

		Provision of Services for The Fabrication of a new Deflector Wheel & Refurbishment of the old Deflector Wheel at Transnet Port Terminals Maydon Wharf, AgriPort, Durban			
Contractor's Responses (Please respond on each item what you have provided and attached evidence on your bid - e.g. warranty months given, lead time months given) as indicated on the criteria below. Please prepare a file with an index referencing/indicating folders where these returnable are. Haphazardly/non-professionally documented submissions as per the latter requirement will not be considered.					
Evaluation Criteria	Criteria	Description	Submitted Documents	Weight (points)	Scoring Principal
	Proven experience for similar work in the past 5 years.	Supplier to provide Three (3) or more purchase orders with completion certificates from their clients, or signed reference letters on their client letterhead.	Y/N (provided)	40%	Three proof of purchase orders with completion certificates or three signed reference letters = 40 points
		Reference letter to include client name, contact details, project description, delivery lead time and duration (indicate if it was a once off delivery or a contract, include contract period).			Two proof of purchase orders with completion certificates or two signed reference letters = 20 points
		Purchase orders and reference letter must be for the steel fabrication done in the last five (5) years.			One proof of purchase order with completion certificate or one signed reference letter = 10 points
					No proof of purchase order with completion certificate or signed reference letter = 0 points
	Method Statement	Provide a method statement for the execution of the works. The provided method statement is to show the contractor understands the scope and will take all the necessary steps to ensure the work is executed safely and according to the relevant standards and scope of work.	Y/N (provided)	20%	Provided, complete and technically sound, all aspects included = 20 Points Not provided or provided but incomplete or not technically sound, not relative to the Works or all aspects not included = 0 Points
	Warrantee and Guarantee	All replacements/repairs and installations must carry a minimum warrantee and guarantee of 12 months.	Y/N (provided)	20%	12 months or more warrantee and guarantee granted = 20 points 6-12 months warrantee and guarantee granted = 10 points less than 6 months warrantee and guarantee granted = 0 point
	Project Plan/ Delivery (Lead Time)	The service provider must submit a letter committing to the lead-time to complete the project. This should be a signed letter on the company's letter head.	Y/N (provided)	20%	Letter confirming a lead time of 4-5 weeks = 20 points Letter confirming a lead time of 6-7 weeks = 10 Letter confirming a lead time of > 7 weeks = 0
	NB. Technical Qualification Threshold = 80%.				100%
