

## Purchases at Pier 2

### Motivation for Purchase:

The Durban Container Terminals (Pier 1 and Pier 2) will hold a small-scale celebration event (within the financial perimeters) for the significant milestone of the successful delivery, and commissioning of the straddle carriers and RTGs which the Minister, Transnet Group Executives, TPT CE and key stakeholders will attend. The launch will be held on Thursday, 27 February 2025 from 09H30 – 14H00 at Pier 2 Auditorium for 100 people.

With the heavy downpours that Durban is experiencing this week and the weather forecast is predicting a 55% rain for Thursday, 27 February 2025. It is imperative that we source umbrellas as a mitigation should we experience adverse weather on the day of the event.
