5.	Technical Questions
5.1	Bidder
	<ul> <li>Q1 – With regards to the threshold of 60 points to 60%, the first part of TNPA's evaluation says that the company and then it says they're between brackets, not individuals experiencing successfully designing, building, commissioning, handing over similar vessel.</li> <li>Does a company who doesn't have 15 years' experience get automatically disqualified even though they have individual that have built many ships in the past and have all the resource, money, insurances and everything in place to build the vessel?</li> <li>Transnet Response.</li> <li>A1: As TNPA or Transnet, we award this type of business to a company, not an individual, and the purpose of the technical evaluation it is to assess whether</li> </ul>
	your organization has completed a motorized vessel and delivered to their client. A mechanism has been explained earlier in the chat of how to closes the gap of individuals. The focus is not to appoint a specialist individual to build a boat, TNPA wants a company that has the capacity and the proven track record of the building vessels. (L)
2	Bidder
2	<b>Q2:</b> We are an outsourcing business; we get suppliers to do the work and then we supply to the department. We don't have 15 years' experience, does this mean we are we non-compliant or do we have to subcontract?
	Transnet's Response
	<ul> <li>A2: An answer will be sourced during the meeting or will be responded to with the minutes, (WK)</li> <li>Refer to Annexure C" Briefing Session Deferred Clarifications"</li> </ul>
	<b>Bidder</b> <b>Q:</b> Will bidders be disqualified if they do not provide Primavera, will there be separate portal to submit Primavera and will it only be PDF that need to be submitted on the Transnet portal?
	Transnet's Response A: Bidders can submit a PDF, but on the Primavera or Microsoft project. (MM)
