CLOSING DATE	14:00pm on (2025/10/14) Tenderers must ensure that tenders are uploaded timeously onto the system. If a tender is late, it will not be accepted for consideration.

2. TENDER SUBMISSION

Transnet has implemented a new electronic tender submission system, the e-Tender Submission Portal, in line with the overall Transnet digitalization strategy where suppliers can view advertised tenders, register their information, log their intent to respond to bids and upload their bid proposals/responses on to the system.

a) The Transnet e-Tender Submission Portal can be accessed as follows:

Log on to the Transnet eTenders management platform website (<https://transnetetenders.azurewebsites.net>);

- Click on "ADVERTISED TENDERS" to view advertised tenders;
 - Click on "SIGN IN/REGISTER – for bidder to register their information (must fill in all mandatory information);
 - Click on "SIGN IN/REGISTER" - to sign in if already registered;
 - Toggle (click to switch) the "Log an Intent" button to submit a bid;
 - Submit bid documents by uploading them into the system against each tender selected.
 - **Tenderers are required to ensure that electronic bid submissions are done at least a day before the closing date to prevent issues which they may encounter due to their internet speed, bandwidth or the size of the number of uploads they are submitting. Transnet will not be held liable for any challenges experienced by bidders as a result of the technical challenges. Please do not wait for the last hour to submit. A Tenderer can upload 30mb per upload and multiple uploads are permitted.**
- b) Each company must register its profile using its company details and use the corresponding registered profile to log an intent to bid as well as submitting any bid.
- c) Transnet will not accept a bid or will disqualify a bidder who submits a bid in the Transnet e-tender submission through another bidders'/Company's profile. In other words, each bidder must register the intent to bid and submit its bid through its own profile under the same company name that will eventually bid for the tender. No company shall submit a bid on behalf of another company regardless of the company being a subsidiary or holding company.
- d) In case of a Joint Venture, any of the parties/companies to the Joint Venture may use its registered profile to submit a bid on behalf of the Joint Venture.
- e) The tender offers to this tender will be opened as soon as possible after the closing date and time. Transnet shall not, at the opening of tenders, disclose to any other company any confidential details pertaining to the Tender Offers / information received, i.e. pricing, delivery, etc. The names and locations of the Tenderers will be divulged to other Tenderers upon request.
- f) Submissions must not contain documents relating to any Tender other than that shown on the submission.

3. CONFIDENTIALITY

All information related to this RFP is to be treated with strict confidentiality. In this regard Tenderers are required to certify that they have acquainted themselves with the Non-Disclosure Agreement. All information related to a subsequent contract, both during and after completion thereof, will be treated with strict confidence. Should the need however arise to divulge any information gleaned from provision of the Works, which is either directly or indirectly related to Transnet's business, written approval to divulge such information must be obtained from Transnet.

4. DISCLAIMERS

Tenderers are hereby advised that Transnet is not committed to any course of action as a result of its issuance of this Tender and/or its receipt of a tender offer. In particular, please note that Transnet reserves the right to:

- 4.1. Award the business to the highest scoring Tenderer/s unless objective criteria justify the award to another tenderer.
- 4.2. Not necessarily accept the lowest priced tender or an alternative Tender;
- 4.3. Go to the open market if the quoted rates (for award of work) are deemed unreasonable;
- 4.4. Should the Tenderers be awarded business on strength of information furnished by the Tenderer, which after conclusion of the contract is proved to have been incorrect, Transnet reserves the right to terminate the contract;
- 4.5. Request audited financial statements or other documentation for the purposes of a due diligence exercise;
- 4.6. Not accept any changes or purported changes by the Tenderer to the tender rates after the closing date;
- 4.7. Verify any information supplied by a Tenderer by submitting a tender, the Tenderer/s hereby irrevocably grant the necessary consent to the Transnet to do so;
- 4.8. Conduct the evaluation process in parallel. The evaluation of Tenderers at any given stage must therefore not be interpreted to mean that Tenderers have necessarily passed any previous stage(s);
- 4.9. Unless otherwise expressly stated, each tender lodged in response to the invitation to tender shall be deemed to be an offer by the Tenderer. The Employer has the right in its sole and unfettered discretion not to accept any offer.
- 4.10. Not be held liable if tenderers do not provide the correct contact details during the clarification session and do not receive the latest information regarding this RFP with the possible consequence of being disadvantaged or disqualified as a result thereof.

- 4.11. Transnet reserves the right to exclude any Tenderers from the tender process who has been convicted of a serious breach of law during the preceding 5 [five] years including but not limited to breaches of the Competition Act 89 of 1998, as amended. Tenderers are required to indicate in tender returnable on T2.2-12, **[Breach of Law]** whether or not they have been found guilty of a serious breach of law during the past 5 [five] years.
- 4.12. Transnet reserves the right to perform a risk analysis on the preferred tenderer to ascertain if any of the following might present an unacceptable commercial risk to the employer:
- *unduly high or unduly low tendered rates or amounts in the tender offer;*
 - *contract data of contract provided by the tenderer; or*
 - *the contents of the tender returnables which are to be included in the contract.*

Transnet will not reimburse any Tenderer for any preparatory costs or other work performed in connection with this Tender, whether or not the Tenderer is awarded a contract.

5. NATIONAL TREASURY'S CENTRAL SUPPLIER DATABASE

Tenderer are required to self-register on National Treasury's Central Supplier Database (CSD) which has been established to centrally administer supplier information for all organs of state and facilitate the verification of certain key supplier information. The CSD can be accessed at <https://secure.csd.gov.za/>. Tenderer are required to provide the following to Transnet in order to enable it to verify information on the CSD:

PREFERENCE POINTS CLAIM FORM

This preference form must form part of all bids invited. It contains general information and serves as a claim for preference points for Broad-Based Black Economic Empowerment [B-BBEE] Status Level of Contribution.

Transnet will award preference points to companies who provide valid proof of their B-BBEE status using either the latest version of the generic Codes of Good Practice or Sector Specific Codes (if applicable).

1. GENERAL CONDITIONS

- 1.1 The following preference point systems are applicable to all bids:
- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
 - the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).
- 1.2 The value of this bid is estimated to not exceed R50 000 000 (all applicable taxes included) and therefore the 80/20 preference point system shall be applicable. Despite the stipulated preference point system, Transnet shall use the lowest acceptable bid to determine the applicable preference point system in a situation where all received acceptable bids are received outside the stated preference point system.
- 1.3 Preference points for this bid shall be awarded for:
- (a) Price; and
 - (b) B-BBEE Status Level of Contribution.
- 1.4 The maximum points for this bid are allocated as follows:

	POINTS
PRICE	80
B-BBEE LEVEL OF CONTRIBUTOR (1 OR 2)	10
THE PROMOTION OF ENTERPRISES LOCATED IN THE SALDANHA BAY MUNICIPALITY AREA FOR WORK TO BE DONE OR SERVICES TO BE RENDERED IN THAT PROVINCE.	10
Total points for Price and B-BBEE must not exceed	100

- 1.5 Failure on the part of a bidder to submit proof of B-BBEE status level of contributor together with the bid will be interpreted to mean that preference points for B-BBEE status level of contribution are not claimed.
- 1.6 The purchaser reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the purchaser.

2. DEFINITIONS

- (a) **"all applicable taxes"** includes value-added tax, pay as you earn, income tax, unemployment insurance fund contributions and skills development levies;
- (b) **"B-BBEE"** means broad-based black economic empowerment as defined in section 1 of the Broad-Based Black Economic Empowerment Act;
- (c) **"B-BBEE status level of contributor"** means the B-BBEE status received by a measured entity based on its overall performance using the relevant scorecard contained in the Codes of Good Practice on Black Economic Empowerment, issued in terms of section 9(1) of the Broad-Based Black Economic Empowerment Act;
- (d) **"bid"** means a written offer in a prescribed or stipulated form in response to an invitation by an organ of state for the supply/provision of services, works or goods, through price quotations, advertised competitive bidding processes or proposals;
- (e) **"Broad-Based Black Economic Empowerment Act"** means the Broad-Based Black Economic Empowerment Act, 2003 (Act No. 53 of 2003);
- (f) **"EME"** means an Exempted Micro Enterprise as defines by Codes of Good Practice under section 9 (1) of the Broad-Based Black Economic Empowerment Act, 2003 (Act No. 53 of 2003);
- (g) **"functionality"** means the ability of a bidder to provide goods or services in accordance with specification as set out in the bid documents
- (h) **"Price"** includes all applicable taxes less all unconditional discounts.
- (i) **"Proof of B-BBEE Status Level of Contributor"**
 - i) the B-BBBEE status level certificate issued by an authorised body or person;
 - ii) a sworn affidavit as prescribed by the B-BBEE Codes of Good Practice; or
 - iii) any other requirement prescribed in terms of the B-BBEE Act.
- (j) **"QSE"** means a Qualifying Small Enterprise as defines by Codes of Good Practice under section 9 (1) of the Broad-Based Black Economic Empowerment Act, 2003 (Act No. 53 of 2003);
- (k) **"rand value"** means the total estimated value of a contract in South African currency, calculated at the time of bid invitations, and includes all applicable taxes and excise duties.

3. POINTS AWARDED FOR PRICE

3.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 points is allocated for price on the following basis:
80/20

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

- P_s = Points scored for comparative price of bid under consideration
- P_t = Comparative price of bid under consideration
- $P_{\min}$ = Comparative price of lowest acceptable bid

4. POINTS AWARDED FOR B-BBEE STATUS LEVEL OF CONTRIBUTION

- 4.1 preference points must be awarded to a bidder for attaining the B-BBEE status level of contribution in accordance with the table below:

B-BBEE Status Level of Contributor	Number of points (80/20 system)
1	20
2	18
3	14
4	12
5	8
6	6
7	4
8	2
Non-compliant contributor	0

- 4.2 The table below indicates the required proof of B-BBEE status depending on the category of enterprises:

Enterprise	B-BBEE Certificate & Sworn Affidavit
Large	Certificate issued by SANAS accredited verification agency
QSE	Certificate issued by SANAS accredited verification agency Sworn Affidavit signed by the authorised QSE representative and attested by a Commissioner of Oaths confirming annual turnover and black ownership (only black-owned QSEs - 51% to 100% Black owned) [Sworn affidavits must substantially comply with the format that can be obtained on the DTI's website at www.dti.gov.za/economic_empowerment/bee_codes.jsp.]
EME¹	Sworn Affidavit signed by the authorised EME representative and attested by a Commissioner of Oaths confirming annual turnover and black ownership Certificate issued by CIPC (formerly CIPRO) confirming annual turnover and black ownership Certificate issued by SANAS accredited verification agency only if the EME is being measured on the QSE scorecard

¹ In terms of the Implementation Guide: Preferential Procurement Regulations, 2017, Version 2, paragraph 11.11 provides that in the Transport Sector, EMEs can provide a letter from accounting officer or get verified and be issued with a B-BBEE certificate by SANAS accredited professional or agency as the Transport Sector Code has not been aligned to the generic Codes. EMEs in the Transport Sector are not allowed to provide a sworn affidavit as the generic codes are not applicable to them.

- 4.3 A trust, consortium or joint venture (including unincorporated consortia and joint ventures) must submit a consolidated B-BBEE Status Level verification certificate for every separate bid.
- 4.4 Tertiary Institutions and Public Entities will be required to submit their B-BBEE status level certificates in terms of the specialized scorecard contained in the B-BBEE Codes of Good Practice.
- 4.5 A person will not be awarded points for B-BBEE status level if it is indicated in the bid documents that such a bidder intends sub-contracting more than 25% of the value of the contract to any other enterprise that does not qualify for at least the points that such a bidder qualifies for, unless the intended sub-contractor is an EME that has the capability and ability to execute the sub-contract.
- 4.6 A person awarded a contract may not sub-contract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned, unless the contract is sub-contracted to an EME that has the capability and ability to execute the sub-contract.
- 4.7 Bidders are to note that the rules pertaining to B-BBEE verification and other B-BBEE requirements may be changed from time to time by regulatory bodies such as National Treasury or the DTI. It is the Bidder's responsibility to ensure that his/her bid complies fully with all B-BBEE requirements at the time of the submission of the bid.

WHEREAS

Transnet and the Company wish to exchange Information [as defined below] and it is envisaged that each party may from time to time receive Information relating to the other in respect thereof. In consideration of each party making available to the other such Information, the parties jointly agree that any dealings between them shall be subject to the terms and conditions of this Agreement which themselves will be subject to the parameters of the Tender Document.

IT IS HEREBY AGREED

1. INTERPRETATION

In this Agreement:

- 1.1 **Agents** mean directors, officers, employees, agents, professional advisers, contractors or sub-contractors, or any Group member;
- 1.2 **Bid or Bid Document** (hereinafter Tender) means Transnet's Request for Information [**RFI**] Request for Proposal [**RFP**] or Request for Quotation [**RFQ**], as the case may be;

- 1.3 **Confidential Information** means any information or other data relating to one party [the **Disclosing Party**] and/or the business carried on or proposed or intended to be carried on by that party and which is made available for the purposes of the Bid to the other party [the **Receiving Party**] or its Agents by the Disclosing Party or its Agents or recorded in agreed minutes following oral disclosure and any other information otherwise made available by the Disclosing Party or its Agents to the Receiving Party or its Agents, whether before, on or after the date of this Agreement, and whether in writing or otherwise, including any information, analysis or specifications derived from, containing or reflecting such information but excluding information which:
- 1.3.1 is publicly available at the time of its disclosure or becomes publicly available [other than as a result of disclosure by the Receiving Party or any of its Agents contrary to the terms of this Agreement]; or
 - 1.3.2 was lawfully in the possession of the Receiving Party or its Agents [as can be demonstrated by its written records or other reasonable evidence] free of any restriction as to its use or disclosure prior to its being so disclosed; or
 - 1.3.3 following such disclosure, becomes available to the Receiving Party or its Agents [as can be demonstrated by its written records or other reasonable evidence] from a source other than the Disclosing Party or its Agents, which source is not bound by any duty of confidentiality owed, directly or indirectly, to the Disclosing Party in relation to such information;
- 1.4 **Group** means any subsidiary, any holding company and any subsidiary of any holding company of either party; and
- 1.5 **Information** means all information in whatever form including, without limitation, any information relating to systems, operations, plans, intentions, market opportunities, know-how, trade secrets and business affairs whether in writing, conveyed orally or by machine-readable medium.

2. CONFIDENTIAL INFORMATION

- 2.1 All Confidential Information given by one party to this Agreement [the **Disclosing Party**] to the other party [the **Receiving Party**] will be treated by the Receiving Party as secret and confidential and will not, without the Disclosing Party's written consent, directly or indirectly communicate or disclose [whether in writing or orally or in any other manner] Confidential Information to any other person other than in accordance with the terms of this Agreement.
- 2.2 The Receiving Party will only use the Confidential Information for the sole purpose of technical and commercial discussions between the parties in relation to the Tender or for the subsequent performance of any contract between the parties in relation to the Tender.
- 2.3 Notwithstanding clause 2.1 above, the Receiving Party may disclose Confidential Information:

- 2.3.1 to those of its Agents who strictly need to know the Confidential Information for the sole purpose set out in clause 2.2 above, provided that the Receiving Party shall ensure that such Agents are made aware prior to the disclosure of any part of the Confidential Information that the same is confidential and that they owe a duty of confidence to the Disclosing Party. The Receiving Party shall at all times remain liable for any actions of such Agents that would constitute a breach of this Agreement; or
- 2.3.2 to the extent required by law or the rules of any applicable regulatory authority, subject to clause 2.4 below.
- 2.4 In the event that the Receiving Party is required to disclose any Confidential Information in accordance with clause 2.3.2 above, it shall promptly notify the Disclosing Party and cooperate with the Disclosing Party regarding the form, nature, content and purpose of such disclosure or any action which the Disclosing Party may reasonably take to challenge the validity of such requirement.

- 2.5 In the event that any Confidential Information shall be copied, disclosed or used otherwise than as permitted under this Agreement then, upon becoming aware of the same, without prejudice to any rights or remedies of the Disclosing Party, the Receiving Party shall as soon as practicable notify the Disclosing Party of such event and if requested take such steps [including the institution of legal proceedings] as shall be necessary to remedy [if capable of remedy] the default and/or to prevent further unauthorised copying, disclosure or use.
- 2.6 All Confidential Information shall remain the property of the Disclosing Party and its disclosure shall not confer on the Receiving Party any rights, including intellectual property rights over the Confidential Information whatsoever, beyond those contained in this Agreement.

3. RECORDS AND RETURN OF INFORMATION

- 3.1 The Receiving Party agrees to ensure proper and secure storage of all Information and any copies thereof.
- 3.2 The Receiving Party shall keep a written record, to be supplied to the Disclosing Party upon request, of the Confidential Information provided and any copies made thereof and, so far as is reasonably practicable, of the location of such Confidential Information and any copies thereof.
- 3.3 The Company shall, within 7 [seven] days of receipt of a written demand from Transnet:
- 3.3.1 return all written Confidential Information [including all copies]; and
- 3.3.2 expunge or destroy any Confidential Information from any computer, word processor or other device whatsoever into which it was copied, read or programmed by the Company or on its behalf.
- 3.4 The Company shall on request supply a certificate signed by a director as to its full compliance with the requirements of clause 3.3.2 above.

4. ANNOUNCEMENTS

- 4.1 Neither party will make or permit to be made any announcement or disclosure of its prospective interest in the Tender without the prior written consent of the other party.
- 4.2 Neither party shall make use of the other party's name, or any information acquired through its dealings with the other party for publicity or marketing purposes without the prior written consent of the other party.

5. DURATION

The obligations of each party and its Agents under this Agreement shall survive the termination of any discussions or negotiations between the parties regarding the Tender and continue thereafter for a period of 5 [five] years.

6. PRINCIPAL

Each party confirms that it is acting as principal and not as nominee, agent or broker for any other person and that it will be responsible for any costs incurred by it or its advisers in considering or pursuing the Tender and in complying with the terms of this Agreement.

7. ADEQUACY OF DAMAGES

Nothing contained in this Agreement shall be construed as prohibiting the Disclosing Party from pursuing any other remedies available to it, either at law or in equity, for any such threatened or actual breach of this Agreement, including specific performance, recovery of damages or otherwise.

8. PRIVACY AND DATA PROTECTION

- 8.1 The Receiving Party undertakes to comply with South Africa's general privacy protection in terms Section 14 of the Bill of Rights in connection with this Tender and shall procure that its personnel shall observe the provisions of such Act [as applicable] or any amendments and re-enactments thereof and any regulations made pursuant thereto.
- 8.2 The Receiving Party warrants that it and its Agents have the appropriate technical and organisational measures in place against unauthorised or unlawful processing of data relating to the Tender and against accidental loss or destruction of, or damage to such data held or processed by them.

9. GENERAL

- 9.1 Neither party may assign the benefit of this Agreement, or any interest hereunder, except with the prior written consent of the other, save that Transnet may assign this Agreement at any time to any member of the Transnet Group.
- 9.2 No failure or delay in exercising any right, power or privilege under this Agreement will operate as a waiver of it, nor will any single or partial exercise of it preclude any further exercise or the exercise of any right, power or privilege under this Agreement or otherwise.
- 9.3 The provisions of this Agreement shall be severable in the event that any of its provisions are held by a court of competent jurisdiction or other applicable authority to be invalid, void or otherwise unenforceable, and the remaining provisions shall remain enforceable to the fullest extent permitted by law.
- 9.4 This Agreement may only be modified by a written agreement duly signed by persons authorised on behalf of each party.
- 9.5 Nothing in this Agreement shall constitute the creation of a partnership, joint venture or agency between the parties.
- 9.6 This Agreement will be governed by and construed in accordance with South African law and the parties irrevocably submit to the exclusive jurisdiction of the South African courts.

T2.2-13 Certificate of Acquaintance with Tender Documents

NAME OF TENDERING ENTITY:

1. By signing this certificate I/we acknowledge that I/we have made myself/ourselves thoroughly familiar with, and agree with all the conditions governing this RFP. This includes those terms and conditions of the Contract, the Supplier Integrity Pact, Non-Disclosure Agreement etc. contained in any printed form stated to form part of the documents thereof, but not limited to those listed in this clause.
2. I/we furthermore agree that Transnet SOC Ltd shall recognise no claim from me/us for relief based on an allegation that I/we overlooked any tender/contract condition or failed to take it into account for the purpose of calculating my/our offered prices or otherwise.
3. I/we understand that the accompanying Tender will be disqualified if this Certificate is found not to be true and complete in every respect.
4. For the purposes of this Certificate and the accompanying Tender, I/we understand that the word "competitor" shall include any individual or organisation, other than the Tenderer, whether or not affiliated with the Tenderer, who:
 - a) has been requested to submit a Tender in response to this Tender invitation;
 - b) could potentially submit a Tender in response to this Tender invitation, based on their qualifications, abilities or experience; and
 - c) provides the same Services as the Tenderer and/or is in the same line of business as the Tenderer
5. The Tenderer has arrived at the accompanying Tender independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium will not be construed as collusive Tendering.
6. In particular, without limiting the generality of paragraph 5 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - a) prices;
 - b) geographical area where Services will be rendered [market allocation]
 - c) methods, factors or formulas used to calculate prices;
 - d) the intention or decision to submit or not to submit, a Tender;

-
- e) the submission of a tender which does not meet the specifications and conditions of the tender; or
- f) Tendering with the intention not winning the tender.
7. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the Services to which this tender relates.
8. The terms of the accompanying tender have not been, and will not be, disclosed by the Tenderer, directly or indirectly, to any competitor, prior to the date and time of the official tender opening or of the awarding of the contract.
9. I/We am/are aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to tenders and contracts, tenders that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and/or may be reported to the National Prosecuting Authority [NPA] for criminal investigation. In addition, Tenderers that submit suspicious tenders may be restricted from conducting business with the public sector for a period not exceeding 10 [ten] years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

T2.2-14 Service Provider Integrity Pact

Important Note: All potential tenderers must read this document and certify in the RFP Declaration Form that they have acquainted themselves with and agree with the content.

The contract with the successful tenderer will automatically incorporate this Integrity Pact and shall be deemed as part of the final concluded contract.

INTEGRITY PACT

Between

TRANSNET SOC LTD

Registration Number: 1990/000900/30

("Transnet")

and

The Contractor (hereinafter referred to as the "Tenderer/Service Providers/Contractor")

PREAMBLE

Transnet values full compliance with all relevant laws and regulations, ethical standards and the principles of economical use of resources, fairness and transparency in its relations with its Tenderers/Service Providers/Contractors.

In order to achieve these goals, Transnet and the Tenderer/Service Provider/Contractor hereby enter into this agreement hereinafter referred to as the "Integrity Pact" which will form part of the Tenderer's/Service Provider's/Contractor's application for registration with Transnet as a vendor.

The general purpose of this Integrity Pact is to agree on avoiding all forms of dishonesty, fraud and corruption by following a system that is fair, transparent and free from any undue influence prior to, during and subsequent to the currency of any procurement and/or reverse logistics event and any further contract to be entered into between the Parties, relating to such event.

All Tenderers/Service Providers/Contractor's will be required to sign and comply with undertakings contained in this Integrity Pact, should they want to be registered as a Transnet vendor.

1 OBJECTIVES

- 1.1 Transnet and the Tenderer/Service Provider/Contractor agree to enter into this Integrity Pact, to avoid all forms of dishonesty, fraud and corruption including practices that are anti-competitive in nature, negotiations made in bad faith and under-pricing by following a system that is fair, transparent and free from any influence/unprejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:
 - a) Enable Transnet to obtain the desired contract at a reasonable and competitive price in conformity to the defined specifications of the works, goods and services; and
 - b) Enable Tenderers/Service Providers/Contractors to abstain from bribing or participating in any corrupt practice in order to secure the contract.

2 COMMITMENTS OF TRANSNET

Transnet commits to take all measures necessary to prevent dishonesty, fraud and corruption and to observe the following principles:

- 2.1 Transnet hereby undertakes that no employee of Transnet connected directly or indirectly with the sourcing event and ensuing contract, will demand, take a promise for or accept directly or through intermediaries any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the Tenderer, either for themselves or for any person, organisation or third party related to the contract in exchange for an advantage in the tendering process, Tender evaluation, contracting or implementation process related to any contract.
- 2.2 Transnet will, during the registration and tendering process treat all Tenderers/ Service Providers/Contractor with equity, transparency and fairness. Transnet will in particular, before and during the registration process, provide to all Tenderers/ Service Providers/Contractors the same information and will not provide to any Tenderers/Service Providers/Contractors confidential/additional information through

which the Tenderers/Service Providers/Contractors could obtain an advantage in relation to any tendering process.

2.3 Transnet further confirms that its employees will not favour any prospective Tenderers/Service Providers/Contractors in any form that could afford an undue advantage to a particular Tenderer during the tendering stage and will further treat all Tenderers/Service Providers/Contractors participating in the tendering process in a fair manner.

2.4 Transnet will exclude from the tender process such employees who have any personal interest in the Tenderers/Service Providers/Contractors participating in the tendering process.

3 OBLIGATIONS OF THE TENDERER / SERVICE PROVIDER

3.1 Transnet has a '**Zero Gifts**' Policy. No employee is allowed to accept gifts, favours or benefits.

- a) Transnet officials and employees **shall not** solicit, give or accept, or from agreeing to solicit, give, accept or receive directly or indirectly, any gift, gratuity, favour, entertainment, loan, or anything of monetary value, from any person or juridical entities in the course of official duties or in connection with any operation being managed by, or any transaction which may be affected by the functions of their office.
- b) Transnet officials and employees **shall not** solicit or accept gifts of any kind, from vendors, suppliers, customers, potential employees, potential vendors, and suppliers, or any other individual or organisation irrespective of the value.
- c) Under **no circumstances** should gifts, business courtesies or hospitality packages be accepted from or given to prospective suppliers participating in a tender process at the respective employee's Operating Division, regardless of retail value.
- d) Gratuities, bribes or kickbacks of any kind must never be solicited, accepted or offered, either directly or indirectly. This includes money, loans, equity, special privileges, personal favours, benefit or services. Such favours will be considered to constitute corruption.

3.2 The Tenderer/Service Provider/Contractor commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its Tender or during any ensuing contract stage in order to secure the contract or in furtherance to secure it and in particular the Tenderer/Service Provider/Contractor commits to the following:

- a) The Tenderer/Service Provider/Contractor will not, directly or through any other person or firm, offer, promise or give to Transnet or to any of Transnet's employees involved in the tendering process or to any third person any material or other benefit or payment, in order to obtain in exchange an advantage during the tendering process; and
- b) The Tenderer/Service Provider/Contractor will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or

immaterial benefit or other advantage, commission, fees, brokerage or inducement to any employee of Transnet, connected directly or indirectly with the tendering process, or to any person, organisation or third party related to the contract in exchange for any advantage in the tendering, evaluation, contracting and implementation of the contract.

- 3.3 The Tenderer/Service Provider/Contractor will not collude with other parties interested in the contract to preclude a competitive Tender price, impair the transparency, fairness and progress of the tendering process, Tender evaluation, contracting and implementation of the contract. The Tenderer / Service Provider further commits itself to delivering against all agreed upon conditions as stipulated within the contract.
- 3.4 The Tenderer/Service Provider/Contractor will not enter into any illegal or dishonest agreement or understanding, whether formal or informal with other Tenderers/Service Providers/Contractors. This applies in particular to certifications, submissions or non-submission of documents or actions that are restrictive or to introduce cartels into the tendering process.
- 3.5 The Tenderer/Service Provider/Contractor will not commit any criminal offence under the relevant anti-corruption laws of South Africa or any other country. Furthermore, the Tenderer/Service Provider/Contractor will not use for illegitimate purposes or for restrictive purposes or personal gain, or pass on to others, any information provided by Transnet as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- 3.6 A Tenderer/Service Provider/Contractor of foreign origin shall disclose the name and address of its agents or representatives in South Africa, if any, involved directly or indirectly in the registration or tendering process. Similarly, the Tenderer / Service Provider / Contractor of South African nationality shall furnish the name and address of the foreign principals, if any, involved directly or indirectly in the registration or tendering process.
- 3.7 The Tenderer/Service Provider/Contractor will not misrepresent facts or furnish false or forged documents or information in order to influence the tendering process to the advantage of the Tenderer/Service Provider/Contractor or detriment of Transnet or other competitors.
- 3.8 Transnet may require the Tenderer/Service Provider/Contractor to furnish Transnet with a copy of its code of conduct. Such code of conduct must address the compliance programme for the implementation of the code of conduct and reject the use of bribes and other dishonest and unethical conduct.
- 3.9 The Tenderer/Service Provider/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 3.10 The Tenderer/Service Provider/Contractor confirms that they will uphold the ten principles of the United Nations Global Compact (UNGC) in the fields of Human Rights,

Labour, Anti-Corruption and the Environment when undertaking business with Transnet as follows:

a) Human Rights

- Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and
- Principle 2: make sure that they are not complicit in human rights abuses.

b) Labour

- Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
- Principle 4: the elimination of all forms of forced and compulsory labour;
- Principle 5: the effective abolition of child labour; and
- Principle 6: the elimination of discrimination in respect of employment and occupation.

c) Environment

- Principle 7: Businesses should support a precautionary approach to environmental challenges;
- Principle 8: undertake initiatives to promote greater environmental responsibility; and
- Principle 9: encourage the development and diffusion of environmentally friendly technologies.

d) Anti-Corruption

- Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.

4 INDEPENDENT TENDERING

4.1 For the purposes of that Certificate in relation to any submitted Tender, the Tenderer declares to fully understand that the word "competitor" shall include any individual or organisation, other than the Tenderer, whether or not affiliated with the Tenderer, who:

- a) has been requested to submit a Tender in response to this Tender invitation;
- b) could potentially submit a Tender in response to this Tender invitation, based on their qualifications, abilities or experience; and
- c) provides the same Goods and Services as the Tenderer and/or is in the same line of business as the Tenderer.

4.2 The Tenderer has arrived at his submitted Tender independently from, and without consultation, communication, agreement or arrangement with any competitor. However

communication between partners in a joint venture or consortium will not be construed as collusive tendering.

- 4.3 In particular, without limiting the generality of paragraph 5 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
- a) prices;
 - b) geographical area where Goods or Services will be rendered [market allocation];
 - c) methods, factors or formulas used to calculate prices;
 - d) the intention or decision to submit or not to submit, a Tender;
 - e) the submission of a Tender which does not meet the specifications and conditions of the RFP; or
 - f) tendering with the intention of not winning the Tender.
- 4.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the Goods or Services to which his/her tender relates.
- 4.5 The terms of the Tender as submitted have not been, and will not be, disclosed by the Tenderer, directly or indirectly, to any competitor, prior to the date and time of the official Tender opening or of the awarding of the contract.
- 4.6 Tenderers are aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to Tenders and contracts, Tenders that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and/or may be reported to the National Prosecuting Authority [NPA] for criminal investigation and/or may be restricted from conducting business with the public sector for a period not exceeding 10 [ten] years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
- 4.7 Should the Tenderer find any terms or conditions stipulated in any of the relevant documents quoted in the Tender unacceptable, it should indicate which conditions are unacceptable and offer alternatives by written submission on its company letterhead, attached to its submitted Tender. Any such submission shall be subject to review by Transnet's Legal Counsel who shall determine whether the proposed alternative(s) are acceptable or otherwise, as the case may be.

5 DISQUALIFICATION FROM TENDERING PROCESS

- 5.1 If the Tenderer/Service Provider/Contractor has committed a transgression through a violation of section 3 of this Integrity Pact or in any other form such as to put its reliability or credibility as a Tenderer/Service Provider/Contractor into question, Transnet may reject the Tenderer's / Service Provider's / Contractor's application from the registration or tendering process and remove the Tenderer/Service Provider/Contractor from its database, if already registered.

- 5.2 If the Tenderer/Service Provider/Contractor has committed a transgression through a violation of section 3, or any material violation, such as to put its reliability or credibility into question. Transnet may after following due procedures and at its own discretion also exclude the Tenderer/Service Provider /Contractor from future tendering processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, which will include amongst others the number of transgressions, the position of the transgressors within the company hierarchy of the Tenderer/Service Provider/Contractor and the amount of the damage. The exclusion will be imposed for up to a maximum of 10 (ten) years. However, Transnet reserves the right to impose a longer period of exclusion, depending on the gravity of the misconduct.
- 5.3 If the Tenderer/Service Provider/Contractor can prove that it has restored the damage caused by it and has installed a suitable corruption prevention system, or taken other remedial measures as the circumstances of the case may require, Transnet may at its own discretion revoke the exclusion or suspend the imposed penalty.

6 TRANSNET'S LIST OF EXCLUDED TENDERERS (BLACKLIST)

- 6.1 The process of restriction is used to exclude a company/person from conducting future business with Transnet and other organs of state for a specified period. No Tender shall be awarded to a Tenderer whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. Transnet reserves the right to withdraw an award, or cancel a contract concluded with a Tenderer should it be established, at any time, that a tenderer has been restricted with National Treasury by another government institution.
- 6.2 All the stipulations on Transnet's restriction process as laid down in Transnet's Supply Chain Policy and Procurement Procedures Manual (CPM included) are included herein by way of reference. Below follows a condensed summary of this restriction procedure.
- 6.3 On completion of the restriction procedure, Transnet will submit the restricted entity's details (including the identity number of the individuals and registration number of the entity) to National Treasury for placement on National Treasury's Database of Restricted Suppliers for the specified period of exclusion. National Treasury will make the final decision on whether to restrict an entity from doing business with any organ of state for a period not exceeding 10 years and place the entity concerned on the Database of Restricted Suppliers published on its official website.
- 6.4 The decision to restrict is based on one of the grounds for restriction. The standard of proof to commence the restriction process is whether a "*prima facie*" (i.e. on the face of it) case has been established.
- 6.5 Depending on the seriousness of the misconduct and the strategic importance of the Goods/Services, in addition to restricting a company/person from future business, Transnet may decide to terminate some or all existing contracts with the company/person as well.

- 6.6 A Service Provider or Contractor to Transnet may not subcontract any portion of the contract to a blacklisted company.
- 6.7 Grounds for blacklisting include: If any person/Enterprise which has submitted a Tender, concluded a contract, or, in the capacity of agent or subcontractor, has been associated with such Tender or contract:
- a) Has, in bad faith, withdrawn such Tender after the advertised closing date and time for the receipt of Tenders;
 - b) has, after being notified of the acceptance of his Tender, failed or refused to sign a contract when called upon to do so in terms of any condition forming part of the Tender documents;
 - c) has carried out any contract resulting from such Tender in an unsatisfactory manner or has breached any condition of the contract;
 - d) has offered, promised or given a bribe in relation to the obtaining or execution of the contract;
 - e) has acted in a fraudulent or improper manner or in bad faith towards Transnet or any Government Department or towards any public body, Enterprise or person;
 - f) has made any incorrect statement in a certificate or other communication with regard to the Local Content of his Goods or his B-BBEE status and is unable to prove to the satisfaction of Transnet that:
 - (i) he made the statement in good faith honestly believing it to be correct; and
 - (ii) before making such statement he took all reasonable steps to satisfy himself of its correctness;
 - g) caused Transnet damage, or to incur costs in order to meet the contractor's requirements and which could not be recovered from the contractor;
 - h) has litigated against Transnet in bad faith.
- 6.8 Grounds for blacklisting include a company/person recorded as being a company or person prohibited from doing business with the public sector on National Treasury's database of Restricted Service Providers or Register of Tender Defaulters.
- 6.9 Companies associated with the person/s guilty of misconduct (i.e. entities owned, controlled or managed by such persons), any companies subsequently formed by the person(s) guilty of the misconduct and/or an existing company where such person(s) acquires a controlling stake may be considered for blacklisting. The decision to extend the blacklist to associated companies will be at the sole discretion of Transnet.

7 PREVIOUS TRANSGRESSIONS

- 7.1 The Tenderer/Service Provider/Contractor hereby declares that no previous transgressions resulting in a serious breach of any law, including but not limited to, corruption, fraud, theft, extortion and contraventions of the Competition Act 89 of 1998, which occurred in the last 5 (five) years with any other public sector undertaking, government department or private sector company that could justify its exclusion from its registration on the Tenderer's/Service Provider's/Contractor's database or any tendering process.
- 7.2 If it is found to be that the Tenderer/Service Provider/Contractor made an incorrect statement on this subject, the Tenderer/Service Provider/Contractor can be rejected from the registration process or removed from the Tenderer/ Service Provider/Contractor database, if already registered, for such reason (refer to the Breach of Law Returnable Form contained in the document.)

8 SANCTIONS FOR VIOLATIONS

- 8.1 Transnet shall also take all or any one of the following actions, wherever required to:
- a) Immediately exclude the Tenderer/Service Provider/Contractor from the tendering process or call off the pre-contract negotiations without giving any compensation the Tenderer/Service Provider/Contractor. However, the proceedings with the other Tenderer/ Service Provider/Contractor may continue;
 - b) Immediately cancel the contract, if already awarded or signed, without giving any compensation to the Tenderer/Service Provider/Contractor;
 - c) Recover all sums already paid by Transnet;
 - d) Encash the advance bank guarantee and performance bond or warranty bond, if furnished by the Tenderer/Service Provider/Contractor, in order to recover the payments, already made by Transnet, along with interest;
 - e) Cancel all or any other contracts with the Tenderer/Service Provider/Contractor; and
 - f) Exclude the Tenderer/ Service Provider/Contractor from entering into any Tender with Transnet in future.

9 CONFLICTS OF INTEREST

- 9.1 A conflict of interest includes, inter alia, a situation in which:
- a) A Transnet employee has a personal financial interest in a tendering / supplying entity; and
 - b) A Transnet employee has private interests or personal considerations or has an affiliation or a relationship which affects, or may affect, or may be perceived to affect his / her judgment in action in the best interest of Transnet, or could affect the employee's motivations for acting in a particular manner, or which could result in, or be perceived as favouritism or nepotism.
- 9.2 A Transnet employee uses his / her position, or privileges or information obtained while acting in the capacity as an employee for:
- a) Private gain or advancement; or

- b) The expectation of private gain, or advancement, or any other advantage accruing to the employee must be declared in a prescribed form.

Thus, conflicts of interest of any Tender committee member or any person involved in the sourcing process must be declared in a prescribed form.

- 9.3 If a Tenderer/Service Provider/Contractor has or becomes aware of a conflict of interest i.e. a family, business and / or social relationship between its owner(s)/ member(s)/director(s)/partner(s)/shareholder(s) and a Transnet employee/ member of Transnet's Board of Directors in respect of a Tender which will be considered for the Tender process, the Tenderer/Service Provider/ Contractor:
 - a) must disclose the interest and its general nature, in the Request for Proposal ("RFX") declaration form; or
 - b) must notify Transnet immediately in writing once the circumstances has arisen.

- 9.4 The Tenderer/Service Provider/Contractor shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any committee member or any person involved in the sourcing process, where this is done, Transnet shall be entitled forthwith to rescind the contract and all other contracts with the Tenderer/Service Provider/Contractor.

10 DISPUTE RESOLUTION

- 10.1 Transnet recognises that trust and good faith are pivotal to its relationship with its Tenderer / Service Provider / Contractor. When a dispute arises between Transnet and its Tenderer / Service Provider / Contractor, the parties should use their best endeavours to resolve the dispute in an amicable manner, whenever possible. Litigation in bad faith negates the principles of trust and good faith on which commercial relationships are based. Accordingly, following a blacklisting process as mentioned in paragraph 6 above, Transnet will not do business with a company that litigates against it in bad faith or is involved in any action that reflects bad faith on its part. Litigation in bad faith includes, but is not limited to the following instances:

- a) **Vexatious proceedings:** these are frivolous proceedings which have been instituted without proper grounds;
- b) **Perjury:** where a Tenderer / Service Provider / Contractor make a false statement either in giving evidence or on an affidavit;
- c) **Scurrilous allegations:** where a Tenderer / Service Provider / Contractor makes allegations regarding a senior Transnet employee which are without proper foundation, scandalous, abusive or defamatory; and
- d) **Abuse of court process:** when a Tenderer / Service Provider / Contractor abuses the court process in order to gain a competitive advantage during a Tender process.

11 GENERAL

- 11.1 This Integrity Pact is governed by and interpreted in accordance with the laws of the Republic of South Africa.

- 11.2 The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the law relating to any civil or criminal proceedings.
- 11.3 The validity of this Integrity Pact shall cover all the tendering processes and will be valid for an indefinite period unless cancelled by either Party.
- 11.4 Should one or several provisions of this Integrity Pact turn out to be invalid the remainder of this Integrity Pact remains valid.
- 11.5 Should a Tenderer/Service Provider/Contractor be confronted with dishonest, fraudulent or corruptive behaviour of one or more Transnet employees, Transnet expects its Tenderer/Service Provider/Contractor to report this behaviour directly to a senior Transnet official/employee or alternatively by using Transnet's "Tip-Off Anonymous" hotline number 0800 003 056, whereby your confidentiality is guaranteed.

The Parties hereby declare that each of them has read and understood the clauses of this Integrity Pact and shall abide by it. To the best of the Parties' knowledge and belief, the information provided in this Integrity Pact is true and correct.

I duly authorised by the tendering entity, hereby certify that the tendering entity are **fully acquainted** with the contents of the Integrity Pact and further **agree to abide by it** in full.

T2.2-15 : Supplier Code of Conduct

Transnet SOC Limited aims to achieve the best value for money when buying or selling goods and obtaining services. This however must be done in an open and fair manner that supports and drives a competitive economy. Underpinning our process are several acts and policies that any supplier dealing with Transnet must understand and support. These are:

- The Transnet Procurement Policy – A guide for Tenderers.
- Section 217 of the Constitution - the five pillars of Public PSCM (Procurement and Supply Chain Management): fair, equitable, transparent, competitive and cost effective;
- The Public Finance Management Act (PFMA);
- The Broad Based Black Economic Empowerment Act (BBBEE)
- The Prevention and Combating of Corrupt Activities Act (PRECCA); and
- The Construction Industry Development Board Act (CIDB Act).

This code of conduct has been included in this contract to formally appraise Transnet Suppliers of Transnet's expectations regarding behaviour and conduct of its Suppliers.

Prohibition of Bribes, Kickbacks, Unlawful Payments, and Other Corrupt Practices

Transnet is in the process of transforming itself into a self-sustaining State Owned Enterprise, actively competing in the logistics industry. Our aim is to become a world class, profitable, logistics organisation. As such, our transformation is focused on adopting a performance culture and to adopt behaviours that will enable this transformation.

1. Transnet SOC Limited will not participate in corrupt practices. Therefore, it expects its suppliers to act in a similar manner.

- Transnet and its employees will follow the laws of this country and keep accurate business records that reflect actual transactions with, and payments to, our suppliers.
- Employees must not accept or request money or anything of value, directly or indirectly, from suppliers.
- Employees may not receive anything that is calculated to:
 - Illegally influence their judgement or conduct or to ensure the desired outcome of a sourcing activity;
 - Win or retain business or to influence any act or decision of any person involved in sourcing decisions; or
 - Gain an improper advantage.

- There may be times when a supplier is confronted with fraudulent or corrupt behaviour of Transnet employees. We expect our Suppliers to use our "Tip-offs Anonymous" Hot line to report these acts. (0800 003 056).

2. *Transnet SOC Limited is firmly committed to the ideas of free and competitive enterprise.*

- Suppliers are expected to comply with all applicable laws and regulations regarding fair competition and antitrust practices.
- Transnet does not engage with non-value adding agents or representatives solely for the purpose of increasing BBBEE spend (fronting).

3. *Transnet's relationship with suppliers requires us to clearly define requirements, to exchange information and share mutual benefits.*

- Generally, suppliers have their own business standards and regulations. Although Transnet cannot control the actions of our suppliers, we will not tolerate any illegal activities. These include, but are not limited to:
 - Misrepresentation of their product (origin of manufacture, specifications, intellectual property rights, etc);
 - Collusion;
 - Failure to disclose accurate information required during the sourcing activity (ownership, financial situation, BBBEE status, etc.);
 - Corrupt activities listed above; and
 - Harassment, intimidation or other aggressive actions towards Transnet employees.
- Suppliers must be evaluated and approved before any materials, components, products or services are purchased from them. Rigorous due diligence is conducted and the supplier is expected to participate in an honest and straight forward manner.
- Suppliers must record and report facts accurately, honestly and objectively. Financial records must be accurate in all material respects.

Conflicts of Interest

A conflict of interest arises when personal interests or activities influence (or appear to influence) the ability to act in the best interests of Transnet SOC Limited.

- Doing business with family members.
- Having a financial interest in another company in our industry

Where possible, contracts will be negotiated to include the above in the terms of such contracts. To the extent such terms are not included in contractual obligations and any of the above code is breached, then Transnet reserves its right to review doing business with these suppliers.

I, _____ of _____

1.1. Description of the works

The high level items included in the scope of work for the refurbishment of emergency staircase at Port Control, Small Craft Harbour includes the following:

- Provide temporary emergency staircase scaffolding for the duration of the project.
- Frame surface preparation (sanding, scrapping of existing paint and cleaning of corroded steel).
- Removal and replacing of all bolts, screws, washers, etc.
- Removal of staircase handrails.
- Demolition of concrete footing.
- Replacement of staircase and platform treads.
- Paintwork (primer and finish coatings).
- Working at heights requiring the provision of scaffolding, ropes, ladders, cherry-picker, etc.
- Constructions of new concrete footing.

The high level items included in the scope of work for the refurbishment of leading light on main breakwater, Small Craft Harbour includes the following:

- Supply and install four new 500mmx500mmx300mm, 30MPa concrete base blocks for leading light structure.
- Remove all corroded mild steel components and bolts from existing structure.
- Supply and install (bolt) stainless steel angle iron frame to hold platform.
- Supply and install fibre reinforced polymer grating platform base.
- Supply and install (bolt) stainless steel handrail to platform.
- Install (bolt) refurbished structure to new concrete base.
- Provide alternative post for leading lights in the refurbishment interim.

1.2. Project objectives and pre-qualification requirements

The objective of this project is to refurbish damaged/corroded steel structures in the small craft harbour area.

The *Contractor* is required to possess a CIDB 2SL or 2CE grading to be considered to bid for this project.

2. General constraints on how the *Contractor* provides the works

2.1. General constraints

2.1.1. Use of the site

The emergency staircase and leading light is located at Port Control and main breakwater, Small Craft Harbour, which is an essential operational area in the Port of Saldanha. The *Contractor* will be required to exercise caution and flexibility around operational activities. Port operations will be considered a priority in conflicting schedule activity.

2.1.2. Access to the site

The *Contractor* must ensure that he complies with the regulations of Transnet National Port Authority (TNPA), when working on site. A list of workmen/women, including copies of identity documents shall be given to the *Project Manager* to arrange for the necessary permits. A minimum notice period of 48 hours is necessary for the processing of these permits. This includes changes to staff during the contract period. All *workers* would require to undergo the TNPA Safety, Health and Environment Induction before the access permit will be issued. The Safety, Health and Environment Inductions take place every Monday and Wednesday from 9:00 till 11:00. An Induction session needs to be arranged through the *Project Manager* 48 hours prior to the session. Access and use of the site will be allow and or permitted once the site access certificate is issued. Access to the site will be on or at a later date from the date of issue of the site access certificate and or as per the accepted programme.

2.1.3. Deliveries

The *Contractor* shall inform the *Project Manager* 24 hours in advance of any material deliveries to site.

2.1.4. Working Hours

Normal working hours are between 07:30 to 16:30 Mondays to Fridays. If it is required to work outside the stated normal working hours the *Contractor* shall obtain written permission at least 24 hours before such *work* needs to be undertaken. This request should be send to the *Project Manager* in writing. TNPA will not unreasonably withhold permission.

2.1.5. Parking

The *Contractor's* vehicles will be parked in the parking area identified by the *Project Manager*. Should the *Contractor* require additional parking, he shall submit a request to the *Project Manager* via email and or letter.

2.1.6. Pollution, ecological or environmental impacts

The *Contractor* shall take the necessary precaution measures to ensure that no accident shall occur on site that could cause pollution. Where the *Contractor* was negligent and caused any form of pollution the damage shall be rectified at the *Contractor's* cost. The *Contractor* shall, at all times, comply with the statutes that prohibit pollution of any kind. These statutes are enacted in the following legislation:

- The National Environmental Management Act, 107/1998.
- The Environmental Conservation Act, 73/1989; and
- The National Water act, 36/1998.

2.1.7. Interfaces between the works and existing things

The *Contractor* must ensure that their employees do not interfere with existing infrastructure. Any damage to any existing assets during construction will be repaired by the *Contractor* at the Contractor's cost. Material found on site shall not be used by the *Contractor*.

2.1.8. Occupied premises and users

The Small Craft Harbour Site is being used by TNPA employees and clients.

2.1.9. Employer specific policies and procedures

The *Contractor* must comply with all TNPA SHE policies, procedures and requirements including the requirements stipulated in the SHE File.

2.2. Confidentiality

The data and information supplied by TNPA remains the sole possession of TNPA and any unauthorized alteration; distribution; copying, modification; reproduction in whole or in part; propaganda; and/or use for gain or otherwise is strictly prohibited. TNPA provides no warranty, expressed or implied as to accuracy, completeness or reliability of the data and information. No liability shall devolve upon or be incurred by TNPA and/or its officials through use of the data and information supplied.

2.3. Security and identification of people

The *Contractor* must provide the list of employees that will be working on the site. The Contractor's employees must provide identification when requested by security personnel and adhere to the security procedures. The Port does not tolerate substance abuse, therefore, any personnel reporting for duty under the influence of alcohol and or any other drugs will not be permitted to access the site.

2.4. Protection of existing structures and services

Any damage to any existing structures and services during construction will be repaired by the *Contractor* at his own cost.

2.5. Protection of the works

The *Contractor* is responsible for the protection of *Works* during the construction period.

2.6. Cleanliness of roads

Any spill of any kind and all sort of debris, generated from *work*, throughout the duration of the contract must be cleaned immediately. This will be done at Contractor's cost.

2.7. Consideration of others

During the construction process the *Contractor* and his employees must be considerate of TNPA personnel and clients.

2.8. Control of site personnel

The *Contractor* must provide and keep the record of site personnel and visitors for the duration of the contract. The *Contractor* must comply with TNPA security procedures.

2.9. Site cleanliness

The *Contractor* will be responsible to keep the site in a neat and tidy condition during the execution of the *works*. Upon completion of the *work* the *Contractor* shall clear and remove all waste material, plant

and debris. The *Contractor* will leave the site and the whole of the *works* clean and tidy, to the satisfaction of the *Project Manager*.

2.10. Waste materials

The *Contractor* shall not dispose of any waste and construction waste by burning or burying. Waste material shall be dumped at a municipality approved landfill site and recyclable material shall be deposited in separate bins and removed off site for recycling. The *Contractor* must submit to the *Project Manager* the proof of disposal of material at an approved landfill site, if obtainable from the issuing authority.

3. Completion

3.1. Completion definition

The *Contractor* shall indicate in the tender reasonable duration he will require to complete the *work*, however, should not exceed (10) weeks. This period shall be inclusive of weekends and the time for the compilation and approval of a SHE file. This period shall be exclusive of public and statutory holiday periods. The (10) weeks therefore refers to the time from the contract is awarded, preparation and approval of the SHE file and up to completion of the *Works* including handing over the site.

Failing completion of the *work* within the period as stipulated above or with any shorter period proposed by the *Contractor* and accepted by Transnet, the *Contractor* shall pay to Transnet a delay damage of R5 000.00 (Five Thousand Rand) for every day or part thereof during which the *Works* remain incomplete.

3.2. Defect period

All workmanship shall be guaranteed for a period of 6 (Six) months and material for a period of 5 years, from the date of completion of *work*.

3.3. Correcting defects

The completion certificate will not be issued if there are still outstanding defects that needs to be corrected by the *Contractor*. The defects correction period is 4 (Four) weeks.

3.4. Retention

- TNPA will retain 10% of the contract value for a period of 6 months.
- This amount will be due to the *Contractor* after 6 months of completion of *work* (after issuing a completion certificate).
- The 10% retention will be retained on every claim made by the *Contractor* and this amount will be retained for the stipulated period in bullet number 1 above.

3.5. Final clean

The *Contractor* must make sure that the site is clean and ready for use by the completion date. The *Contractor* must make sure that all plant and equipment is removed from the site.

3.6. Equipment's safeguarding

The *Contractor* is responsible for the safeguarding of his/her own equipment and material on site. TNPA personnel will not be held responsible for any damage of equipment and material during the duration of the contract.

3.7. Pre-completion arrangements

A final inspection will be conducted by the *Project Manager*, SHEQ personnel and the *Contractor* to deem the site safe for occupation and for operation.

3.8. Take over

TNPA will take over the site once the *Works* have been completed fully and successfully, including snags.

4. Programme

4.1. Programme requirements

The *Contractor* shall provide to the *Project Manager* a detailed programme on how he intend to conduct the *work*.

4.2. Programme arrangement

The programme must be agreed to before any *work* will be allowed to commence. The programme will be used as a guide to measure progress of *work* on site.

4.3. Methodology statement

The *Contractor* must provide a detailed method statement for the execution of the *works* as per the scope of *works*.

4.4. Information required

The *Contractor* will be required to provide to the *Project Manager* all information related to the project execution as and when required through emails, telephonically and formal meetings.

4.5. Revised programme

The *Contractor* must inform the *Project Manager* of any changes made in the programme during construction. Any changes must be approved by the *Project Manager*.

5. Quality management

5.1. Quality statement

The *Contractor* shall provide the *Project Manager* with data sheets of all material he plans to use during the project where applicable and manufacturer's technical information.

5.2. Quality management system

The *Contractor* shall supply the *Project Manager* with a comprehensive Quality Control Management Plan (QCP), detailing how he/she intends on ensuring quality is maintained throughout the project. This can be included in the method statement.

5.3. Inspections

The *Project Manager* will inspect the sites continuously during the execution of the *Works*. The *Contractor* will be responsible to inform the *Project Manager* before *work* starts on site and when the *work* is completed.

6. Management of the works

6.1. Project team – Others

If the *Project Manager* delegates their duties to others the *Contractor* will be informed in writing. The *Contractor* will be expected to work and report to the delegated member/s.

7. Communications

7.1. Meetings, attendees and meeting records

The *Project Manager* will arrange a kick off meeting before the start of the project, as well as a close out meeting at the end of the project. During the execution of the *works*, there will be weekly meetings (every Monday) to discuss previous week's progress and planned works for the coming week. The *Project Manager*, *Contractor*, Supervisor and SHE representative(s) must attend the meetings and *Project Manager* or TNPA is responsible for keeping records of the meetings.

Should there be a need for additional meetings during the course of the project, the *Project Manager* and/or *Contractor* can arrange the meeting.

7.2. Reporting requirements

The *Contractor* must send a progress update to the *Project Manager* at the end of every week (Fridays) detailing planned *work* and achieved *work*, including planned *work* for the next/following week. The progress update must be sent to the *Project Manager* via email.

7.3. Information requirements

The *Contractor* must provide information regarding the project as and when requested by the *Project Manager* at all times.

7.4. Electronic systems and communications

Formal communication between the *Contractor* and the *Project Manager* will be by email and ad hoc communication will be by telephone and verbal on site meetings.

8. Working with the Employer and Others

8.1. Sharing the working areas with the Employer and Others

The *Contractor* must be aware that Transnet employees and *client* personnel will be around the site and the site will be operational during the construction phase.

8.2. Co-operation

Both the *Project Manager* and *Contractor* must co-operate with one another to ensure the success of the project.

9. Services and other equipment to be provided

9.1. Services and other equipment for the use of the *Employer, Project Manager* or Others to be provided by the *Contractor*.

9.1.1. Sign boards and other signage

The *Contractor* must provide sign boards on site indicating the hazards associated with the *works* and sign boards indicating that there is *works* in progress.

9.1.2. Safety equipment and services

The *Contractor* is responsible for the safeguarding of his own equipment and material on site for the duration of the contract.

9.1.3. Utilities

The sites are located at Small Craft Harbour, Port Control and main breakwater respectively. The *Contractor* must supply all construction related water, hoses and all other equipment required for water supply as necessary.

Electricity will be made available for the purpose of construction of the *works*; however the *Contractor* shall comply with the electricity installation regulations.

9.1.4. Sanitation

The *Contractor* will be required to supply his/her own employees with mobile ablution facilities for the duration of the contract and the *Contractor* shall ensure that the facilities are used appropriately and kept in good clean condition at all times.

9.2. Services and other things to be provided by the *Employer*

9.2.1. Meeting rooms

Meeting rooms for progress meetings – virtual or otherwise - will be provided by the *Project Manager*. The meeting room/s will be communicated in advance to the *Contractor* via email.

9.2.2. Storage facilities

The *Contractor* shall provide their own store facilities for the duration of the contract where necessary for the tools and equipment that required sheltered storage.

10. Materials from demolition

The *Contractor* must consult with the *Project Manager* before removing any material or equipment from site. Upon agreement with the *Project Manager*, the *Contractor* is required to obtain written and signed gate pass for the material to be transported out of Transnet site from the Project Manger prior to the event.

11. *Employer's* work specifications

General works information is below.

11.1. Safety File

- Prior to work commencing on site the *Contractor* is required to comply with all Safety, Environment and Health requirements from the SHEQ Department, by completing a mandatory Safety File into a reasonably accepted standard by the SHEQ and *Project Manager*,

- The Safety File shall be completed in relation to the checklist which will be provided upon signature of contract by successful bidder.
- The Safety File shall include a detailed method statement highlighting all safety protocol, quality control measures and schedule to be approved by Project Manager before commencement of work.
- The Safety File shall be compiled, submitted for review, and be approved within 14 days by the TNPA SHEQ department.
- Once the Safety file is completed and approved, the *Contractor* will receive a Site Access Certificate and only then shall he or she access the site and commence with site establishment.

11.2. Site Establishment

- The *Contractor* shall provide a complete list of all equipment and plant to be transported into the premises for the project execution to the *Project Manager*. The list will be used for tracking purposes of equipment and plant coming in and out of the Port.
- The list will be provided to the TNPA security personnel and the security personnel at the gate for noting and tracking.
- The *Contractor* shall note that all equipment transported and left on site are to his or her own responsibility and therefore, shall safe guard against theft and damage.
- The *Contractor* is required to barricade the *work* site and on entrances must make provision for TNPA personnel and visitor.
- The *Contractor* is required to provide warning signage, construction site signage, etc.
- The *Contractor* shall provide facilities to store equipment and material, etc. on site.
- The *Contractor* is required to supply and erect temporary emergency staircase scaffolding for the duration of the project.

11.3. Emergency Staircase: Partial de-construction and disposal work

- Remove all corroded steel elements not part of the super structure, including bolts, washers, nuts and staircase treads.
- Remove staircase handrails.
- Demolition of exiting concrete footing.
- All steel components should be dumped on TNPA site identified by Project Manager.
- Disposal of all construction waste at a municipality approved dumping site.

11.4. Emergency Staircase: Surface Preparation

- All surfaces shall be detergent washed and fresh water rinsed to remove all oil, grease and surface contaminants before sanding and scraping to remove rust.
- All surfaces shall be scrapped thoroughly to remove all the existing paint and sealants in preparation for the rust removal.
- All surfaces shall be mechanically sanded to the galvanizing level without damaging and removing the galvanizing and shot blasting shall be applied where required and necessary.

- Good quality blast cleaning shall be carried out after all surfaces are thoroughly and properly sanded and blasted to remove all types of rust present.
- All bolts and screw holes shall be cleaned thoroughly to remove rust and existing paint to ensure proper adhesion of the primer to be applied.

11.5. Emergency Staircase: Steel Paintwork

Directly before the application of paint, the area to be painted shall be well degreased with a suitable degreaser to remove grease, dust and any other debris. The area shall be left to dry.

11.5.1. Primer Coat

- To hand apply two full coats of Jotamastic Smart Pack (Grey) or similar product. Two-Pack Surface Tolerant and High Solids Epoxy Mastic coat or in order to achieve the required D.F.T (Dry Film Thickness) of 80 microns per coat or a similar product.
- Once dry, wash down again in order to remove the overnight salt deposits with clean potable water.

11.5.2. Finishing Coat

- To hand apply two full coats of Hardtop Smart-pack or similar – Colour Black and a D.F.T of 90 microns is required per coat or a similar product.
- Total D.F.T = 180 Microns for both finishes and primer coat – wash down between each and every application.

11.6. Emergency Staircase: Supply, installation and construction

- The existing bolts, nuts, and washers holding the structural beams and columns need to be replaced with the specified hot-dipped galvanized bolts, nuts and washers. The diameters of the fixers are to remain the same.
- All hot-dip galvanized fasteners and HT bolts parts must be thoroughly degreased using OptiDegreaser or similar, washed down with potable water and immediately when dry a single coat of OptiPrimeAqua of similar must be applied.
- All fasteners of the structure shall be coated with the same corrosion protection paint as per the TNPA's corrosion specification.
- All exposed threads, washers and nuts to be painted as per the steel superstructure.
- Supply and installation of handrails of similar spec to existing handrails (refer to drawings attached).
- Supply and installation of mentis grating stair treads of similar spec to existing.
- Construct new 30MPa concrete footing similar to existing footing (refer to drawings attached).

11.7. Leading Light: Partial de-construction and disposal work

- Remove all corroded mild steel components.
- Remove platform handrails.
- Demolition of exiting concrete footing.
- All steel components should be dumped on TNPA site identified by Project Manager.

- Disposal of all construction waste at a municipality approved dumping site.

11.8. Leading Light: Supply, installation and construction

- Construct new 30MPA, 500mmx500mmx300mm concrete footing similar to existing footing (refer to drawings attached).
- Supply and install (bolt) stainless steel angle frame to hold platform.
- Supply and install fibre reinforced polymer grating platform base.
- Supply and install (bolt) stainless steel handrail to platform
- Supply and install new stainless steel light posts (x2).

11.9. Site De-establishment

- Upon completion of the project the *Contractor* is required to remove all equipment brought to site, signage and any other instruments, etc. that was used during the project.
- All material that should be disposed, shall be transported out of site as soon as the project is complete.
- The *Contractor* shall provide a complete list of all equipment to be transported out of site as per the list provided for equipment brought in during site establishment and during the execution. The list shall be provided via email for the *Project Manager* to compile and provide a gate pass.

11.10. Site close-out and handover

- Once all *work* is completed on site and the site is cleared of any foreign material including tools, the *Contractor* is required to inform the *Project Manager* to conduct a closeout inspection audit.
- The *Project Manager* will inform SHEQ and the Security Department to be present during the closeout inspection audit.
- Once all have been confirmed and signed off, the site will be handed over back to TNPA through the *Project Manager*.
- The *Contractor* will be issued with a Completion Certificate indicating the project and TNPA details for use in future project as a reference.
- The retention period will commence same date as the date on the Completion Certificate.

PART C4 SITE INFORMATION

1. DESCRIPTION OF THE SITE AND ITS SURROUNDINGS

1.1 General Description

Figure 1 below, illustrates the aerial view above the location of the Small Craft Harbour in relation to the Port of Saldanha Bay Precinct. The Small Craft Harbour lies east of the Sea Harvest Saldanha Industrial Park. The Small Craft Harbour area is separated from the rest of the port by the town of Saldanha bay. Due to its isolation from the rest of the port, this section has been made open to the public for recreation activities, where the operational areas have been fenced in with palisade fencing and access control equipment.

Figure 1: Aerial view of Small Craft Harbour (Google earth)

1.2 Access Limitations

The following are TNPA Port of Saldanha access requirements:

a) Induction

Persons to undertake any site work (e.g., site inspections, construction work) at TNPA Port of Saldanha must be inducted. No persons may undertake any work on the site until they undergo a

mandatory induction. All TNPA Port of Saldanha rules, regulations, and procedures in connection to health, safety and environment are presented during the induction.

b) Access Permit Controls

Access cards are available on request at no fee. The following will be required in order to grant access cards:

- i. A proof of induction, i.e., a copy of the attendance register.
- ii. A formal request in the form of a signed letter on a company letterhead indicating:
 - The reason for request, i.e., 'company' contracted to 'TNPA Port of Saldanha' to render 'services' for the 'mentioned project'.
 - The list of persons, with their ID numbers, to be issued with access cards.
 - The approximate period of access to be granted expressed in months or years if more than 12 months.
- iii. Copies of certified Identity Document / Card for each individual who needs an access card.

Persons without access cards will be required to report to the Registration Office each time they visit the port in order to be granted access to the TNPA Port of Saldanha.

c) Working Hours

Normal working hours: 08:00 to 16:30, Monday to Friday, excluding public holidays.

Working hours maybe varied on mutual agreement between the TNPA Project Manager / Official and the Contractor / Consultant.

1.3 Drawings

All drawings are confidential property of Transnet SOC (Ltd). Information relating to drawings will be provided at site briefing. Thereafter, detailed drawings will be provided to the successful bidder. It is the responsibility of the Contractor to capture necessary site measurements and make appropriate assumptions in quotations.

1.4 Existing Port Infrastructure

Any damages to existing Port services due to negligence or recklessness of Contractor / Consultant will be for the Contractor's / Consultant's account.
