, in the event of the Lessor being liable to the Lessee in terms of this Lease Agreement (for any reason whatsoever) the liability of the Lessor shall be limited to no more than 3 (three) month's Rental, calculated at the time when such liability arose.

38. **CHANGE IN LAW**

38.1 Notwithstanding any other provision contained in this Lease Agreement, if the coming into force, adoption, amendment or repeal of any Law ("**Legal Event**") shall make it unlawful or impossible for the Lessor to comply with its obligations contained herein or shall result in the continuation of this Lease Agreement being economically unfeasible or imposing unreasonable hardship on the Lessor, then in each such event the Lessor shall be entitled to give the Lessee written notice ("**Specified Notice**") no later than 6 (six) months following the Legal Event, calling on the Lessee to enter into negotiations with the Lessor in terms of clause 38.2.

38.2 Within 7 (seven) days following receipt by the Lessee of the Specified Notice, the Parties shall meet and in good faith endeavour to negotiate terms and conditions to be included in the Lease Agreement in order to accommodate the Law concerned.

38.3 If, within 14 (fourteen) days following receipt by the Lessee of the Specified Notice, the Parties fail to negotiate or are otherwise unable to agree in writing on terms and conditions to accommodate the Legal Event concerned, to the satisfaction of the Lessor, this Lease Agreement shall immediately terminate and the provisions of clause 41.3 (Termination of Lease Agreement) shall apply mutatis mutandis.

39. **BREACH OF CONTRACT**

39.1 Should the Lessee:

39.1.1 fail to pay any amount due by the Lessee in terms of this Lease Agreement to the Lessor on due date; or

39.1.2 commit any material breach of this Lease Agreement;

39.1.3 commit any other breach of any term of this Lease Agreement, whether such breach goes to the root of this Lease Agreement or not, and fail to remedy that breach within a period of 7 (seven) Business Days after the receipt of a written notice to that effect by the Lessor; or

- 39.1.4 commit 2 (two) or more breaches of any of the terms of this Lease Agreement (whether the same term has been breached or not), within any 3 (three) month period during the term of this Lease Agreement;
- 39.1.5 commit any act of insolvency; or
- 39.1.6 fail to co-operate in the BOI by not providing any information as requested by the Lessor and further failing to attend any BOI instituted or commissioned by the Lessor.
- 39.2 On the happening of any such event, the Lessor shall be entitled, without prejudice to any other rights which he they may have under this Lease Agreement and/or Law to claim a penalty, as a pre-estimate of the loss or damage suffered by the Lessor, in an amount equal to 50% (fifty percent) of the monthly Rental payable by the Lessee for so long as the breach persists.
- 39.3 Failure by the Lessee to rectify the breach within 4 (four) months from receipt of a notice in writing from the Lessor and shall entitle the Lessor to cancel this Lease Agreement on written notice thereof to the Lessee and claim immediate repossession of the Leased Premises; or
- 39.4 to remedy such breach and recover the total cost incurred by the Lessor in doing so from the Lessee, who shall be obliged to pay the amount thereof to the Lessor forthwith; or
- 39.5 to treat the Lessee's tenancy thereafter as a monthly tenancy, terminable by the Lessor on 1 (one) month's prior written notice to the Lessee.
- 39.6 Should the Lessor be in breach of any of its obligations under this Lease Agreement, the Lessee shall be entitled to deliver written notice to the Lessor to rectify such breach within 7 (seven) Business Days (or such longer period as may be reasonably required) after giving written notice to that effect by the Lessee. Under no circumstances will the Lessee be able to claim cancellation of this Lease Agreement as a remedy for a breach by the Lessor. Furthermore, any claim that may be made by the Lessee against the Lessor in terms of this clause 39.2 shall be limited by the terms of clause 37 (Limitation of Liability) of this Lease Agreement.

- 39.7 While the Lessee remains in occupation of the Leased Premises and irrespective of any dispute between the Parties, including but not limited to, a dispute as to the Lessor's right to terminate this Lease Agreement:
- 39.8 the Lessee shall continue to pay all amounts due to the Lessor in terms of this Lease Agreement on the due dates for such payments;
- 39.9 the Lessor shall be entitled to recover and accept such payments;
- 39.10 the acceptance by the Lessor of such payments shall be without prejudice to and shall not in any manner whatsoever affect the Lessor's right to terminate this Lease Agreement or to any damages whatsoever; and
- 39.11 the Lessee shall, in addition to any other damages or compensation due, be liable for any cost incurred by the Lessor in order to find a new lessee and shall remain liable for the Rental, Operating Costs and all other charges in terms of this Lease until the new lessee's lease agreement commences.
- 39.12 Notwithstanding the foregoing, the Lessor shall have a right, on three (3) months written notice, to terminate the Lease Agreement upon the Lessee entering into business rescue, liquidation (voluntary or by court order) and a compromise with creditors in terms of the Companies Act.

40. **INTEREST**

- 40.1 Should the Lessee fail to make any payment due in terms of this Lease Agreement on or before the due date, the Lessee shall be liable for the payment of interest on the outstanding amount, compounded monthly and calculated from the due date at a rate of 100 (one hundred) basis points above the prime rate of the bank designated by the Lessor, in its sole discretion, from time to time ("**the Bank**"). The aforementioned rate shall change, from time to time, on the same date as the prime rate changes. A certificate containing details of the applicable prime rate(s) for any appropriate period, signed by a person professing to be a manager of any branch of the Bank, and submitted by the Lessor during any legal proceedings, shall be accepted as prima facie proof as to the correctness of the contents thereof by the Lessee and it agrees to the submission and

admissibility of such certificate during any legal proceedings arising from this Lease Agreement.

40.2 In the event of the Lessee failing to pay any amount due to the Lessor, or committing any other breach of the terms and conditions embodied in this Lease Agreement, which results in the Lessor being obliged to instruct its legal advisors or attorneys to collect any such amount, or call upon the Lessee to rectify such breach, or to proceed against the Lessee for any reason, the Lessee hereby accepts liability for and undertakes to pay on demand to the Lessor all collection charges and other legal costs of the Lessor calculated on an attorney and own client basis.

40.3 A certificate signed by a financial manager, director, company secretary, credit manager or internal accountant of the Lessor shall be prima facie proof of the amount of any indebtedness owing by the Lessee to the Lessor at any time and of the fact that the due date of payment of the whole or, as the case may be, any portion of that amount has arrived.

41. **CONSEQUENCES OF TERMINATION OF LEASE AGREEMENT**

41.1 The Lessor shall be entitled to affix on the Leased Premises "TO LET" notices during the 6 (six) month period immediately preceding the Expiry Date of this Lease Agreement.

41.2 The Lessor shall be entitled to exhibit, on behalf of any new lessee of the Leased Premises any notices required in connection with any application for a licence to carry on a business in the Leased Premises during the 1 (one) month period immediately preceding the Expiry Date of this Lease Agreement.

41.3 Upon expiry or earlier termination of this Lease Agreement (for whatever reason) the Lessee shall immediately vacate the Leased Premises and restore possession of the Leased Premises to the Lessor in a good order and condition, fair wear and tear excepted. The costs related to restoring the Leased Premises in terms of this clause 41, shall be for the Lessee's account.

41.4 Should the Lessor terminate this Lease Agreement and the Lessee dispute such termination and remains in occupation of the Leased Premises pending determination of the dispute then;

41.4.1 The Lessee shall continue to pay on due date all monies due by it in terms of the Lease Agreement.

41.4.2 The Lessor shall be entitled to recover and accept those payments;

41.4.3 The acceptance by the Lessor of those payments shall be without prejudice and not constitute an acceptance of the Lessee's holding over in this manner.

41.5 Should the dispute between the Lessor and Lessee be determined in favour of the Lessor then the payments made to the Lessor in terms of clause 41.4 above shall be regarded as damages paid by the Lessee on account of loss suffered by the Lessor as a result of the holding over by the Lessee of the Leased Premises.

41.6 In all instances where the Lease Agreement is terminated early as a result of breach by the Lessee, the aggregate Rental for the remainder of the term of the Lease Agreement shall become due and payable by the Lessee.

42. **VACANT POSSESSION**

At the termination of this Lease Agreement the Lessee agrees that it will give up vacant possession of the Leased Premises to the Lessor. Should the Lessee not hand over the Leased Premises in a vacant state, the Lessor shall institute legal proceedings against the Lessee in that regard. The Lessor shall claim all costs incurred by the Lessor in obtaining vacant possession of the Leased Premises which shall be for the account of the Lessee, this includes but is not limited to eviction proceedings and the recovery of damages for unlawful holding-over of the Leased Premises.

43. **IMPROVEMENTS BY LESSEE**

43.1 The Lessee shall not be entitled to commence with any Improvement at the Leased Premises unless the Lessee has obtained the necessary regulatory

approval, the Lessee has furnished the Lessor with written proof of such approval together with any other information that may be requested by the Lessor and the Lessee has obtained the prior written consent of the Lessor to construct such Improvements, which consent may be given by the Lessor in its sole discretion and may be subject to such conditions that the Lessor may impose, from time to time.

- 43.2 The Lessee acknowledges and agrees that the Lessor shall accept no responsibility for any Improvement constructed by the Lessee in terms of this clause 43, notwithstanding any consent that the Lessor may grant the Lessee in terms of clause 43.1 above, or any inspection of the Leased Premises by the Lessor in terms of clause 26 (Access to Leased Premises) above.
- 43.3 The Lessee undertakes to abide by all lawful directions of the Lessor relating to precautionary measures that are necessary to protect the Leased Premises and/or Surrounding Property during the construction of any Improvement by the Lessee in terms of this clause 43.
- 43.4 Unless the Lessor otherwise agrees in writing, the Lessee shall not be entitled to remove any Improvement from the Leased Premises. Notwithstanding the foregoing the Lessor may require the Lessee to remove, immediately after the Expiry Date, any Improvements effected by the Lessee to the Leased Premises and to reinstate the Leased Premises to its original condition and to make good all damage occasioned by such removal.
- 43.5 Should the Lessor require the Lessee to leave all Improvements, the parties agree that the Lessor will not compensate the Lessee for the value (if any) of the Improvements undertaken by the Lessee and that the Lessee shall have no lien over the Improvements.
- 43.6 The Lessee hereby indemnifies and holds the Lessor harmless against any loss or damage, howsoever arising, which the Lessor may suffer (including, but not limited to, any claim made by any third party against the Lessor) arising out of or in connection with any Improvement undertaken in terms of this clause 43.

44. IMPROVEMENTS BY LESSOR

44.1 The Lessor may at any time effect such Improvements to the Leased Premises as it may deem fit provided that it shall use its reasonable endeavors to minimise disruption to the Lessee's business.

44.2 The Lessee shall not be entitled to any damages or compensation for any loss, damage or inconvenience suffered by the Lessee as a result of any Improvements made to the Leased Premises by the Lessor in accordance with the provisions of this clause 44.

45. REPOSSESSION OF LEASED PREMISES

45.1 If at any time after the Initial Period, the Leased Premises or any portion thereof, shall be required for the Lessor for any purpose whatsoever, the Lessor may (notwithstanding any provision in this Lease Agreement to the contrary) after having given the Lessee written notice of not less than the Notice of Repossession Period, enter upon the whole or any portion of the Leased Premises or retake possession of the same for such purposes as aforesaid, free of any right, title or interest which the Lessee may have in respect of the Leased Premises.

45.2 Should the Lessor exercise its right in terms of clause 45.1 above, the Lessee shall be entitled to remove such machinery, plant and ancillary equipment from the repossessed Leased Premises or portion thereof.

45.3 In the event of the Lessor retaking possession of a portion of the Leased Premises, only the Rental and Operating Costs payable from the date of repossession shall be reduced pro-rata by an amount bearing the same ratio to the Rental and Operating Costs that was payable prior to the repossession as the repossessed area bears to the whole area hereby leased.

45.4 Notwithstanding anything to the contrary in this clause 45 it is agreed that should the Lessor seek to retake possession of a portion only of the Leased Premises, but such repossession interferes substantially with the Lessee's use and enjoyment of the Leased Premises or has the effect of rendering the Leased Premises substantially unsuitable for the purpose of the Lessee's business, the Parties shall:

- 45.4.1 meet and, in good faith, endeavour to agree upon compensation (if any) that may be payable in respect of such repossession; and
- 45.4.2 in the event that Parties are unable to reach agreement in terms of clause 45.4.1 above, the dispute shall be resolved in terms of clause 52 (Dispute Resolution) below.
- 45.5 The provisions of this clause 45 shall not be applicable during the Initial Period.

46. **REDEVELOPMENT**

The Lessor may cancel this Lease Agreement without the payment of any compensation to the Lessee, upon giving notice of not less than the Notice of Redevelopment Period to the Lessee, if the Lessor wishes to redevelop or alter the Surrounding Property or any part thereof or to incorporate it into any scheme of redevelopment involving the Leased Premises, provided that this clause 46 shall not be applicable during the Initial Period.

47. **OWNERSHIP OF IMPROVEMENTS FOLLOWING TERMINATION**

- 47.1 Any Improvements made to the Leased Premises shall accede to the land and the ownership thereof shall vest in the Lessor without any compensation whatsoever being payable by the Lessor to the Lessee.
 - 47.1.1 Notwithstanding the provisions of clause 47.1 above, the Lessor shall have the right to:
 - 47.1.2 either retain or, at its sole and unfettered discretion, order the Lessee, at the Lessee's sole cost, to remove from the Leased Premises any such Improvement; or
 - 47.1.3 in the event that the Lessee fails to comply with an order from the Lessor to remove (or cause to be removed) from the Leased Premises any such Improvement within a reasonable time period, to affect such removal and to thereafter claim for the cost of such removal from the Lessee.

48. **PLANT, MACHINERY AND ANCILLARY EQUIPMENT**

48.1 The Lessee may, with the prior written consent of the Lessor, which consent shall not be unreasonably withheld or delayed, install on the Leased Premises all such plant, machinery or ancillary equipment as it may reasonably require in relation to its business.

48.2 The Lessee's plant, machinery or ancillary equipment shall be installed:

48.2.1 in a good, proper and workmanlike manner; and

48.2.2 in accordance with the requirements of every applicable Law.

48.3 Should the Lessee fail to remove or to complete the removal of any machinery, plant or ancillary equipment upon expiry or earlier termination of this Lease Agreement, the Lessee shall forfeit the right to undertake such removal and shall have no right to claim compensation in respect of such machinery, plant or ancillary equipment, provided that the Lessor may in its sole discretion require the Lessee to undertake or complete such removal. Should the Lessee fail to comply with this requirement, the Lessor may undertake the removal and may dispose of all machinery, plant or ancillary equipment so removed and may recover the cost of such removal and disposal from the Lessee.

48.4 Should the Lessee remain in occupation of the Leased Premises unlawfully after expiry of this Lease Agreement for the purpose of removing any machinery, plant or ancillary equipment, the Lessee shall be liable for the payment of Rental, Operating Costs and all other charges in terms of this Lease Agreement in respect of such period of occupation as well as compensation for any damage or loss suffered by the Lessor as a result thereof.

49. **FIRE PROTECTION MEASURES**

49.1 If, in the reasonable discretion of the Lessor, the nature of the Lessee's operations on or about the Leased Premises require specific and/or additional fire protection measures to be undertaken or implemented (which may include Improvements to the Leased Premises) then:

- 49.1.1 the Lessor shall be entitled, in its sole discretion, to give the Lessee written notification of the measures to be undertaken and implemented; and
- 49.1.2 the Lessee shall as soon as reasonably possible implement such measures.
- 49.2 The provisions of this clause 49 are in addition and without prejudice to the requirements of any local or competent authority in terms of any Law with regard to fire protection measures.
- 49.3 The Lessee shall have no claim against the Lessor if it fails to notify the Lessee of any fire protection measures to be undertaken and/or if any such measures, if undertaken, subsequently prove to be inadequate. The provisions of this clause 49 are imposed strictly for the benefit of the Lessor and do not confer any rights of whatever nature upon the Lessee.
- 49.4 The Lessee indemnifies the Lessor against:
 - 49.4.1 any loss or damage that may be suffered by the Lessor; and/or
 - 49.4.2 any claim of whatever nature that may be brought against the Lessor by any third party, arising from or in connection with any fire occurring on or about the Leased Premises, whether or not the Lessee has complied with all or any of its obligations arising from this clause 48.

50. DAMAGE AND DESTRUCTION

- 50.1 Should any damage to, or destruction of, the whole of the Leased Premises take place, the Lessee shall have no claim whatsoever against the Lessor, irrespective of the cause or nature of such damage or destruction. The Lessor shall be entitled, within 30 (thirty) days after such damage or destruction, to decide whether or not to terminate this Lease Agreement and shall notify the Lessee of its decision in writing within such period. Should the Lessor not notify the Lessee of its decision within such period, it shall be deemed to have elected to terminate this Lease Agreement.
- 50.2 Should the Lessor elect or be deemed to have elected to terminate this Lease Agreement, the Lessee shall have no claim of any nature whatsoever against the Lessor as a result of such termination but shall not be liable for the

payment of Rental, Operating Costs or other charges from the date of such damage or destruction.

- 50.3 Should the Lessor elect not to terminate this Lease Agreement:
 - 50.3.1 the Lessor shall reinstate the Leased Premises, at its own cost as soon as is reasonably possible;
 - 50.3.2 the Lessee shall not be liable for the payment of Rental, Operating Costs or other charges for as long as it is deprived of beneficial occupation of the Leased Premises;
 - 50.3.3 the Lessee shall re-take beneficial occupation from time to time of any part of the Leased Premises which has been reinstated and the provisions of this Lease Agreement shall mutatis mutandis apply to such occupation and the Lessee shall make payment of the Rental, Operating Costs or other charges in terms of this Lease Agreement on a pro rata basis; and
 - 50.3.4 the period of this Lease Agreement shall, at the option of the Lessee, be extended by the period during which the Lessee is deprived of beneficial occupation of the whole of the Leased Premises.
- 50.4 Should any portion (but not the whole) of the Leased Premises be damaged or destroyed by any cause whatsoever, the Lessor shall be entitled within 30 (thirty) days after such damage or destruction, to decide whether or not to terminate this Lease Agreement and shall notify the Lessee of its decision in writing within such period. Should the Lessor not notify the Lessee of its decision within such period, it shall be deemed to have elected to terminate this Lease Agreement.
- 50.5 Should the Lessor elect not to terminate this Lease Agreement, then
 - 50.5.1 the Rental, Operating Costs or other charges payable by the Lessee shall be reduced pro rata to the extent of infringement upon the Lessee's right of beneficial occupation;
 - 50.5.2 the Lessor shall repair the damaged or destroyed portion of the Leased Premises at its own cost as soon as is reasonably possible; and

50.5.3 the Lessee shall have no claim whatsoever against the Lessor irrespective of the cause or nature of such damage or destruction.

50.6 In the event that the total or partial destruction is caused by any wilful act or omission of the Lessee, then (notwithstanding the provisions of this clause 50) the Lessee shall not be able to invoke the above protections and shall be liable to the Lessor for the full sum of damages sustained by it as a result of the aforesaid wilful act or omission.

51. **JURISDICTION OF COURT**

The Lessee hereby consents to the jurisdiction of the Magistrates Court for the purpose of any proceedings in terms of or incidental to this Lease Agreement, provided that either Party, may in its discretion institute proceedings in any division of the High Court having jurisdiction and in that event the costs shall be determined on the scale applicable to the High Court.

52.2 If the Dispute has not been resolved by negotiation within 5 (five) Business Days of it arising, then the Lessor shall have the right to submit the Dispute to arbitration to be administered by the Arbitration Foundation of Southern Africa ("**AFSA**") or its successor, upon such terms as agreed between the Parties and the secretariat of AFSA, or failing such agreement, upon such terms as determined by the secretariat of AFSA.

52.3 Unless otherwise agreed in writing by both Parties, any such arbitration in terms of this clause 52 shall be held in the magisterial district within which the Leased Premises is situated.

52.4 Notwithstanding anything to the contrary contained in this clause 52, either Party shall be entitled to apply for and if successful, be granted, an interdict,

specific performance or urgent relief from any competent court having jurisdiction.

52.5 This clause 52 constitutes an irrevocable consent by each of the Parties to any proceedings in terms hereof, is severable from the rest of the Lease Agreement and shall, notwithstanding the termination of the Lease Agreement, remain in full force and effect.

53. **SURETYSHIP**

If required in terms of Annexure A for the purposes of securing the obligations of the Lessee in terms of this Lease Agreement, the Lessor may require the Lessee, on the Signature Date, to deliver to the Lessor a deed of suretyship executed by a third-party approved by the Lessor, which suretyship shall, unless otherwise agreed in writing, be in the form and shall contain such terms as set out in the pro-forma suretyship attached hereto as Annexure D.
