

## SECTION 4: PRICING AND DELIVERY SCHEDULE

### NOTES:

- The price reflected below must be fixed and firm. All activities that the vendor will need to source materials, fabricate, delivery and installation must be included in the provided price.
- Any deviation from pricing format shall render bidder nonresponsive, and hence disqualified.
- Normal time is from 07:00 to 16:00 (weekdays)
- Overtime is from 16:00 to 06:59 (After hours during weekdays)
- Sunday and P/H (Public Holidays)
- As a minimum, the price is to include the following:
  - i) Any transportation costs to and from the Port of Richards Bay premises (includes fuel).
  - ii) Labour costs for facilitating the service provision.
  - iii) And any other item of expense which is necessary for the adherence to the requirements of the scope of work.
