THE PROPOSED FUNDING MODEL	POINTS	QUANTITATIVE
Proposed funding model in support of project investmen reflecting the split between debt an equity	5	QN
If a debt is a component in raising funding, the bidder must provide a letter of support from each lender, i.e., • The letter of support from a financial institution in a preliminary credit approved term sheet format; • The letter of commitment from partners or investors where external debt is to be provided by a fund; and • The letter from the Group or Holding company in support of the funding. If equity is a component in raising funding, bidders must provide evidence of such funding from each member, i.e., • Letters from shareholders confirming
