2. BACKGROUND

The RFP was published on the 12 February 2025, as per the RFP document briefing session in all four (4) clusters was compulsory. However, in Mafikeng (cluster 1) which was the first site for the compulsory briefing session, the session was disrupted by the residents who introduced themselves to TE representatives as businesspeople of Mafikeng who then demanded that the tender must be published only for Mafikeng residents not in National Treasury website. SAPS representative who arrived in Transnet premises (Mafikeng) advised that the briefing session must be cancelled as they will not be able to remove the instigators in Transnet premises.

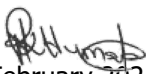

Therefore cluster 1 briefing session was cancelled for tender number TE24-GMX-8DZ-12238 due to the above-mentioned reason.
