1. Your picture is of the DBA73-300 BSP which is the BSP threaded version. Your tender asks for the ASA150 flanged version which is DBAF73-300, see attached pictures. We've quoted on what the tender was asking for.   2. We do not have a drawing for a 3" Kamvalok Type or similar adaptor, we only have the specification. See the attached for the specification that was issued with the RFP. 3. The description of the adaptor is on the RFP document and in Section 4: Pricing and Delivery schedule. Please refer Pricing a 1		1. The bidder/s should quote according to the specification.
