

**Purchases at Pier 2****Motivation for Purchase:**

This initiative aims to recognise, reward, and appreciate the management cadre and all Business Unit employees of Pier 2 for their exceptional efforts that drove significant performance improvements between April and December 2025.

Key YTD 2025/26 Achievements:

- Vessel berthing delays maintained within target
- Improved productivity across both Waterside and Landside operations
- Notable progress in Safety KPIs, including reduced occurrences and claims, and LTIFR sustained below the tolerance level of 0.7
- CTOC revenue consistently above budget
- Operating expenditure savings successfully achieved

These results demonstrate the commitment and dedication of the Pier 2 team. The terminal is now positioned to hand over a healthy, stable, and well-performing business to the incoming NewCo as part of the PSP transaction, effective January 2026.

Proposed Recognition:

- Umbrellas for all other terminal employees

Well done to the entire Pier 2 team for your outstanding performance and contribution
