## Business Background

Durban Container Terminal, Pier 1, utilizes Ship to Shore (STS) for their container operations. The purpose of this work instruction is to procure services from an external Service Provider to provide service for the lift of Ship to Shore (STS) and related port equipment for an accumulated period of 200 hours. The services of the external service provider are to ensure successful execution of planned maintenance activities and major equipment repairs as and when required.

## 1. SCOPE OF WORK:

1.1 This document covers the requirements of Alimak lifts services for STS cranes.

1.2 The scope of work shall include the following but is not limited to:

1.2.1 Execute the works as detailed under section 2 of this document.

## 2. DETAILED REQUIREMENTS:

2.1 Service and perform inspections.

2.2 Grease and lubricate all components.

2.3 Remove all bridges in the electrical panel.

2.4 Clean and clear the working area.

2.5 Report to management once all work has been completed.

## 3. OTHER REQUIREMENTS:

3.1 Only contractors that can demonstrate sufficient recent experience in servicing Alimak lifts for STS Cranes shall be considered.

3.1.1 The contractor must provide sufficient information and references with their response to enable Transnet Port Terminals to determine their level of experience as indicated in Annexure A.

3.1.2 Reference lists shall include addresses as well as contact persons who may be visited for inspection of the equipment during the adjudication period.

- 3.1.3 Transnet Port Terminals will not consider any contractors offer that, in the sole opinion of Transnet Port Terminals, does not have adequate experience and/or adequate equipment to ensure quality in their work.
- 3.1.4 State the lead time from award of purchase order to work completion.

## ANNEXURE A: TRACK RECORD (COMPULSORY RETURNABLE)

Contractors are required to demonstrate sufficient recent experience in the execution of similar works on STS cranes; and to this end shall supply a sufficient detailed comprehensive reference list with details of similar works executed on STS Cranes in the past two (2) years.

| #  | Name of Previous Customer | Contact details | Details of work executed | Year |
|----|---------------------------|-----------------|--------------------------|------|
| 1  |                           |                 |                          |      |
| 2  |                           |                 |                          |      |
| 3  |                           |                 |                          |      |
| 4  |                           |                 |                          |      |
| 5  |                           |                 |                          |      |
| 6  |                           |                 |                          |      |
| 7  |                           |                 |                          |      |
| 8  |                           |                 |                          |      |
| 9  |                           |                 |                          |      |
| 10 |                           |                 |                          |      |
